GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

My Brethren:

It is my pleasure to welcome each of you, to this, the 152nd Annual Communication of the Grand Lodge of A.F. & A.M. of Canada, in the Province of Ontario. I am pleased to see so many Masons from across our great province in attendance, with representation from Lodges in all of our 44 districts. Your attendance and participation at our Annual Communication session is greatly appreciated.

To our special guests from across Canada and the United States of America, I extend my sincere appreciation to each of you for taking the time out of your busy schedules to join with us. I certainly hope that you find our Grand Lodge session to be useful, informative, rewarding, motivational, and most of all, enjoyable.

From a personal perspective, over the past four years, I have had the opportunity to share in fellowship and friendship in an educational setting with so many of you, in locations around the world. I thank you for your gift of comradeship, which I value very much. When you return home to your respective Grand Lodges, please convey the fondest fraternal wishes of our Grand Lodge to your members.

NECROLOGY

This past year, our Grand Lodge has suffered the loss of many of its members, as they have journeyed to the Grand Lodge above. So many of these good Brethren had been active, in the interests of Freemasonry, and had made important contributions in service to their Lodges, their Communities, their Churches and to Grand Lodge. We mourn their passing, but we know that their influence for the moral, intellectual, and spiritual improvement of mankind will ever continue. To their loved ones, we offer a word of sympathy and consolation.

As a tribute to our departed Brethren, I would like to share with you the following:

*" He was a friend whose heart was good,
Who walked with men and understood.
His was a smile men loved to see:
His was a hand that asked no fee,
For friendship or kindness done.
And now that he has journeyed on,
His is a flame that never ends:
He leaves behind unnumbered friends."*

R.W. Bro. Gordon Monk

The headlines of the "Times" newspaper that serves Minden and the Haliburton area said it all on September 20, 2006. "Minden loses a passionate leader."

R.W. Bro. Gord Monk was one of the community's most passionate leaders. He was a man who exemplified the principles and teachings that our fraternity is based upon in everything that he did. A man and a Brother who was extremely devoted to his community as well as to our fraternity that he joined in 1963.

He was a member of Arcadia Lodge No. 440 in Minden and served as the Worshipful Master in 1985. In 1996, he was elected Grand Registrar by the Brethren of our jurisdiction, and served our Grand Lodge during the tenure of M.W. Bro. Durward I. Greenwood.

Gord was appointed to the Board of General Purposes in 1998, and served our Grand Lodge as Chairman of the Public Relations and Communications Committees. He also served as the Grand Representative to the Grand Lodge of Para.

R.W. Bro. Monk believed that one should always contribute to one's community on a daily basis. Besides being an active Mason, he was involved in the local Lions Club, the Royal Canadian Legion, the Kinsman, the Shrine as well as being active in the Anglican Church. Heeding the call of his community, and recognizing the difficulty that the area residents were experiencing, relating to the lack of support for a hospital within the community, Gord finished his tenure on the Board of General Purposes in 2000.

He worked hard with the Haliburton Highlands Health Services to ensure the residents of the community had the facilities they needed to enable them to postpone a visit to his business for as long as possible. He wanted quality of life, not just quantity for those throughout the community he lived in. He reached out to children in numerous ways, especially as Santa's helper in the annual Christmas parade, and was a volunteer with Community Care whose focus is with the senior residents of the community. In short – he cared for everyone!

R.W. Bro. Allan Franklin Dunsmore

R.W. Bro. Dunsmore passed to the Grand Lodge above on October 17, 2006. He was initiated into Freemasonry on November 29, 1960. A member of St. John's Lodge No. 21a in Vankleek Hill, he served his Lodge as the Worshipful Master in 1969 and again in 1995–1996.

He served as the District Deputy Grand Master of Eastern District in 1999–2000 under the late Grand Master, M.W. Bro. Robert J. McKibbin. He was a member of Moore Sovereign Consistory in Hamilton as well as the Karnak Shrine in Montreal. He served our Grand Lodge as a member of the committee that started the Officer Progression Training Seminars. He was a man of integrity and filled with staunch Masonic values.

He always took the time to stop and talk to those with whom he came into contact with. With an infectious personality, he always had the time to listen to you and help you solve your problems. A true gentleman and Mason in every sense of the word.

R.W. Bro. George Carlton Phair

R.W. Bro. Carlton Phair passed to the Grand Lodge above on March 28, 2007. Carl, as he was affectingly called, enjoyed serving his fellow man and his community whenever he had the opportunity. During the Second World War, he served his country with distinction as a Flight Lieutenant in the R.C.A.F. He was a recipient of the Paul Harris Fellow Award presented by the Rotary Club.

Carl was a Past Master of Pynx Baldoon Lodge No. 312 in Wallaceburg, as well as being an active member of Centennial Lodge No. 684 in London. He served our Grand Lodge as the Grand Director of Ceremonies during the late M.W. Bro. Bruce B. Foster's tenure.

A member of the Chatham Valley Lodge of Perfection, Rose Croix Chapter, Moore Sovereign Consistory, 33rd Degree Past Active Inspector General of the Supreme Council Ancient and Accepted Scottish Rite Canada as well as a member of Mocha Temple in London.

When asked what his family members remember most about their father, they replied, "A man who lived by the teachings of Masonry, but he only had one rule, tell it as it is, and if you do, the world will be a better place to live in." A lesson we all need to remember.

V.W. Bro. Brock Bernard Smith

Brock was a member of Norfolk Lodge No. 10, Simcoe. He was a man who was committed to his faith and was living proof of that our Craft and all that Freemasonry stands for was important to him. He saw the needs of others and acted on them.

He served Norfolk Lodge, as the Lodge Secretary for over 31 years and in his own special way, assisted 31 Worshipful Masters during their year in office. He had the knack of staying focused on the issues at hand, and not becoming side tracked by irrelevant discussions. Brock organized the annual pilgrimage to the gravesite of M.W. Bro. William Mercer Wilson from 1960 – 2007.

When asked by a longtime friend and lodge brother how he would describe Brock, he simply replied, "He represented everything that is good about being a Mason." He passed to the Grand Lodge above, on Sunday, January 21, 2007, with his Lord and family present. Well done, true and faithful servant.

Bro. Leonard E. Snider

Len was a life long resident of Waterloo and proprietor of Waterloo Stove and Appliances, where they knew and valued all their customers. When he sold his business in 1976, he was able to travel extensively spreading his goodwill to all that he touched. Always a gentleman, Len lived by the principles and teachings that serves as the foundation of Freemasonry.

He was a member of Waterloo Lodge No. 539 for 61 years and a Charter member of Brotherhood Lodge No. 723. Throughout his lifetime, Len was an active participant within the Masonic Family. In 1989, he became the recipient of the prestigious William Mercer Wilson Medal.

A true testimony to a man who always made sure those less fortunate were able to enjoy those things in life that we so often take for granted. Bro. Snider passed to the Grand Lodge above peacefully on May 12, 2007. We will cherish his memory in our hearts!

M.W. Bro. Wayne McKay

In January of 2007, our Canadian Masonic Family lost a longtime friend and true Mason. Passing suddenly to the Grand Lodge above, we lost M.W. Bro. Wayne McKay, the Grand Master of the Grand Lodge of New Brunswick.

Scheduled to be the Chairman of the Ways and Means Committee at the Conference of Grand Masters of North America as well as the vice-president of the All Canada Conference, which is held every April in Winnipeg, Manitoba. His passing left a tremendous void, not only in eastern Canada, but across the eastern part of the United States. His wide smile and outstretched hand of friendship will certainly be missed. Our deepest sympathy is extended to his wife Karen, his

immediate family members, as well as his Masonic family in the Province of New Brunswick.

In addition to the foregoing brethren, we have lost many of our Past Grand Lodge Officers, as well as recipients of the William Mercer Wilson Medal. Their names are recorded elsewhere in the proceedings. When we pause to reflect on their passing, let us remember their many contributions to our Craft and to our society.

"I shall pass through this world but once, any good thing therefore that I shall do, or any kindness that I can show to any human being, let me do it now. Let me not deter it or neglect it for I shall not pass this way again,"

... BY ETIENNE DE GREFFETT 1773-1855.

AD HOC COMMITTEES

The ad hoc committee: re discussion with Prince Hall Masonry.

Last year in my Annual Address, I reported that I had established an ad hoc committee to explore future paths that might be taken in our relationship with the Most Worshipful Grand Lodge of Prince Hall Freemasonry. R.W. Bro. George E. Hinds chaired this committee which consisted of M.W. Bro. Donald H. Mumby and R.W. Bro. Errol Stewart.

I reappointed the same ad hoc committee this past year, so they could continue with the mandate I charged them with. I am pleased to report that it appears at this time, the relationship is still very positive. Constitutional amendments may need to be addressed and terminology needs to be discussed further before full recognition takes place.

My recommendation is that this committee be retained for the next Masonic year to further this endeavor.

The ad hoc committee: re ideas to supplement the Special Program Fund.

As many of you are aware, the funding that we receive from our Special Program Fund, helps to offset the costs needed to supply the *Ontario Mason* magazine, as well as the work of the various Grand Lodge committees. We are continually appreciative of the generous support given by the many Brethren across the jurisdiction that contribute and support the calendar program each year.

I appointed an ad hoc committee to review the suggestions received and to consider new incentives that our Brethren would be interested in supporting. This ad hoc committee was chaired by R.W. Bro. David Sheen and assisted by M.W. Bro. Ron Groshaw and R.W. Bro. George Brown. It is now time that we look for an alternate means to supplement this worthwhile and important endeavor to enhance the success of the Special Program Fund on a regular basis.

The ad hoc committee: to research into a Widow's Program.

When a man becomes a Mason, he learns many valuable lessons that help him become a better man, a better father and a better husband. Unfortunately, after he passes to the Grand Lodge above, we sometimes forget about his wife who has now become a Masonic Widow, especially if there is no family support. We need to remember that they are still part of our Masonic family.

Communication is one of the most important tools mankind has at its disposal; we need to use it and share it on a daily basis.

In conversations that I have shared with many of my Brethren over the years,

I noted that we exhibit similar feelings, and quite frankly, often embarrassment whenever the subject is talked about. Being personally disturbed by the situation, I felt it prudent to do some research into the establishment of a Widow's Program endorsed by our Grand Lodge and used by the lodges across the province. With that in mind, I asked R.W. Bro. Thomas W. Hogeboom to do some preliminary research to see if it was warranted.

In his report, he recommends a need to formulate guidelines that could be used as a "benchmark" for all lodges. My Brethren, I couldn't agree more. My sincere appreciation is extended to him for his time and investigative research.

The ad hoc committee: to review Lodge Amalgamations that have taken place in recent years across our province.

In the last several years, our Grand Lodge has experienced requests for information inquiring about amalgamation. I would refer to Sections 158 – 164 of the Constitution of Grand Lodge, which was developed for lodges to follow. Being ever mindful of the sensitivity and the emotions that exist when two or more lodges are united, I felt it prudent to establish a follow up questionnaire, at one and three year intervals. To establish: What is working? What is not working? and to report in an honest, forthright manner. Further, to review the role that Grand Lodge plays in this process. Recommendations were addressed immediately and reports received to date have been very favourable. Amalgamations should be continually reviewed to monitor their progress.

The ad hoc committee: on the establishment of an Office Manual for our Grand Lodge.

With the many changes and regulations taking place in our provincial government, I established an ad hoc committee to formulate an Office Manual that would prove to be beneficial in today's environment for Privacy and Labour Ministry legislation. I felt that this would be an essential element, to assist in the day-to-day operations for both the present, as well as the future staff of our Grand Lodge.

As well, it was noted last year in my Grand Master's Address, that some suggested recommendations pertaining to the duties of the Grand Secretary be included. This ad hoc committee was comprised of R.W. Bros. Reade K. Spence and Earl M. Jones, and chaired by M.W. Bro. William R. Pellow. I have reviewed their recommendations and salient portions have been discussed with the Past Grand Masters and will be acted on in the near future.

WILLIAM MERCER WILSON MEDAL

Throughout our jurisdiction, there are a number of Masons who quietly perform their labours with loyalty and dedication. Our Grand Lodge once again recognizes these very special Brethren for the support that they continue to give to their lodges, their churches, their communities and to the Craft in general. These Brethren have never been, nor will ever be, the Worshipful Master of their lodge, yet they are an indispensable part of it. It is to men such as this, that our prestigious William Mercer Wilson Medal is presented.

The committee, composed of M.W. Bros. R. E. Davies, N. R. Richards and D. I. Greenwood reviewed all nominations for this honour and have recommended that the medal be presented to the following:

Bro. Gerald Sills – Belleville-Temple Lodge No.123, Belleville

Bro. Harry J. Cooper – Burns' Lodge No. 153, Wyoming
 Bro. John Medland – Mt. Zion Lodge No. 39, Brooklyn

PAST RANK

During the year, a Worshipful Master was prevented from serving a full twelve months as required by our Constitution. Therefore, pursuant to Section 73 of the Book of the Constitution, I recommend that Past Rank be granted to: W. Bro. Jeffrey Bates, Lost Villages Lodge No. 256, Ingleside.

APPOINTMENTS

Pursuant to Section 131 (e) of the Constitution of Grand Lodge, I am pleased to recommend the re-appointment of R.W. Bros. James C. Sutherland and H. Edward Standish to a three-year term of honorary membership on the Board of General Purposes.

MERITORIOUS SERVICE AWARDS

Meritorious Service Awards are presented to those Brethren who have worked tirelessly for a number of years to promote the cause of Freemasonry, not only within their District, but within our jurisdiction as a whole. These Brethren give of their time and their talents. Their Masonic brethren, as well as the communities in which they reside, hold them in high esteem. In my opinion, they exemplify Freemasonry on a daily basis and they aren't even aware that they are doing so. It is my pleasure and privilege to grant the Grand Master's Meritorious Service Award to :

R.W. Bro. Thomas E. Lewis
 St. Andrew's Lodge No. 661, St. Catharines –Niagara District A

R.W. Bro. Robert E. Kerr
 Wentworth Lodge No. 166, Stoney Creek – Hamilton District B

The service that these two Brethren give and continue to give to our fraternity is remarkable. I commend each of you for your dedication. I trust that you will wear the medal that accompanies this award with great pride and honour.

PAST GRAND MASTERS

Last year I reported to you on the great support that I had received from the Past Grand Masters of this jurisdiction. This past year, we have had to address many timely as well as sensitive issues that our beloved fraternity is facing. They have continued to offer their sage counsel when called upon in a most generous and sincere manner. I have often said that our jurisdiction is held in such high esteem all across the world, and we owe a debt of gratitude to our past Grand Masters for taking us to that level.

We shall miss the presence of M.W. Bro. N. Richard Richards and M.W. Bro. David C. Bradley who are unable to join with us at our Annual Communication session this year. When I was in Guelph this past spring, M. W. Bro. Richards joined with us for the cornerstone dedication ceremony at the Guelph Masonic Center. I always treasure the opportunity to converse with Past Grand Master Richards to share in his many Masonic experiences and to draw on his understanding of the intricacies of our fraternity.

I was so pleased to have had the opportunity to sit in lodge with M.W. Bro. Bradley this past year. As Editor Emeritus, of the Masonic Education Newsletter magazine, he continues to be a source of information, and always willing to offer his sage counsel when called upon. We look forward to their return to Grand Lodge and their active participation in the future.

GRAND LODGE OFFICERS

During my tenure as Grand Master this past year, I was so fortunate to have been able to be represented by 44 District Deputy Grand Masters throughout the jurisdiction.

They have been a great credit to Grand Lodge and to the Craft in general. Each one of them has worked tirelessly to ensure that the programmes of Grand Lodge were carried forth and implemented in their respective Districts. They also ensured that the Grand Master's theme of being aware of our Image of Masons within the community, as well as practicing that distinguishing characteristic of a Mason, that being our Masonic Charity, was promoted and shared with all the Brethren that they came in contact with.

My brethren, you have given of your time and talents as my representative in your district, and for that I will be forever grateful. You have all served well and deserve the accolades given to you by your Brethren. I offer my deepest thanks and appreciation.

Sandy and I thank those who have made our visit to your district that much more enjoyable. You have been such gracious hosts, and have gone out of your way to make us feel right at home. May each of you enjoy good health and happiness in all your future endeavours.

This past year, the Grand Lodge Officers that were elected and appointed served with great zeal and attachment. At the beginning of the Masonic year, I asked those Brethren who received a Grand Lodge appointment to take on an added role, that being to promote visitation within their districts and, if at all possible, to

visit as many lodges as they could to promote those principles and teachings that our fraternity is based upon.

I am so pleased with the way in which you have fulfilled what I have asked you to do. The feedback I have received has been very positive, and I know through your extra efforts we have strengthened our beloved fraternity.

To the members of the Board of General Purposes, I want you to know how much I appreciate your commitment to our fraternity and to the well being of our Grand Lodge. In any organization there are certain responsibilities that need to be completed, but I am always impressed with the dedication that you continue to exhibit as you serve our Brethren, day in and day out. I know they appreciate your extra efforts as much as I do.

To the Grand Senior Warden – R.W. Bro. William G. McKee.

In your journeys across the province, you have continued the tradition of bringing a refreshing and positive attitude to the Office that you have held this past year. In your public, as well as your private avocation, you wear many uniforms. Each one is worn with dignity and professionalism. Your contagious sense of humour, as well as the musical talent the G.A.O.T.U. has bestowed upon you is envied and admired by many. A special “Congratulation” is extended to you on being named the number two Town Crier in Ontario, this past year.

To the Grand Junior Warden – R.W. Bro. Donald J. McNair.

Your support this past year has been greatly appreciated by this Grand Master. Not only have you fulfilled the duties of your office, but you have represented our Grand Lodge when asked to do so, with dignity. This past year you have faced some tremendous challenges relating to your personal health. Through it all, I can honestly say that you have been an inspiration to so many, not only the Grand Lodge Officers, but to those Brethren who know you, and with whom you have come into contact with. May the Most High continue to be your guide and watch over you.

To the Grand Registrar – R.W. Bro. Allan H. Hackett.

With a contagious smile big enough to cover Prince Edward County, you have been a true ambassador for our Grand Lodge this past year. Always willing to fill in where the need may be. You have fulfilled your duties to Heritage Lodge in a most capable and professional manner and represented the Grand Master whenever called upon. Your genuine warmth and enthusiasm has been contagious all across the province. You have certainly raised the bar one notch higher.

To the Grand Chaplain – R.W. Bro. Peter Tink

You have traveled near and far to fulfill the numerous Masonic functions required by the office of the Grand Chaplain. Not only have you become a true friend to numerous Masons across the jurisdiction, but also you have served as a spiritual leader to those in need, when they have asked for your assistance and guidance. Your zeal and optimism has affected many, Thank You, Reverend Sir!

This past year, I have been attended to by two very attentive and dedicated brethren, in the persons of R.W. Bro. Arthur W. Stokes, Grand Director of Ceremonies, and V.W. Bro. Michael Dennis, Assistant Grand Director of Ceremonies. Whenever we have traveled, you have attended with kindness and courtesy and ensured that the

well being of this Grand Master and his Lady, has always been in the forefront. Sandy and I “Thank you” for your personal friendship and our unbounded appreciation is extended to you and your Ladies for your support and devotion.

Two of our stalwart and respected members of the Board of General Purposes have indicated to me that they will be retiring from their duties due to personal and business commitments at the conclusion of this Grand Lodge session.

R.W. Bro. Scott R. Drummond, Golden Rule Lodge No. 126, Campbellford, first served our Grand Lodge as the District Deputy Grand Master of Peterborough District in 1996. In 1999, he was appointed to the Board of General Purposes by the Grand Master of the day, the late M.W. Bro. Robert J. McKibbin. He has served on the Brother to Brother Committee, the Long Range Planning Committee, Membership Resources (sub-chair for D.D.G.M. Orientation), the Masonic Education Committee, as well as, our newest Grand Lodge Committee, Leadership Development. He is also the Grand Representative to the Grand Lodge of West Virginia near our Grand Lodge.

Bro. Drummond’s style and commitment to the work of our Grand Lodge will be greatly missed. But, as each of us has learned in our Masonic teachings, our family and our private avocations come first, and each one of us respects your decision. The future is still yours my Brother, we wish you and Nancy the very best.

R.W. Bro. M. Lee Shea, Muskoka Lodge No. 360, Bracebridge, served as the District Deputy Grand Master of Muskoka–Parry Sound District in 1997. He was appointed to the Board of General Purposes in 2001 by M.W. Bro. Terence Shand. He is also the Grand Representative to the Grand Lodge of Utah near our Grand Lodge. Lee has served our Grand Lodge as a member and Chairman of Seminars and Workshops, Blood Donors and the Grand Lodge Library. At the same time, he has continued to serve Muskoka Lodge, as Lodge Secretary, in his District, as a mentor, an advisor and a friend to all. I was privy to a conversation in the Muskoka–Parry Sound District. During the conversation, a question was asked, “How would you describe Lee Shea?” The answer that was given, was, “Refer to the final charge in our Installation Ceremony.” “If you see a man who quietly and modestly moves in the sphere of his life, who without blemish fulfills his duty.” My Brethren, I couldn’t agree more with that statement.

Bro. Shea, on behalf of your Grand Lodge, we “Thank You” for the six years of dedication and service that you have given to our Grand Lodge. We wish you and Donna continued good health and success in the years ahead.

With much personal regret, midway through his tenure, I have accepted the resignation of longtime serving, and respected member of the Board of General Purposes, R.W. Bro. Thomas Edward Lewis, St. Andrew’s Lodge No. 661, St. Catharines. Our late Past Grand Master, M.W. Bro. Norman E. Byrne, appointed him to the Board of General Purpose in 1993.

Tom has served our Grand Lodge as a member of the Masonic Holdings Committee as well as the Audit and Finance Committee since that date. In fact, he has served as the Chairman, Audit and Finance Committee, since 1995 to the present date, a total of 12 years. He has also worked for the Cause of the Good as a Director and Treasurer of the Masonic Foundation of Ontario. Bro. Lewis is the

representative to the Grand Lodge of Prince Edward Island near our Grand Lodge. Besides serving our Grand Lodge with devotion and zeal, Tom has offered his time and professional expertise to many Lodges and Temple Corporations who are in need of suggestions and ideas in maintaining their financial independence, all across the Province. You are a true and dedicated Mason and we wish you and Joanne all the best in your future endeavours.

DEDICATION

During this past year, the Grand Lodge Officers and I, had the opportunity to dedicate three facilities for Masonic purposes. They were located in Brant, Frontenac and South Huron Districts.

On October 24, 2006, a newly renovated room at the Brantford Shrine Club, Brantford, become the new home of Brant Lodge No. 45. The Lodge room has been tastefully decorated as the Brethren have utilized space within the home of a Masonic Family member. This arrangement serves the needs of the Brethren of Brant Lodge as they turn a new page in their Lodge history.

On January 19, 2007, along with the Grand Lodge Officers, we traveled to Northbrook to dedicate the new home of St. Andrew's Lodge No. 497. Originally, the lodge met in Tamworth and after making some very hard decisions, moved to Northbrook. They are meeting in a room which is part of the facilities of a local funeral home.

With a renewed enthusiasm, the Brethren of St. Andrew's Lodge have embraced the community of Northbrook, and the community of Northbrook has embraced them. Our best wishes for a successful future in your new Masonic home.

On May 12, 2007, on a sunny spring afternoon, the Grand Lodge Officers and I journeyed to St. Mary's to take part in the dedication ceremony of the new Lodge building of St. James Lodge No. 73.

The Brethren of St. James Lodge are to be commended for the work they have done to present a very positive image of Freemasonry within the community. The new Lodge Building is located in a high profile area within the community in a close proximity of a light industrial area and a residential area. They are also to be congratulated for having the foresight to take advantage of part of their property and supplement their income to help defer costs and expenses.

In all three dedication ceremonies, the ritual was well performed, the facilities for Grand Lodge were nicely provided, and a banquet either proceeded or followed the dedication. The banquet afforded the Brethren attending to enjoy each other's company and to get to know each other a little bit better. I would like to "Thank" all who participated in the planning and implementation of these ceremonies. Your attention to every detail was complete.

CORNERSTONES

The Freemasons of Ontario have been involved in Cornerstone dedication Ceremonies since 1856 when our first Grand Master, M.W. Bro. William Mercer Wilson invited the Masons of Owen Sound, to join with him in laying the cornerstone of the first Post Office in Ottawa. Since that day, upon request, the Masons of our province have participated in the public ceremony of cornerstone dedications. This year, we were invited to participate in two such ceremonies.

The first ceremony took place on October 14, 2006, at Salmoni Place 1849, in Amherstberg. Salmoni Place 1849 is a building that has a long history in the Amherstberg area, in fact, over the years, it served as a mill, a bar, a restaurant and even briefly the home of Thistle Lodge No. 34. Currently the building is owned by descendants of the original owner and has undergone renovations to be a new housing unit within the community.

On March 24, 2007, we dedicated a cornerstone at the Guelph Masonic Center to commemorate the renovations that have taken place in this great facility.

On both occasions, the media were in attendance and we received positive coverage on national television as well as in the local newspapers. I would encourage our Grand Lodge to continue participation in this type of event when the opportunity presents itself. What a great occasion to present our fraternity in a positive light.

AMALGAMATIONS

Last year in my Grand Master's Address, I noted that we are constantly facing new challenges in our lodges each and every day. Several lodges, due to dwindling numbers, financial circumstances, the constant recycling of Officers and the lack of future members within their communities, have deemed it necessary to enter into the amalgamation process. As I stated last year, and I still maintain to this day amalgamation should only be considered after all avenues have been reviewed and

exhausted to try and keep the lodge vibrant and progressive.

As I mentioned earlier in my Address, an ad hoc committee was established to review the amalgamations that have taken place in the last five years. The lodges that have amalgamated, on the whole, have reported positive results. With a renewed enthusiasm and a positive attitude to make it work, many of the Brethren who have re-kindled their Masonic Flame are working together and building a brighter tomorrow for their lodge and their members.

To the Brethren that I appointed to chair the joint committees for the proposed amalgamations, I would like to express my sincere appreciation to each of you. Your assistance to the lodges involved, your sincerity and your dedication to the future of our fraternity is greatly appreciated.

I have approved and presided over the following amalgamations:

September 11, 2006

York Lodge No. 156 and Bedford Lodge No. 638 – now York Lodge No. 156, Toronto Don Valley District.

September 12, 2006

October 11, 2006

St. Paul's Lodge No. 107 and Acacia Lodge No. 580 – now St. Paul's Lodge No. 107, Lambeth, London West District.

January 6, 2007

Vaughan Lodge No. 54 and Mizpah Lodge No. 572 – now Maple Lodge No. 54, Toronto York District.

January 19, 2007

Cataraqui Lodge No. 92 and Royal Edward Lodge No. 585 – now Royal Edward of Cataraqui Lodge No. 92, Frontenac District.

January 20, 2007

The Belleville Lodge No. 123 and Temple Lodge No. 666 – now Belleville-Temple Lodge No. 123, Prince Edward District.

January 30, 2007

January 31, 2007

Ashlar Lodge No. 247 and St. Clair Lodge No. 577 – now Ashlar St. Clair Lodge No. 247, Toronto Don Valley District.

April 11, 2007

Parkdale Lodge No. 510 and Coronation Lodge No. 677 – now The Perfect Column Lodge No. 510, Toronto Humber Valley District.

There are lodges currently involved in amalgamation discussions in Toronto Don Valley, Toronto Humber Valley, Ottawa District No. 2 and Peterborough Districts. A Grand Lodge representative has been selected to chair the joint committees during the amalgamation discussions, which are presently underway at the writing of this report.

SURRENDER OF CHARTER

In the fall of 2006, after numerous attempts to keep the lodge going, and realizing that there was no future for the lodge in the years ahead, upon the request of their members, I appointed R.W. Bro. Alan R. Milner to act as Chairman for Otisippi Lodge No. 719 (Sarnia District) to facilitate the provisions of the Constitution of Grand Lodge, as the lodge surrendered their charter. The Extinguishing of the Lights Ceremony took place on October 23, 2006.

I appointed R.W. Bro. Cliff Farber to act as the chairman for Lorne Lodge No. 404, Frontenac District, to facilitate the provisions of the Constitution of Grand Lodge as Lorne Lodge surrendered their charter as well.

No Grand Master ever wants to receive a charter from a lodge, but when all avenues for existence have been exhausted, and amalgamation isn't an option, with regret, we receive same. My appreciation is extended to R.W. Bros. Milner and Farber, for their compassion, understanding as well as their personal touch during these sensitive times.

RECOGNITION OF 100 YEARS OF SERVICE

In accordance with Section 394 of the Book of Constitution of Grand Lodge, I am pleased to grant permission for the following lodges to wear gold braided regalia, effective the dates indicated:

Golden Star Lodge No. 484, Dryden, as of October 8, 2007

Silver Lodge No. 486, Haileybury, as of October 26, 2007

Electric Lodge No. 495, Hamilton, as of June 23, 2009

University Lodge No. 496, Toronto, as of June 14, 2010

Coronation Lodge No. 502, Smithville, as of December 22, 2011

THE MASONIC FAMILY AND SPECIAL EVENTS

Near the end of August 2006, Sandy and I had the pleasure to represent our Grand Lodge at the annual session of the Order of the Eastern Star, held in Toronto. Our sincere appreciation is extended to the Worthy Grand Matron and Worthy Grand Patron for the many courtesies, and kind remarks that were extended to us.

Throughout the year, many of the Brethren have heard me talk about the Masonic enthusiasm that is spreading across the province. I feel it is only fitting that we recognize the time, the talent, as well as the many hours of hard work that numerous Brethren have contributed to our Information Booths. When you host our Display Booths, I would remind you that you are the public first impression of Freemasonry, and what we stand for. This year, for the first time, we had Information Display Booth at the Fergus Highland Games (Wellington District). Congratulations are extended to the Brethren who hosted the display tent and answered the many questions they received about Freemasonry. Your results have been positive with much interest in our fraternity and we now have some new Masons as a result of that endeavor.

The week of September 19–23, 2006, was a busy week for the Brethren of Peterborough District. Working as a team, they hosted the Masonic Family Friendship Tent at the International Plowing Match, near Keene. Our thanks to W. Bro. Robert McBride and the Brethren of Peterborough District, for a job well done.

As in the past, our Masonic Leaders continue to meet on a regular basis in

order to share areas of mutual concern and to exchange information that is relevant to each of our organizations, as well as to the future of our fraternity.

Besides our regular meetings, held throughout the year, we met on September 21st at Keene Lodge No. 374. Our special "Thanks" is extended to the Brethren of Keene Lodge for hosting the Leaders and the use of your lodge building for our meeting. After the meeting was over, we travelled together as Masonic Leaders to the I.P.M. site, and met the many visitors to the Display tent. What a great opportunity to meet and to talk to those who have expressed an interest in Freemasonry. Later that evening, we enjoyed Masonic Fellowship at a barbecue at the home of W. Bro. Scott Pimmett. Congratulations are extended to those who worked so hard to ensure this event was a success, especially our Grand Lodge Public Relations Committee for arranging, co-coordinating and promoting this historic occasion.

Last April, I was pleased to attend and represent this Grand Lodge at the 149th Annual Convocation of the Grand Chapter of Royal Arch Masons, held in St. Catharines. My sincere appreciation is extended to M. Ex. Companion George H. Gifford and all the Grand Chapter Officers, for the many courtesies extended to Sandy and myself. We look forward to next year when Grand Chapter will be celebrating it's 150th Anniversary on April 3–5, 2008.

In addition, I attended the Imperial Council of the Shrine in Anaheim California, earlier this month. When time and circumstances permitted, I attended as many meetings and functions of the De Molay for Boys, the International Order of Rainbow for Girls and Job's Daughters or ensured that representation from our Grand Lodge was present. Unfortunately, due to previous commitments, I was unable to attend the Sovereign Great Priory as well as an invitation to the Grotto, but I was represented by the Deputy Grand Master at same.

On Sunday, October 29, 2006, I had the opportunity to represent our Grand Lodge at an endowment session at Brock University in St. Catharines. The President of Brock University, Mr. Jack Livingstone, hosted the afternoon. We were joined by faculty members, donors and invited guests, to unveil a donor window to recognize those who have bestowed their time, their support and their many contributions to Brock University. For the last year or so, your Grand Lodge has been involved in recognizing the donation of a private collection of Masonic books by R.W. Bro. Charles Sankey, R.W. Bro. J. Lawrence Runnalls, as well as, the Stranding family. (R.W. Bro. Sankey is a former Chancellor of Brock University). This collection of books is open for viewing for all Masons as well as non-Masons. The collection has over 1200 volumes of books and I was informed there are between 2000–3000 people a year who use them for research and reading purposes. The president spoke very openly about our fraternity and in a positive sense.

Through the generous donation of our Heritage Lodge No. 730, we were able to present a \$10,000.00 endowment towards this worthy project. I would personally like to recognize those Brethren who worked so hard in co-coordinating this event and acting as the liaison with our Grand Lodge, Heritage Lodge and Brock University. Working together we have been successful.

On Tuesday, June 19, 2007, along with the Deputy Grand Master, I paid a fraternal visit to King Solomon's Lodge No. 43, Woodstock, as we joined in an evening of fraternal fellowship with M.W. Bro. Ira S. Slaven, Grand Master, Grand Lodge of Michigan. He was accompanied by M.W. Bro. Walter Wheeler, P.G.M.

of Michigan, and several of his Grand Lodge Officers. What a great evening of Masonic fellowship which concluded when Bro. David Lapointe was installed as the new Worshipful Master of the lodge. To those Grand Lodge Officers who joined with me, I appreciate your attendance and support.

PRESENTATIONS OF MILESTONE RECOGNITIONS

One of the most rewarding experiences I have had this past year is to take part in the presentation of special milestone recognition of a fellow Mason. During this Masonic year, I had the pleasure to recognize long-standing service that many of our Brethren have made to our fraternity. I was pleased to present numerous 50 years a member pin, several 60 years a member pin and one 70 years a member pin. I also had the pleasure to recognize several Brethren for having served their lodge as a Past Master for 50 years .

In the spring of this year, one of our most distinguished Masons celebrated his 80th year of being a member of our great fraternity, that being, R.W. Bro. Charles Sankey. Although our Grand Lodge doesn't have a pin to recognize that milestone contribution, several Brethren from his lodge(s), along with our Deputy Grand Master, R.W. Bro. Allan J. Petsior, visited our esteemed Brother at his home to mark the occasion.

R.W. Bro. Sankey to this day is one of the most respected Masons in our province. Over the years he has served our Grand Lodge in many capacities, including tenure on the Board of General Purposes. I had the opportunity to talk to R.W. Bro. Sankey the day before his 80th anniversary, and I can honestly tell you his enthusiasm for Freemasonry is certainly contagious.

It is not every day that a Mason in our jurisdiction receives an award from the Governor General of Canada, Her Excellency, the Right Honorable Michelle Jean, but Bro. Jack Robinson received the Caring Canadian Award in recognition of his many years of service to the Smiths Falls Cancer Patients. I would like to share with you a quote, from the Governor General's Citation. It is as follows: "In 1991, Jack Robinson began volunteering as a driver for the Canadian Cancer Society. When he noticed a shortage in transportation services in rural areas, he founded the Masonic Transportation Unit in Smiths Falls region in 1996. Rain or shine, he ensures a comfortable ride to his "clients," and his cheerful and caring presence has supported many of them through difficult times. His guidance at the helm of fund raising has resulted in generous donations to the unit, which now includes two cars and several volunteer drivers, and whose model is being adopted by other organizations. Furthermore, Mr. Robinson has enrolled teams for the Relay of Life, since its inception." Well done Bro. Robinson, you have continued to display that distinguishing characteristic of a Mason, day in and day out, and your Grand Lodge is so proud of your efforts. Keep up the good work!

CONFERENCES

From November 26–30, 2006, the Grand Secretary and I, accompanied by our ladies, attended the 8th World Conference of Masonic Grand Lodges. This Conference is held every 18 months and on this occasion, it was held in Paris France, just prior to the Annual Communication of the Grand Lodge Nationale France. The theme of the conference this year was "Spiritual Awareness in the Modern World."

Although every country represented has different concerns, issues and

problems, I quickly learned from being part of the presentations given at the conference, as well as the in depth discussions with Grand Masters from around the world, we are experiencing similar items and issues that relate to the state of our beloved fraternity.

Many interesting topics were discussed at the session, but two that I found to be most interesting were: what stand and meaning is there tomorrow for our Masonic Order, and how can we best promote its fundamental values and principles on a daily basis?

During the conference, there was a special memorial ceremony to honour the "Unknown Soldier" at the Arc de Triumph. Twelve countries were selected to lead the parade of Masons and Armed Forces Veterans for this most impressive ceremony. Canada was one of the countries chosen to be part of the procession. As your Grand Master, I represented our Grand Lodge, the Grand Lodges of Canada, as well as our country, when I was extended the honour of carrying our Canadian flag during the ceremony. It was definitely an experience I will always remember. The next World Conference is scheduled for May 2008 at Washington, D.C..

The Deputy Grand Master and I, along with our ladies, attended the North American Conference of Grand Masters, held in Portland, Oregon, during February of 2007. This is the largest Conference of Grand Masters in the world. This year, out of the 64 accredited jurisdictions, 59 were represented. The Grand Secretary, as well as the Grand Secretary Emeritus, attended the Grand Secretary's Conference, which was held at the same time and the same location. Besides our own Grand Lodge, Canada was represented by the Grand Lodge of British Columbia and Yukon, Alberta, Manitoba and Newfoundland and Labrador. In addition, there were many observers from fourteen (14) other jurisdictions, as well as the concordant bodies present.

With attendance this year at the highest it has been over the last five years, it was interesting to note that the theme of the conference this year was, "Charting a New Course." At the conference, I had the opportunity to attend a series of Breakout Sessions, which I have always found to be a great opportunity to expand one's level of Masonic knowledge and education. Sessions with topics such as: Attracting Younger Masons, Masonic Awareness and support of our Youth Groups proved to be thought provoking and rewarding. During the session, I had the opportunity to be part of a Grand Master's roundtable discussion. Topics that were talked over included: Aging Membership, Lodge Finances, Empathy, Attendance at Meetings, One-Day Conferrals, Activation and retaining Membership, Taking Lodges to the 21st Century (technology), Keeping candidates after they have been Initiated, and Public Perception of our fraternity.

As you can see, many of the topics that were discussed, most jurisdictions are facing and sharing similar issues. A couple of points I must share with you though, our jurisdiction appears to be slightly ahead of many when it comes to computerization, especially with sending out Lodge Summons electronically. It was brought to the floor of the session how, in our jurisdiction, we have the E.A. Welcoming Team from a District. We received many inquiries on how it works and I am sure it is going to be copied by many jurisdictions throughout America.

I would like to express my sincere "Congratulations" to our Deputy Grand Master, R.W. Bro. Allan J. Petrisor, who was selected to be a member of next year's Time and Place Committee for the conference. I know he will represent our

Grand Lodge well. My Brethren, I would like to "Thank You" for the opportunity to represent you and our Grand Lodge at this conference. What a great opportunity to continue my Masonic development, and hopefully by sharing with you what I have learned, our Grand Lodge will be that much better.

The Deputy Grand Master, the Grand Secretary and myself, also attended the Twenty-fifth Annual Conference of Grand and District Grand Lodges of A.F. and A.M. of Canada, held in Winnipeg, Manitoba, at the end of March 2007. In the capacity of observers, we were joined by R.W. Bro. Ed Standish, Honourary Member of the Board of General Purposes (representing Supreme Council) and he gave an excellent paper entitled, "The Importance of Concordant Bodies to Freemasonry."

I was honoured to have been selected to be the chairman of this auspicious event by my peers, from across Canada. As you will remember from the Necrology section of this Address, the conference suffered a terrific loss, with the death of the Vice Chariman, M.W. Bro. Wayne McKay, New Brunswick. With the unanimous support of the Brethren attending the conference, I asked R.W. Bro. William Boone, D.G.M., New Brunswick to fill the vacancy created by the passing of M.W. Bro. McKay. He did so in a most professional manner and I appreciate his support and sage counsel.

This year, we changed the format of the agenda and utilized what has been referred to as the "Ontario Style Breakout Sessions." While the Grand Masters, the Deputy Grand Masters, the Grand Secretaries, as well as the Observers were involved in their own discussion groups, the conversation of these type of sessions proved very beneficial and stimulated much discussion, especially while it was being presented to the full session.

Another new feature was the presentations given by the Grand Masters on the events taking place and the state of Masonry within their respective jurisdictions. There were three items that garnered in-depth discussion at the conference this year, and I would like to share them with you:

1. The possibility of forming a Masonic Credit Union, that Masons from all across Canada can be part of. The delegates attending the conference felt they liked the principle of the presentation and asked for further information to be collected and brought back to the conference next year so it can be discussed further.
2. As we all know, many of our Masons belong to the Armed Services and at any time, as is evident in today's society, can be deployed to active duty throughout the world. It was felt that these Brethren need to have the opportunity to practice their Freemasonry wherever they may be stationed, and I couldn't agree with them more. Discussion was held about the possibility of having a "Military Lodge" that could be Canada wide. At the conclusion of the session, each Grand Lodge was asked to return to their respective jurisdictions and discuss same.

Upon my return from the conference, I presented this topic to the members of our Management Committee and they were in full agreement with the principle as presented. Due to the fact that our Masonic Year came to a conclusion when it did, I have been assured by the chairman of that committee, that it will be on the table for discussion, the first meeting in the fall. (F.Y.I. – The Grand Lodge of Alberta has given a special dispensation for a lodge located near a military

base in Alberta to grant an extension of their charter so that an emergent meeting can be held in Afghanistan.)

3. There is a new Human Rights Museum being built in Winnipeg, scheduled for the year 2010. The Freemasons of Canada have been asked to participate in this venture in one way or another. This was talked about at the conference and the recommendation came forth that all the Grand Masters representing the Grand Lodges across Canada, would offer their collective services to lay the cornerstone at the erection of this building. The presentation of this offer was taken back to those in charge of building the museum, and we await their response.

I would like to "Congratulate" M.W. Bro. Terence Shand, our Grand Secretary on being re-elected treasurer of the conference. A member of the Commission on Information for Recognition of the North American Conference, he also provided an update report regarding several jurisdictions seeking recognition, together with a presentation entitled "Reciprocal Suspensions."

My Brethren, I am so appreciative of the opportunity to exchange information, as well as, sharing Masonic knowledge with our Brethren from all across Canada. I wish M.W. Bro. Stephen Godfrey, Grand Master, Grand Lodge of British Columbia & Yukon (the Conference Chairman for 2008) "All the Best" for a successful session.

ANNUAL COMMUNICATIONS OF GRAND LODGES

Due to numerous commitments within our province, I found it necessary, with due respect, to decline invitations to attend Annual Communication Sessions that we were invited to attend outside of Ontario. This notwithstanding, Sandy and I were able to represent this Grand Lodge at the Annual Communication of the Grand Lodge of Ohio, the Grand Lodge of Maryland, the Grand Loge Nationale Française, the Grand Lodge of Massachusetts, the Grand Lodge of Connecticut, the Grand Lodge of New Jersey, the Grand Lodge of New Hampshire, the Grand Lodge of Indiana, the Grand Lodge of Michigan, and the Grand Lodge of Alberta.

I would like to express my sincere appreciation to the Grand Masters of the jurisdictions that we were able to visit. Each one of you went out of your way to ensure that we were well received and treated in a first class manner. To those of you who invited me to address their Brethren, I thank you for extending to me that opportunity. It is always a pleasure to bring greetings on behalf of my Brethren from across this great province. My Brethren, it has often been mentioned that reciprocal visitation is the lifeblood of our fraternity, and I couldn't agree more.

DISCIPLINE

During this past year, a number of Masonic Complaints were received from lodge members directed towards other lodge members. Upon receiving each complaint, pursuant to Section 84 of the Constitution of the Grand Lodge of Ancient Free and Accepted Masons of Canada in the Province of Ontario, it is my duty to review each one and deal with it accordingly. Most of them, I find turn out to be private piques and quarrels. Those that aren't, are dealt with either by myself or by a Committee of Inquiry that I appoint, that is in accordance with the Constitution of Grand Lodge.

This past year, pursuant to Section 415 (a), I appointed a trial commission to further a Masonic complaint of unmasonic conduct by a member. A Masonic trial

was held, the member convicted and a recommendation for expulsion was made. Subsequently, the recommendation for expulsion was forwarded to the Committee on Discipline pursuant to Section 423 (f).

At our Annual Communication session last year, I reported to you that I had suspended a Brother due to a number of incidents, in which he was involved. I deemed them to be Masonic offenses relevant to section 410 (e) of the Constitution of Grand Lodge.

He was suspended effective April 26, 2006, and I recommended that his suspension be extended for the remainder of 2006 and through 2007, until this our 152nd Annual Communication session. My recommendation was endorsed and the suspension stood. After receiving further information regarding the issues, and upon receiving a written apology from the afore mentioned Brother stating that he had deeply regretted that the incidents in which he had been involved, and of the turmoil that he had caused to myself as Grand Master, and to our Grand Lodge, I reviewed the incident in February 2007. I was assured that similar instances would not occur in the future. After due consideration, I abridged his suspension and re-instated him to good standing effective March 1, 2007. Notification to the concordant bodies was accordingly given.

Over the past several years a series of issues have created disharmony and discontent, not only amongst several members of Cope-Stone Lodge No.373, but throughout portions of Niagara District B. Numerous attempts to mediate the issues have been made by myself and my predecessors without success. These serious issues relate to unresolved complaints of Brother against Brother, together with, allegations of financial improprieties. Therefore, pursuant to Section 85, Constitution of Grand Lodge, on April 9, 2007, I caused the warrant of the Lodge to be arrested and suspended the operation of Cope-Stone Lodge No. 373 until further notice.

I also directed the Lodge Secretary that a copy of my directive is mailed to each member of Cope-Stone Lodge, in explanation of this action. I emphasized that my directive did not affect the Masonic status of any member of the Lodge. On May 10, 2007, I informed the Worshipful Master of the lodge that pursuant to Section 179(a) of the Constitution of Grand Lodge, that it was my intention to recommend at this Annual Communication Session, that I would recommend that the warrant be revoked.

On June 5, 2007, the Worshipful Master, Secretary and Treasurer, along with several Past Masters (representing three distinct groups) of the lodge, met with myself and the Grand Secretary to show cause why the Charter should not be revoked. After in-depth discussion, it was felt by all in attendance from Cope-Stone Lodge, that differences and discontent could not be set aside so harmony could prevail within the lodge. Therefore, with due regret I recommend that the Charter of Cope-Stone Lodge No. 373, be revoked.

Other disciplinary actions will be noted in the report of the Chairman of Discipline Committee.

My Brethren, each day of our lives, we need to remember those principles and teachings that this fraternity is founded upon. Each and every day of our lives we need to act as men and as Masons.

BUILDING A BRIGHTER TOMORROW

In the past, every two years or so, several members of the Board of General

Purposes, along with members of the Management Committee, have come together to take part in a working retreat at Crieff Hills, near Guelph, Ontario. Many issues of importance relating to the future of our fraternity are discussed, including our Grand Lodge's Five-Year Plan. This past year, I suggested that we cancel the Crieff session and in its place have a one-day in depth session to include all members of the Board of General Purposes. I felt this would afford us an opportunity to have an open and frank discussion relating to the relevant issues facing our fraternity today and in the years ahead. Prior to the session, I asked those attending to do three things.

First of all, be prepared to work in a positive, relaxed and constructive atmosphere for a solid eight hours. Secondly, to review and become familiar with our Grand Lodge's Five-Year Plan, and be prepared to bring to the session a concern or concerns that they felt our Grand Lodge needs to face immediately relating to the future of our great fraternity.

Thirdly, utilizing the assistance of skills and talent of members of the Management Committee, as well as R.W. Bros. Norman McCarthy and Barry Hutton, the Brethren started the session by taking part in a "walkabout" related to various topics relating to the Five-Year Plan. At each station they answered the question, "In your opinion, what actions would you put into place now, to improve this objectively and how?" After the question and answer session was concluded, there was then a discussion by all on an article called "Restoring the Center" led by R.W. Bro. Terry McLean. Breakout sessions continued under the title called "The G.M.'s Hot Picks" topics for discussion included:

- Public awareness of our fraternity and our profile within the community;
- The development of a continuous feedback program (from Grand Lodge – Districts – Lodges to the individual Brethren);
- What can our Grand Lodge do to support the Masonic Foundation of Ontario?
- Do we need to have one Charity of Choice?
- What is the biggest challenge facing Masonry today?
- What opportunities, as they present themselves, do we need to capitalize on?

Aging membership and non-payment of dues are growing concerns our lodges are facing on a daily basis. What can we do to help the lodges face this issue? Do we need to review the programs used by Grand Lodge? What is working and what isn't working? Membership always is a concern. Are we keeping our members? If not, why aren't we?

Demolay, Job's Daughters and Rainbow for Girls. What role should we as a Grand Lodge be involved in with these youth organizations?

The session concluded with a presentation on a paper by R.W. Bro. D. Garry Dowling entitled, "L.C.B.O. the Success of Marketing." This paper referred to the success of an organization that was having serious trouble existing. How they took a look at themselves and made changes to ensure they would be viable and have a presence in the years ahead. A thought provoking exercise that created an opportunity for those Brethren in attendance, to pause and reflect on the future of our Grand Lodge and Freemasonry in Ontario.

At the conclusion of the session, thoughts, ideas and comments were collected

by the Chairman of the Long Range Planning Committee. He submitted the highlights of the session to the Management Committee along with suggested material for the Management Committee to address and recommend in the near future. This event was facilitated by the Chairman of the Grand Lodge Long Range Planning Committee, R.W. Bro. Paul Todd and the Management Liaison for L.R.P. R.W. Bro. Terry A. McLean and R.W. Bro. D. Garry Dowling. My sincere appreciation for a job well done. As well, I would like to "Thank" those Brethren who facilitated the sessions. Your efforts helped make the day a success.

ACKNOWLEDGMENTS AND APPRECIATION

There is a group of individuals who are often forgotten and sometimes overlooked. They go about their duty day in and day out working tirelessly to do the good deed and working for the betterment of the cause. The Brethren that I refer to are the volunteers of our Grand Lodge. The volunteers who offer their time and dedication, to work on the various Grand Lodge committees without remuneration, and often without recognition.

The volunteers who help out around the Grand Lodge Office, be it assisting our staff by doing the "little things" or helping us with special renovation projects. We appreciate your efforts as well as your friendly and positive attitudes. The volunteers who have worked long hours in hot, humid weather to ensure that our Annual Communication Session falls into place and the little things that we take for granted happen.

The set up crew, the election officials, those manning the display booths, those making presentations at the Workshop sessions, are only a few that come to mind. I am sure that I may have missed someone and for that I apologize. My Brethren, volunteers are an intricate part of every organization and our Grand Lodge is no different. We sometimes take the work you do for granted, but you should know how much we appreciate your assistance and dedication throughout the year. Thank You my Brethren!

The Custodian of the Work, M.W. Bro. C. E. Drew, this past year has continued to convey his knowledge and understanding to the Masons of our province, almost on a daily basis. Not only as a constant resource for the D.D.G.M.s, when called upon, he has served as a guide and a mentor, to the members of the Lodge of Instruction Team, as well as to many Brethren across the jurisdiction. Recently, I accepted his resignation as Custodian of the Work. On the recommendation of the Grand Lodge Ritual Committee, I am pleased to announce the appointment of M.W. Bro. Donald H. Mumby, as the new Custodian of the Work effective tomorrow July 19, 2007.

Our sincere appreciation is extended to M.W. Bro. Drew for his tireless commitment and dedication to the position of Custodian of the Work. Always available to assist our Brethren in so many ways, especially whenever a question needed a response, even those asked by this Grand Master. To M.W. Bro. Mumby, we wish you great success as you undertake your new responsibilities. The foundation for learning and developing our Masonic knowledge, the proper and correct way has been something you have believed in and promoted for many years. Good health and safe travels in the years ahead as our new Custodian of the Work.

To the Grand Secretary, M.W. Bro. Terence Shand, I would like to express my sincere appreciation to you, for your assistance, constructive suggestions, and

guidance during the last two years. During that time period we have had to face several issues of a sensitive matter and make several decisions that weren't always popular. The understanding that you have of our fraternity, added to your dedication to our Grand Lodge, has made my job that much easier, and for that I am truly grateful. Thank You for all that you have done.

I am also grateful to the dedicated staff at our Grand Lodge Office who have worked so diligently and so efficiently this past year. In the springtime of 2007, we accepted the desire of one of our long time employees to retire after fifty-one (51) years of service to our Grand Lodge – Mrs. Dorothy Chalmers. We will miss you! I once read that “Loyalty is making yourself part of an organization by making it part of you.” Mrs. Chalmers, that certainly has been you. We will miss your dedication and professional manner. You have set the standard high. We wish you well in the future and may you enjoy good health and happiness.

I would like to welcome, Ms. Angela Schmidt who recently joined our staff. Angela brings a wealth of knowledge, understanding and compassion to our Grand Lodge office. We wish her well and welcome her to our “family.”

My personal “Thanks” is extended to Gail Nickerson, Rose Blandin, Stacey Birks, and Donna Harvey for your willingness to assist in so many ways. Your enthusiastic demeanor, as well as your devotion to our organization, is appreciated by so many of our Brethren, myself included.

I would also like to recognize the untiring efforts of R.W. Bro. Ken Schweitzer for all that he continues to do for our Grand Lodge. Always ready to assist in so many ways with that warm smile and a standing offer to help with any job that needs to be done, he has been a reliable resource for this Grand Master as he has for so many in the past.

During my tenure as Grand Master, I selected the Crohn's and Colitis Foundation of Canada as my project of choice. Having lived with Crohn's Disease since 1979, I would like you to know how much I appreciate the support that the lodges, the districts as well as – YOU – my Brethren have given to this project. It is interesting to note that 93 cents out of every dollar goes to the research to find a cure for Crohn's disease. I would like to “Thank You” for your generous contributions and to the Masonic Foundation of Ontario (Project 2400). I appreciate your assistance in this matter. Working together and with your assistance, we will make a difference!

OF SPECIAL NOTE

I make special mention of several Brethren who have made my task as Grand Master, so much easier.

Our Deputy Grand Master, R.W. Bro. Allan J. Petrisor, has been my consultant, my companion, my advisor and my friend. Over the last two years, as we have traveled together across the province and outside the jurisdiction. A bond of friendship and appreciation has developed that I trust will last a lifetime. I have no qualms in handing over the Grand Master's gavel to him, for I know with his dedication that he will lead our Grand Lodge to the best of his skill and ability. Thank You, R.W. Bro. Petrisor, my Brother and my friend!

To my family, my wife Sandy and my son's Bros. Greg and Drew. I am not sure if there are any words that I can use to express my appreciation for the support and the dedication that you have given me over the years. There have been

occasions that our family time together had to be sacrificed due to my Masonic commitments and never once did it cause a ripple in our family. Your understanding and support has always been there and I am so appreciative of that.

A special recognition is extended to my wife Sandy, who over the years has been my main supporter in anything that I have done. I am sure there isn't a Grand Master or a Past Grand Master in this room, who won't tell you that without the participation and support of one's partner, the tenure and the demands of this job would be next to impossible. Her confidence in me, her willingness to re-arrange her schedule at a moment's notice, as well as her love and encouragement are greatly appreciated.

GRAND MASTER'S RECOMMENDATIONS

In the society that we live in today, changes take place on a regular basis. Unfortunately, some of these changes affect our lodges and their well-being, often with consequences that relate to the future of the lodge and the community in which they are located. This past year, it came to my attention that there were several lodges in our jurisdiction that were meeting in locations that did not conform to the Constitution of Grand Lodge (i.e. Section 150). Subsequently, I granted dispensation for those lodges to meet in their present location until further notice. I have also advised them that suggested recommendations will be made for the Constitution to reflect those situations and circumstances.

As was previously reported in this Address, there were several ideas and recommendations that came forth from the All Canada Conference that I found to be positive and worthwhile. I would recommend that our Grand Lodge look very seriously at a way to enable our Brethren who are serving our country in various locations throughout the world to enjoy the fellowship of our fraternity in a manner similar to that which they enjoy and are part of when they are home within our jurisdiction. I also feel we need to join with our Brethren across Canada in their support of the Canadian Heritage Museum in the recommended fashion proposed at the All Canada Conference Spring of 2007.

There were many positive and enthusiastic items that were brought forth from the session called, "Building a Brighter Tomorrow." These ideas, thoughts and suggestions, can form the foundation of discussion that can ensure the future of Freemasonry in Ontario for years to come. I would recommend that the Management Committee continue to review these items and continue their efforts to work together for the betterment of our Craft.

In the last few years, I have noticed that if there is an area, where as a Grand Lodge we seem to fall a bit short, that is in our support and guidance that we give to the Youth Groups, i.e. DeMolay, Job's Daughters and Rainbow for Girls. The giving of financial assistance is certainly appreciated by these young people, but what they really need is our physical presence in the role of sponsors, mentors, and by being more active in our support to them.

I would recommend as a Grand Lodge, we need to increase our participation with these youth groups. They are our future. They are the future leaders of our society and our fraternities. They need our help and they need it now!

CONCLUSION

Before I conclude, I would like to take a moment and express my sincere

appreciation to the Officers and Member of Burns' Lodge No. 153 in Wyoming. In 1979 you offered me the opportunity to be the Worshipful Master of the lodge and in 1986, you afforded me the honour, of representing our lodge on the occasion of our 125th Anniversary. The Brethren of Sarnia District supported that decision and have been behind me ever since. For that kind of support and encouragement, I will be forever grateful.

Two years ago, when I was installed as your 72nd Grand Master, I shared with you my commitment to you during my tenure as your Grand Master. I shared with you my desire to affirm the basic principles of Freemasonry. During the last two years, I have tried to remind you as Masons, we need to be ever mindful of our Personal Image and of our Masonic Charity. Our Personal Image as a Mason is portrayed by our deeds, our actions, as well as, our body language. Being a Mason doesn't mean getting dressed and going to lodge once a month. Being a Mason is living by the lessons that we have learned from our teachings and our ritual. Those lessons that make us better men, better fathers, better husbands, and better Masons. Being a Mason is living as a Mason twenty-four hours a day each and every day of the week.

Our Masonic Charity is more than just the giving of financial assistance. It is receiving and sharing. It requires that you first have something to share. Find out if the intended recipient wants or needs that which you wish to share, then share it willingly. My Brethren remember, Freemasonry is not a charity, nor does it have as its main purpose charitable giving. When it comes to your time, pass it forward not backwards! My Brethren, how are you doing with your Masonic Charity?

As my tenure of office draws to a close, I must share with you how proud I am to be a member of a worldwide fraternity of men, whose principles around the world remain constant and steadfast. In Ontario these past few years, we are witnessing a positive growth and interest in our fraternity and what Freemasonry stands for. We are witnessing a renewed interest in our Craft and deeper respect for the principles that our fraternity is based upon. In the ever-changing society that we live in, we have the ability to make a difference. My Brethren, the Future of Freemasonry is what you make of it. The Future of Freemasonry is with you!

Gary L. Atkinson
Grand Master

These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the organization as at April 30, 2007 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.

Grand Lodge A.F. & A.M. of Canada

In the Province of Ontario

Notes to the Financial Statements

April 30, 2007

1. Purpose of the organization

The Grand Lodge A.F. & A.M. of Canada in the Province of Ontario is a not for profit organization which serves as the central administrative body for Masonic Lodges in the Province of Ontario.

The organization is exempt from income tax under the Income Tax Act.

2. Summary of significant accounting policies

Fund accounting

The Grand Lodge A.F. and A.M. of Canada in the Province of Ontario follows the restricted fund method of accounting for contributions.

The General Fund reports the organization's administrative activities.

Revenues and expenses related to programme activities are reported only in The Programme Fund.

Revenues and expenses related to the 150th Anniversary Fund, Special Retirement Fund, Commutation Fund and Memorial Fund are consolidated and reported in the Segregated Fund.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances held with banks, and highly liquid temporary money market investments with original maturities of three months or less from the date of the acquisition. Bank borrowings are considered to be financing activities.

Investments

Investments are recorded at cost less write-downs when any decline in value is considered to be other than temporary. Discounts and premiums on the acquisition of bonds are not amortized, but are maintained at cost with the final gain or loss recorded on disposition.

Revenue recognition

Restricted contributions related to general operations are recognized as revenue of the General Fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund.

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

2. Summary of significant accounting policies (continued)

Foreign currency translation

Transactions denominated in foreign currencies are recorded in the accounts of the organization at the rate of exchange prevailing during the date of the transaction. At year end, monetary assets and liabilities denominated in a foreign currency are translated into Canadian dollars at year end rates of exchange.

Financial Instruments

For cash and cash equivalents receivables and payables and accruals, the carrying amounts of these financial instruments approximates their fair value due to their short term maturity or capacity of prompt liquidation. For the investments, fair values are disclosed in the consolidated statement of financial position.

The financial risk is the risk to the organization's earnings that arises from fluctuations in interest rates and the degree of volatility of these rates. The organization does not use derivative instruments to reduce its exposure to interest rate.

Unless otherwise noted, it is management's opinion that the organization is not exposed to significant interest, currency, or credit risks arising from these financial instruments.

Use of estimates

In preparing the organization's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates.

3. Notes receivable - Masonic Holdings	<u>2007</u>	<u>2006</u>
6% debentures - Series A	<u>\$ 45,000</u>	<u>\$ 50,000</u>

The debentures are receivable on demand.

The notes receivable are not expected to be repaid within the next fiscal year.

8. Related entities

The Board of Directors of both The Masonic Foundation of Ontario and Masonic Holdings consists of members of The Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

The object of The Masonic Foundation of Ontario is to receive, maintain, manage, control and use donations exclusively for charitable purposes within Ontario. The Foundation is permitted to use its donations for the relief of poverty, the advancement of education and the advancement of other purposes beneficial to the community. The Foundation is committed to funding bursaries, hearing research, drug and substance abuse education in the school systems and other specific and community projects which fall within its guidelines.

Title to the land and building, situated at 363 King Street West, Hamilton, Ontario was taken in the name of Masonic Holdings Inc., an entity incorporated as a not for profit corporation within the meaning of the Income Tax Act (Canada) and without share capital. Masonic Holdings Inc. was incorporated in 1957 to acquire and operate adequate premises for the administration, personnel and staff of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario. As an incorporated entity it requires a separate auditors report and financial statements.

9. Statement of cash flows

A statement of cash flows has not been included since, in the opinion of the organization's management, it would not provide any additional meaningful information and cash flows from operating, investing and financing activities are readily apparent from the other financial statements.

REPORT OF THE GRAND TREASURER

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the Report of the Grand Treasurer again this year and to confirm the continuing satisfactory financial position of our Grand Lodge. Our revenues are up as a result of the Per Capita dues increase, expenses are managed within our budgetary limits and we are happy to confirm a year over year surplus in our General Fund resources. The Audit and Finance Committee will later be presenting a budget plan for the year ahead which contemplates a very satisfactory surplus. We continue to feel we must avoid budgetary deficits and obviously wish to avoid further Per Capita increases until a far distant time.

Our investment portfolio has been in the care of professional managers since 1990 and the performance during that period has been satisfactory. Our portfolio of investments was run down last year as we used the resources dedicated to the 150th Anniversary. Even so the market value of our total portfolio continues well over \$4 million of which the General Fund is presently close to \$1.8 million. Revenues from our investments have met our budgetary expectations of some \$95,000 towards the General Operating Funds of Grand Lodge.

My most frequent work on your behalf is related to the Audit and Finance and Benevolence Committees, each of which is chaired by experienced chairmen, respectively R.W. Bro. Thomas Lewis and David Bell. I also interact with the Management Committee through our Deputy R.W. Bro. Allan Petrisor and offer opinion on the various programs and plans of the Management Committee. I commend each of those chairmen for the financial responsibility attendant to the work of their respective committees.

Our Grand Lodge office is blessed with a group of exceptional people who give loyal and dedicated effort at all times. I wish to again express our sincere thanks for their dependable and ongoing support.

And finally, I express appreciation to the leadership of this Grand Lodge in the persons of our Grand Master, our Deputy Grand Master and Grand Secretary.

Respectfully and fraternally submitted.

T. RICHARD DAVIES
Grand Treasurer

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report was adopted.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed the auditing firm, ClearNeed Information Systems Inc., W. Bro. George Benton, to serve as scrutineers this year.

GRAND SECRETARY'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present this annual report for the year ended December 31, 2006, containing a recapitulation and a summary of all the long service lapel buttons awarded during the year.

Computerization

The upgrade of computer hardware and software remains an ongoing process. Replacement of hardware to facilitate the Annual Communication registration and balloting became necessary. Software to upgrade office storage and filing data has been made and conversion is ongoing. An ever increasing volume of email transmission requests is occurring. The prevalence of Spam, together with server breakdowns, suggest it prudent for the sender to include a 'read receipt' to insure delivery of the message to its intended destination. Email messages should be identified by Lodge Name and Number in the subject line for easy identification.

Warrants

Two lodges ceased operations and surrendered their warrants: Otisippi Lodge No. 719, Sarnia, and Lorne Lodge No. 404, Tamworth. Additionally, several lodges deemed it necessary to amalgamate during the past year; still others have initiated the negotiation process.

York Lodge No. 156 amalgamated with Bedford Lodge No. 638, to become York Lodge No. 156; Zeta Lodge No. 410 with Shamrock Lodge No. 533, to become Zeta-Shamrock No. 410; Acacia Lodge No. 580 with St. Paul's Lodge No. 107, to become St. Paul's No. 107; Vaughan Lodge No. 54 with Mizpah Lodge No. 572, to become Maple Lodge No. 54; Cataraqui Lodge No. 92 with Royal Edward Lodge No. 585, to become Royal Edward of Cataraqui Lodge No. 92; Belleville Lodge No. 123 and Temple Lodge No. 666 to become Belleville-Temple Lodge No. 123; Harmony Lodge No. 438, Wilson Lodge No. 86, Zetland Lodge No. 326 and Occident Lodge No. 346, to become Zetland Wilson No. 86; Ashlar Lodge No. 247 and St. Clair Lodge No. 577, to become Ashlar St. Clair Lodge No. 247, Coronation Lodge No. 677 and Parkdale Lodge No. 510, to become Perfect Column Lodge No. 510.

Conferences

In December 2006 while attending the World Conference, held at Paris, France, I presented a committee paper on financial structure, received documentation concerning recognition from the Grand Lodge of Ukraine and met with a delegation from the Grand Lodge of Russia to discuss their administration issues.

In February 2007, I attended 'The Conference of Grand Secretaries in North America' held at Portland, Oregon. Some 18 presentations were made and included topics such as: "Grand Representative System," "One Day Classes," "Lodge Insurance Coverage," "Masonic Protocol via Email," "Bringing Annual Proceedings to Light at the Lodge Level," "Suspension for Non Payment of Dues" and "Working with Different Personalities."

Commission for Information on Recognition reports were received from: Bulgaria, Bosnia and Herzegovina, Cyprus, Philippines, Russia and Serbia, together with four items of miscellaneous information.

In April 2007, I attended the "All Canada Conference" held at Winnipeg and chaired by our Grand Master. Several topics were discussed and break-out sessions of mutual concerns occurred. Included were presentations made by our Deputy Grand Master and myself.

Secretary Seminars

On November 16, 2006, thirty-six members from the Hamilton Districts attended at Hamilton, on November 18, 2006, twenty-six members of Victoria District attended at Lindsay, and on June 9, 2007, twenty members of Grey District attended at Mount Forest for a half-day seminar dealing with recent constitutional changes and a review of the responsibilities of Lodge Secretary relative to our Book of Constitution. These sessions provided an excellent forum for friendly interaction of ideas and information to address concerns and to overview the operations of our Grand Lodge office and its staff. A session has been arranged in June for Toronto Don Valley District at Scarborough. Secretary seminars in the coming year (2007-2008), if requested, can be arranged through the District Deputy Grand Master.

Semi Annual Returns

As of this writing, three Semi Annual Returns (July – December 2006) due January 8, 2007, have not been received at the Grand Lodge office. Subsequently, the July 8 return forms have not been mailed, negating the three principal officers an opportunity to vote at this Communication. A reminder . . . Section 300, Book of Constitution states, “Each lodge shall mail or otherwise deliver to the Grand Secretary, its returns and payments to Grand Lodge, semi-annually, on or before the 8th day of January and the 8th day of July each year.” Please consider this responsibility an important one.

Closing Remarks

Longstanding staff member Mrs. Dorothy Chalmers, retired March 31, 2007, following a ‘working lifetime’ of 50 plus years in the service of our Grand Lodge. We wish for her good health and much happiness to enjoy the fruits of her labour in the coming years.

The friendly and efficient office staff at Grand Lodge continue as dedicated team players, knowledgeable in office operations. They exhibit excellent deportment and a polite and pleasant manner in our day to day operations.

The cooperation and efficiency of Lodge Secretary plays an integral part in maintaining accuracy of Grand Lodge records. We again thank those who provide the necessary information and documentation in a correct and timely fashion. Your dedication to service of the lodge you represent is commendable and much appreciated.

To all those having dealings at the Grand Lodge office, our thanks for your cooperation as we endeavour to provide the essential services necessary.

Respectfully and fraternally submitted.

TERENCE SHAND, Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

Forty-four reports of the District Deputy Grand Masters were presented by the Grand Secretary, and, on motion of the Grand Secretary, seconded by W.M. Bro. R. E. Groshaw, they were referred to the Board of General Purposes.

REPORT OF THE MANAGEMENT COMMITTEE

This Report was presented by R.W. Bro. A. J. Petrisor, Chairman, and on motion of R.W. Bro. Petrisor, seconded by R.W. Bro. D. G. Dowling, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Management Committee met on six occasions throughout the year addressing several requests and discussing issues.

Management:

- Printing of 5000 new and updated Benevolence pamphlets.
- The pamphlet "*Freemasonry, Is it for Me*" placed on the Grand Lodge Web site (with a link directly from the home page) for downloading upon demand.
- A \$15 charge for archival or genealogical searches prior to 1990 performed by Grand Lodge office staff.
- A review of Standing and Special Committees recommendations noted in the Proceedings was referred for remedial action where necessary.
- A perusal of the Grand Lodge main floor vault and basement records tasked the Computer Resources Committee with computerizing data currently stored on a card index system.
- Upon each revision of the *Book of Constitution*, two copies are to be sent to each lodge, to be charged on the Semi Annual Return.
- Publication of an *Ontario Mason* magazine, 2007 fall edition, hard copy is planned together with an E-Zine version.
- A new computer for the Grand Lodge Library with protected Internet access to replace a very outdated model.
- With the success of the 2006 International Plowing Match in Peterborough, a Grand Lodge presence is to be continued in 2007 at the I. P. M. in Athens. The Meet and Greet with the Grand Master is scheduled for Friday, September 21, 2007. In 2006, 91 people out of 2694 entering the daily draws in Peterborough had requested more information on Masonry and several have since made application to join.
- A new seminar, "The Role of the District Secretary" to be used in conjunction with D.D.G.M. Orientation evenings has been developed. Potential District Secretaries will now be invited to attend the orientation sessions.
- A request to develop a form of recognition for a Member of the Board once he becomes a Past Member of the Board of General Purposes was not endorsed.
- A "Skills Inventory Survey" was returned to the Leadership Development Committee for further review. Its use was intended to identify skills of those being nominated to the Board of General Purposes.

The Condition of Masonry report was reviewed and discussed. It identified 123 lodges in 26 districts indicating:

- No use of Grand Lodge Programmes such as Friend to Friend or Mentor,
- Poor financial status,
- No budget process,
- No Long Range plan.

This report was then referred by the Deputy Grand Master to the Grand Lodge Chairmen of the committees involved and to the D.D.G.M.s of the districts where the lodges were situated for follow up to find out if, in fact, the lodges were solid viable lodges. In most it was deemed that misinterpretation of the questions on the reporting form might have led to misunderstanding. There was also the suggestion that perhaps:

- Lodges don't know how to use the programmes available,
- Don't want to use the programmes,
- Their environment won't allow them to do so.

The report of the one-day Think Tank, "*Building a Brighter Tomorrow*" was received from the Long Range Planning Chairman along with several recommendations which were referred to all members of the Board of General Purposes for further review.

Several issues were tabled with no decisions, such as:

- William Mercer Wilson medal recipients are now eligible to wear a White collar the size of an Officer's collar. It is appropriate that the medal continue to be worn in the lapel pocket. A Blue Officer's collar was deemed unacceptable as it would not identify a recipient.
 - A Past Grand Lodge Officer familiar with the Constitution of Grand Lodge has been assigned to develop a user-friendly index.
 - A Past Grand Master corresponded concerning issues such as: the Role of P.G.M.s, Management Committee, Public Relations, Lodge Buildings, Benevolence, Summonses, Bursaries and other suggestions which were dealt with and referred to the appropriate committees. A response from the chairman thanked the Past Grand Master for his continued interest in the welfare of the Craft and its management advising that several items have been taken under advisement.
 - Discussion ensued concerning the unwritten rules insofar as those seeking Grand Lodge office as, the Grand Senior Warden, the Grand Junior Warden, and the Grand Registrar. Further, it is apparently expected that one who has served a term as a Grand Lodge Officer should take a one-year sabbatical before seeking nomination to the Board of General Purposes in his second year out of office.
 - A Grand Lodge Heritage Research Lodge liaison person has been appointed to Brock University in connection with the Sankey Library endowment given in the fall of 2006.
- R.W. Bro. Thomas Lewis, Chairman, Audit and Finance and ex-officio member of the Management Committee, after many years as a valued member of the Board of General Purposes, has tendered his resignation for personal reasons. His work as Audit and Finance Chairman has been unequivocally unequalled and his collaboration with our Grand Treasurer benefited our Grand Lodge with their wise and careful counsel. As a result, our finances are in good shape and our membership dues remain the most reasonable of any jurisdiction. On behalf of the members of Management and the whole Craft, I wish you health and happiness in your retirement.

All of which is respectfully submitted on behalf of the following committee members: M.W. Bro. G. L. Atkinson, Grand Master, R.W. Bros. D. A. Campbell, D. G. Dowling, T. W. Hogeboom, T. A. McLean, D. M. Sheen, T. E. Lewis, Chairman, Audit and Finance, and by invitation, R.W. Bro. T. R. Davies, Grand Treasurer. I offer my sincere thanks to M.W. Bro. T. Shand, Grand Secretary, for so capably recording and distributing the minutes and giving assistance where necessary.

ALLAN J. PETRISOR, Chairman

FREDERICK HALPERN, Chairman

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

R.W. Bro. J. D. Kingston presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by R.W. Bro. J. D. Kingston, that the Report be received. (See page 205)

REPORT OF THE LIBRARY, MUSEUM and ARCHIVES COMMITTEE

This Report was presented by R.W. Bro. M. L. Shea, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. M. L. Shea, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege to present this report on behalf of the following committee members: R.W. Bro. Lanny Salmon, Team Leader-Library, R.W. Bro. Don Jagger, R.W. Bro. Victor Lepp, W. Bro. Ron Bivens, W. Bro. Don Falconer, and V.W. Bro. Gene Lotzm, Team Leader-Museum and Archives, R.W. Bro. Marvin Smith, W. Bro. Bill Wheeler, and W. Bro. Daniel Glenney.

Beginning in late 2005, a new system of cataloguing the books in the Masonic Library was begun, using the "Revised Boyden" system. Thanks to R.W. Bro. Lanny Salmon, and his helpers, this project is nearly completed. Books are now placed on the shelves accordingly.

R.W. Bro. James Kirk-White, Web Master, attended a recent committee meeting. After listening to our concerns regarding the difficulties in providing fast and easy access to materials in the library and being able to keep accurate record of where materials are dispersed, R.W. Bro. Kirk-White offered suggestions which the committee might consider. He also checked our present computer and printer to advise if they were capable of performing the tasks being recommended. His suggestions were greatly appreciated and this committee hopes that in the future, access to all library materials will become much more easily obtained by all of our members, whether they live close or far away from Hamilton.

Several requests, concerning the availability of extra library materials have been received from lodges and districts who are in the planning stages of establishing their own Masonic libraries. After all our library materials are catalogued, Lanny Salmon plans to list all the extra books and divide them up into boxes which could then be made available on loan. This committee would request a report back from the borrowing library and it may also be necessary that the books be returned after a given period of time, if future requests are received.

Library (Report of R.W. Bro. Lanny Salmon)

Since September, 2006, the committee has been busy shelving 75% of the books in the correct section according to the "Boyden System." The remaining 25% of the books are to be shelved by September, 2007.

W. Bro. Don Falconer is undertaking the task of converting the most important VHS tapes to DVD format. This will comprise of approximately 25 to 30 tapes.

R.W. Bro. Jim Kirk-White was consulted regarding designing a library Web site. The Web site is aimed at making the Grand Lodge Library more user friendly and increasing its use across Ontario.

If anyone is interested in borrowing a book, videotape or audio cassette from the library, or if anyone simply has a question about the library, please contact the Grand Lodge office by phone, fax, or email (grandlodge@on.ca). These articles are shipped free of charge but return postage must be paid by the borrower.

In closing, I would like to thank the Grand Lodge Library Committee for their ongoing support and commitment.

Museum and Archives (Report of V.W. Bro. Gene Lotz)

Once again it is that time to prepare for the end of another Masonic year. The Grand Lodge Museum and Archives has continued to grow with new artifacts being donated to our permanent collection. For those who have never visited the museum it is a worthwhile endeavour to stop by the second floor of the Grand Lodge Building.

Two ongoing projects are worth mentioning regarding the museum's outreach activities. The first is the continuing project to find, catalogue, and photograph all the final resting places of our Grand Masters. If any district or lodge has a connection with a departed Past Grand Master, I would encourage them to contact the committee.

The other ongoing project is to find and catalogue all the cornerstones laid by the Masonic Fraternity in our jurisdiction. Last year Thistle Lodge in Amherstburg assisted our Grand Master to lay the cornerstone of a new building being constructed in the downtown area. It was an impressive event attended by many Masons and the public. The Museum Committee is developing a project to encourage this unique public Masonic Ceremony. Details of that project will be unveiled in the near future.

I would remind any lodge or district if any artifacts are without a home, please consider the Grand Lodge Museum.

Conclusion

In conclusion, my appreciation is extended to the committee members for their support and contributions. To all those who volunteer to assist in many other ways, your time is also much appreciated.

Respectfully submitted on behalf of the committee.

M. LEE SHEA, Chairman

REPORT OF THE COMMITTEE ON SEMINARS AND WORKSHOPS

This Report was presented by R.W. Bro. B. J. Hutton, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hutton, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This report is presented on behalf of its members: R.W. Bros. Morley Allen, Roy Chadwick, Bruce Dickson, John Hough, Alan Pendleton and Bill Rose. Their experience, knowledge and commitment to consider seminars that provide exciting and informative sessions for the participants is greatly appreciated. Our thanks to the various Grand Lodge committees that continued to hold District and/or Lodge workshops throughout our jurisdiction on such topics as Friend to Friend, Mentors, Brother to Brother, Officer Progression, Masonic Education, Computer Resources, Long Range Planning and others.

One of the objectives this year for our committee was to have regional seminars for local brethren to receive the valuable information from experienced Masons on other interesting topics. Attempts were made to have these sessions in the spring so as not to conflict with the

Lodges of Instruction held in the fall. Unfortunately, conflicts with other related activities proved difficult to finalize these plans. It is still this committee's hopes that these workshops may be held next year.

The other focus was to once again, hold workshops on Tuesday afternoon at our Grand Lodge Communication. Seminars are scheduled to begin at 1:30 p.m., 2:30 p.m. and 3:30 p.m. and will be 50 minutes in duration, allowing participants time to move to the next room.

The following sessions are planned for this year (the first 3 repeated from last year):

Speaking with Ease – *Taming the Pterodactyls!* Presented by Bro. Bruce Palanik. We all experience butterflies when we must stand up in front of a crowd. But when those butterflies appear to be a flock of pterodactyls, we need to know how to control them.

Office of District Secretary – *Stop your Quill from Quivering.* Once again, presented by V.W. Bro. Roy Pickard, Past District Secretary, St. Thomas District. This office is a very important part of the District team and this information will greatly benefit anyone who will be assuming those duties.

Ritual for Dummies – *Upgrade your Skills.* Members from the Lodge of Instruction Team, led by V.W. Bro. Gordon Crutcher and R.W. Bro. George McCowan, will offer pointers on the mechanics of the work, referring to the Questions & Answers booklet compiled by that team.

Lodge Finances – *A just account of all receipts and expenditures.* Presented by members of the Finance Committee. Proper accounting of lodge finances is essential to the well-being of the lodge, and this session will be valuable for all lodge treasurers and/or finance chairmen.

Membership – *Boredom to Excitement.* Members from the Brother to Brother Committee will provide pointers on keeping membership numbers healthy.

Masonic Foundation of Ontario – *Everything you wanted to know – AND MORE!* R.W. Bro. Sam Kalinowsky will present an excellent Power Point program on the history of this "Charity of Choice" along with what the future may hold.

The Lewis Jewel – *Your Children's Children.* R.W. Bro. Morley Allen will present the practical aspect of the Lewis, a steel lifting device used by Stonemasons (with a working example), and the newly revised Lewis Jewel, recognizing the son of a Mason.

Computer Resources. R.W. Bro. Brian Bond and his team will once again offer assistance with the mechanics of email summons, security of documents and privacy of our member information. (Running continually throughout the afternoon)

The committee extends appreciation to the Grand Secretary and members of the office staff for posting the schedule of sessions in the notice, as well as, arranging accommodations and equipment. Also, the assistance of the above noted dedicated and knowledgeable Masons to prepare and present these seminars for other members of our fraternity. A heartfelt thanks is extended to each one of them.

Respectfully submitted on behalf of the committee.

BARRY J. HUTTON, Chairman

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by R.W. Bro. R. J. Cresswell, and on motion of the Deputy Grand Master, seconded by R.W. Bro. R. J. Cresswell, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the Report of the Advisory Committee on Lodge Buildings on behalf of its members: R.W. Bros. Richard F. Hewitt, William C. Smith, Joseph W. Lewis, V.W. Bros. Roy E. Pickard, Rod C. Blair, Wendal E. McLeod, W. Bro. Lawrence Brandridge. I wish to express my appreciation to the committee for giving their time and knowledge and to all who provided me assistance this past year.

Ongoing and Completed Projects

1. St. James Lodge No. 73, St. Marys (South Huron District)
The inspection of their new facility was completed on February 12, 2006, and the lodge was dedicated on Saturday, May 12, 2007. (completed)
2. Cassia Lodge No. 116, Thedford (Sarnia District)
The lodge membership purchased an existing building and remodeling is now going on. This committee did a preliminary inspection on January 17, 2007. We found the renovations going well and requested dispensation from the Grand Master for them to continue to meet in Arkona until the renovations are complete.
3. Brant Lodge No. 45, Brantford (Brant District)
The membership have completed a new lodge room in the Brantford Shrine building. The ceremony of dedication was conducted by the Grand Master on October 24, 2006. (completed)
4. Percy Lodge No. 161, Warkworth (Peterborough District)
The members have purchased a building lot on Main Street with the intention of constructing a new lodge building once the present building has been sold. There have been no offers to date. Plans/sketches for the new building layout are still to be forwarded to the Grand Secretary and also to this committee for review and action. This committee has not been in contact or been contacted as of the writing of this report.
5. St. Andrew's Lodge No. 497, North Brook (Frontenac District)
I was contacted by R.W. Bro. Robert Haley on August 23, 2006, and arranged an inspection for August 28, 2006. I found the new lodge room met our Grand Lodge requirements and advised the Grand Master on August 31. Dispensation was granted for them to meet until January 19, 2007, when the Grand Master dedicated this new lodge room. (completed)
6. Reba Lodge No. 515, Brantford (Brant District)
I was contacted on August 30, 2006, by W. Bro. Dan Murray, the Lodge Secretary, to see if the new building could be inspected which is currently an Oddfellows Hall. The facility needed very little renovation to meet Grand Lodge requirements. I recommended

the Grand Master give dispensation for their meetings until an official dedication ceremony date can be chosen.

7. Orono Lodge No. 325, Orono (Ontario District)

They vacated their old lodge building on November. 3, 2006, and moved to the Rebecca Hall for December 14, 2006. Dispensation was applied for and received. R.W. Bro. Hewitt of this committee attended the hall on January 11, 2007, for an inspection and gave a favourable report. The request for approval was forwarded to the Grand Master. The committee now awaits the Grand Master's response.

8. Guelph Masonic Center cornerstone laying and re-dedication ceremony was performed by the Grand Master, M.W. Bro. Gary L. Atkinson, on March 24, 2007, with a large number of Grand Lodge Officers and local Masons in attendance, along with several civic dignitaries who had the opportunity to express their appreciation of the Mason's historical role in the community. (completed)

This committee has responded to brethren seeking advice from Georgian North and South Districts and Victoria District. The Deputy Grand Master has requested we review a checklist, initiated in 2004, to assist lodges in the jurisdiction in evaluating the safety of their buildings.

We congratulate those lodges and building corporations that have undertaken the task of providing new and improved homes for the members of our great fraternity. Your time and effort are greatly appreciated.

Respectfully and fraternally submitted on behalf of the committee.

ROBERT CRESSWELL, Chairman

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by R.W. Bro. B. K. Schweitzer, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Schweitzer, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your committee on Fraternal Relations met in the boardroom at the Grand Lodge Memorial building on Thursday May 10, 2007. The committee reviewed and discussed the three requests for Recognition from the Grand Lodge of Ukraine, the Grand Lodge of Macedonia and the Grand Lodge of Congo.

In considering these requests for recognition your committee looks at three important criteria:

- Legitimacy of Origin
- Territorial Sovereignty
- Adherence to the Ancient Landmarks.

Using these three standards, together with information received from the requesting Grand Lodges and reports from the Commission on Information for Recognition of the Conference of Grand Masters of Masons in North America, the committee wishes to provide the following information and recommendation.

The Grand Lodge of Ukraine

The Grand Lodge Nationale Francaise and the Grand Lodge of Austria consecrated the Grand Lodge of Ukraine in Paris, on September 24, 2005. It presently has six (6) Craft lodges on its roll, four from the Grand Lodge Nationale Francaise, one from the Grand Lodge of Austria and the sixth 2 years after the Grand Lodge consecration. The Grand Master is M.W. Bro. Oleh Kouzan. It appears from the information received that it meets the criteria.

The United Grand Lodge of Macedonia

The United Grand Lodge of England, with the representation of 15 European Grand Lodges, consecrated the Grand Lodge of Macedonia in Skopje, on September 30, 2005. It presently has four (4) Craft lodges on its roll, three from the United Grand Lodge of England, and the fourth in February of 2007. The Grand Master is M.W. Bro. Vladimir Sukarov. It appears from the information received that it meets the criteria.

The Grand Lodge of Congo

The Grand Lodge of Senegal consecrated the Grand Lodge of Congo on October 21, 2000. Prior to this, the Republic of Congo was under the Jurisdiction of Senegal. The Grand Lodge of Congo includes four Republics: the Republic of Congo, the Republic of Centrafrique, the Republic of Chad and Democratic Republic of Congo. It presently has twenty (20) Craft lodges on its roll. Their ceremonies are similar to the United Grand Lodge of England and the Grand Lodge Nationale of France. In 2001, the Grand Lodge of Congo asked the Commission on Information for Recognition for acceptance, however the commission asked for more information. Again in 2003, they requested standing from the Commission. At this time the Commission reported that the Grand Lodge of Congo meets the criteria for regularity and recognition. The Grand Master is M.W. Bro. Jean Lounana Kouta. It appears from the information received that it meets the criteria, however due to various instability within the country the committee feels that this application should be held in beyance.

The committee recommends that recognition be extended to both the Grand Lodge of Ukraine and the United Grand Lodge of Macedonia.

Points of Interest

An organization calling itself the Grand Lodge of All England is presenting itself as a legitimate Masonic Grand Lodge in England. It claims to trace its roots to a lodge at York, founded in 1705, later styled itself a Grand Lodge in 1725 first named the Grand Lodge of England at York, and later the Grand Lodge of All England at York. This Grand Lodge went dormant in 1740, was revived in 1761, and went dormant again in 1791, never to meet again. On December 23, 2005, an assembly of Masons met and "reclaimed English Freemasonry on Behalf of its rightful custodians." The Grand Lodge of All England emerged and is said to be a revival of the Grand Lodge that went dormant in 1791.

The Commission on Information for Recognition cannot validate the claimed legitimacy of origin of the Grand Lodge of All England, since no documentation has been presented that this Grand Lodge was reinstated or reconstituted in 2005 by a recognized Masonic authority. In addition, it cannot claim exclusive territorial jurisdiction since a pact or treaty does not exist to share the jurisdiction with the United Grand Lodge of England.

It is therefore the opinion of the Commission that the Grand Lodge of All England does not meet the standards for recognition.

On behalf of the committee, it is a pleasure to submit this report.

REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES

This Report was presented by R.W. Bro. G. O. Loshaw, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Loshaw, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Advisory Committee on Lodge Finances, it is my pleasure to submit the following report.

May we begin by extending congratulations to the lodges and temple boards throughout this Grand Lodge jurisdiction that are enjoying sound financial stability due to well managed financial expertise. The back bone of every lodge is active members; a successful lodge however, requires other attributes, not the least of which is a strong financial base, the result of annual financial budgets. However, not all lodges are vibrant or financially sound and as lodges continue to struggle with increasing costs, reduced investment income and declining revenue from annual dues resulting from the declining membership in our grand jurisdiction, they are continuously faced with the “nagging problem” that has allowed themselves to be placed in this position by:

1. Not preparing an annual financial budget;
2. Not creating one dues rate structure;
3. Not invoicing the members to avoid arrears;
4. Not having in place the use of proper accounting techniques and
5. Not having a properly funded Life Membership account.

Unfortunately improperly funded Life Membership accounts continue to be a major problem and in turn, creating a financial nightmare for many lodges. There appears to be two major factors contributing to this matter in that; some lodges wish to recognize their “more senior” members by giving them a Life Membership after a pre-determined number of years of being a member of the lodge while other lodges award an Honorary Life Membership to those who have rendered outstanding service to the Craft. It must be stressed that there is NO difference between a Life Membership and an Honorary Life Membership and they both must be dealt with in the same manner.

Secondly, there is failure to recognize the guidelines for a Life Membership account as set out in the Book of Constitution and adopted by this Grand Lodge in July 1997. This formula is proven and should be adhered to.

We must be ever mindful of the fact that there is a cost to operating a lodge and that cost is borne by all members – both dues paying members and Life Members are responsible for sharing those costs.

I would be remiss in not drawing to your attention the fact that three past chairmen of this committee, R.W. Bros. Robert Wands, Tom Hogeboom, and George Hinds, have brought forward valuable tools to be used in the assistance of lodge accounting, as well as, a proposed formulae of getting assistance to lodges in a more timely fashion where time is of the essence.

Until such time that the paper back describing a simple method of recording the finances of a lodge or the CD Rom covering all aspects of accounting practice and the proposed

formulae of quickly identifying those lodges requiring assistance are put in place, this message is very similar to that of the clergy who administers the message to the choir.

It is truly recommended that these submissions and proposals be given serious consideration and attention. While many lodges have good accountants in their membership who can prepare and maintain accounting records, there are also lodges that have many brethren, although not accounting oriented, are willing to take on the offices of Secretary and Treasurer. It is for their benefit that the material which has been prepared by this committee be put in place for an uncomplicated means of recording the financial operation of the lodge.

The members of the committee continue to make themselves available to speak to lodges and group meetings, offering recommendations to improve lodge finances and to assist lodges in financial difficulties. We trust that the advice we offered this year has been of assistance.

The Advisory Committee on Lodge Finances would take this opportunity to give special "thanks" to Mrs. Dorothy Chalmers for her many years of loyal service to our Grand Lodge and to this committee in particular. We wish her and her husband many years of good health and enjoyment.

All of which is respectfully submitted on behalf of the committee members: R.W. Bros. T. E. Lewis, R. G. Wands, M. D. Lampert, R. A. Keith and V.W. Bro. B. Birdsall. The chairman thanks them for their input and support and extends sincere appreciation to the Grand Secretary, M.W. Bro. Terrance Shand, for his counsel and guidance, as well as, the staff at the Grand Lodge office for their support and assistance.

Respectfully and fraternally submitted.

GILES O. LOSHAW, Chairman

REPORT OF THE COMMITTEE ON PUBLIC RELATIONS

This Report was presented by R.W. Bro. J. C. Green, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Green, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to submit this report on behalf of the Public Relations Committee members – R.W. Bros. C. John Woodburn, David Wood, John Hiley, Ian Millar, Williard Barnes, Doug Angus, Greg Seale, Harvey Street, Carl Miller and V.W. Bros. Alan Arbuckle and Larry Carter.

OPEN HOUSES

Our committee has received notice of all Friend to Friend Meetings and Open Houses. We are pleased there were over 60 such events that hopefully had two effects – to attract applicants to Freemasonry and expose the meaning of our Fraternity to the general public so that our philosophy is better understood.

SEMINARS

Our committee had a very successful session at Grand Lodge last year with over 80 masons in attendance. A large number were incoming District Deputy Grand Masters which helped the relationship our committee enjoyed with them throughout the year. I would strongly recommend that the Public Relations Committee should continue such a workshop in the future.

SCRAPBOOK

I once again want to thank R.W. Bro. Roy Davies and his wife Kathy for being responsible for inserting our press clippings in an orderly fashion in our Grand Lodge Scrapbooks. It is also important to recognize their effort in displaying scrapbooks for our interest at our Grand Lodge Communication in July.

FAMILY OF FREEMASONRY

This year I had two meetings with the Public Relations Representatives of our Concordant Bodies – Scottish Rite, Knights Templar, York Rite and the respective Shrine Centers. These meetings allowed us to exchange thoughts and inform each other of important events of our respective organizations i.e. ceremonials, communications and parades, etc.

LODGES OF INSTRUCTION

Our committee members were present at the Lodge of Instruction meetings offering Masonic information to those in attendance. It was encouraging to see the thirst for Masonic knowledge that was evident at these functions. This was demonstrated by record sales of books and pamphlets that were available. In a lot of instances we were sold out of many popular items.

SPECIAL EVENTS

In September of 2006 our Fraternity participated at the International Plowing Match at Keene. Our Masonic display tent was shared with York Rite, Scottish Rite, Knights Templar, Shriners, Order of the Eastern Star and Canadian Blood Services. On behalf of Grand Lodge, our committee wants to thank Chairman, W. Bro. Bob McBride and the local committee for their organization, courtesy and cooperation in making the event successful. Special thanks to I.P.M. Chairman, R.W. Bro. Norm Blodgett for his effort and assistance.

We all enjoyed a most successful Meet and Greet with the Grand Master at the farm of W. Bro. Scott Pimmett. This was a great experience, great food, unique setting, cooperative weather and a great group of 237 masons and ladies in attendance.

R.W. Bro. Doug Angus and I are currently working closely with R.W. Bro. Giles Loshaw and the local committee for the 2007 International Plowing Match at Crosby. This committee has a lot of experience and capabilities that will insure another Masonic success. The committee has representatives from 5 Masonic districts. Their enthusiasm and cooperative attitude is a display of true Masonic spirit.

COMMUNICATIONS

Our committee is still working on a DVD suitable for cable T.V. stations to promote and explain the philosophy of the Family of Freemasonry. This project has taken longer than anticipated, but we have very nearly completed the script. Hopefully it will be carried to completion by the next Public Relations Committee.

OTHER ACTIVITIES

Our committee has experienced great cooperation from various districts and lodges by having displays of Freemasonry at special events in their respective communities. There were as many as a dozen such events during the past year. i.e. Gore Bay Trade Show, Fergus Scottish Festival, Port Elgin Pumpkinfest and Brigden Fair to name but a few.

These activities, as well as our participation in parades and public events, can only enhance our image in our respective communities and allow our fraternity to prosper and flourish.

We have had good cooperation from the D.D.G.M.s this year – first to distribute the official Masonic logo to each lodge to maintain continuity and, we also asked the D.D.G.M.s to do some research for Grand Lodge. We now know for the first time that names we acquired at the International Plowing Match of possible interest in masonry about 20% made application for membership to the Craft. I would recommend this follow-up be continued in future years.

We have found that more than 150 lodges have entrance signs displaying the Masonic logo at entrance to their respective municipalities. This is about 50% if you consider nearly all cities over 100,000 population have local by-laws prohibiting such signage which takes about 225 lodges out of the available sites.

I want to offer special thanks to R.W. Bro. Doug Angus for his dedication and tireless effort after five years of coordinating the special events for Grand Lodge Public Relations. Doug will be retiring from committee work at this Grand Lodge Communication.

It is my honour to offer thanks to those committee members who have worked diligently for the good and the future of Freemasonry in Ontario.

On their behalf, I respectfully submit this report.

JOHN GREEN, Chairman

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. R. S. J. Daniels, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Daniels, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

When, at the urging of M.W. Bro. John S. Martin (Grand Master 1927–1928), the first Grand Lodge Committee on Masonic Education was constituted in 1930 with R.W. Bro. William J. Dunlop (subsequently Grand Master 1937–1938) as the first chairman, the stated mandate specified four broad subject areas as the basis for a thorough curriculum in Masonic instruction: 1) Tradition, 2) Rites, 3) Symbolism, and 4) History. The primary purpose and function of each and every program devised by this committee throughout the 77 years of its existence has been and is to the present day, to encourage and inspire, assist and support every brother in his daily quest for Masonic knowledge.

“What sculpture is to a block of marble, education is to a human soul.”

Joseph Addison

The acquisition of Masonic knowledge is a ‘Do It Yourself’ project. Education is achieved, not received. There are unlimited resources available to assist the serious student – ‘*Yours to Discover*.’ In ‘**Masonic Nights at the Round Table**’ and at **Lodges of Discussion** all present are encouraged to discuss, question, and explore the deeper significance and profound meaning of our rites and ceremonies, our symbols and allegories, our ancient usages and established customs. Thereby, brethren gain greater knowledge and achieve better understanding of what Freemasonry is, the significant role it has played in shaping society, and the visionary function it can play in directing life and conduct in the 21st century. The

study of Freemasonry should prepare every Mason to speak freely and with authority when asked what it means to be a Freemason.

- **Recommendation:** Every Worshipful Master is encouraged not only to ‘employ’ but also to ‘instruct the brethren in Masonry.’ He should endeavour to inspire his brethren to ‘*get on the learning curve*’ by including Masonic Education in one form or another – whether for thirty seconds or thirty minutes - as an agenda item at every meeting of the Lodge. A simple but pertinent question posed to the brethren is the best and surest means to focus attention and stimulate thought. We always have time for the things we value.

“2, 3, 5, 7 or more heads are better than 1”

Reports have been received from District Chairmen and Regional Representatives that discussion groups, study circles, book clubs, etc. have been established in several districts to provide informal settings for the free exchange of ideas among the brethren. To cite but one example, the members of Doric lodge No. 424, Ajax, regularly hold breakfast meetings followed by discussion. In two districts, Waterloo and Muskoka-Parry Sound, the District Deputy Grand Master has applied the Socratic method of posing a question to initiate discussion at his Official Visits. There is so much to be learned that there is no one who can be said to know it all. We can learn much from all those that we meet along the road of our Masonic journey.

- **Recommendation:** Masonry is not a spectator sport. Participation is the key to maintaining interest. The farsighted Worshipful Master will use all ways and means at his disposal to give every member – from the newest Entered Apprentice to the most senior Past Master – *ownership* in the lodge. Give every member a reason for coming to lodge, and he will be there.

Monthly Bulletins on timely topics written by members of the Curriculum Group of the Committee are distributed by **email** to an extensive list of subscribers, who, in turn, are asked to ‘pass it on’ to Masons of their acquaintance in their personal address book. All District Deputy Grand Masters receive the Bulletin. By this efficient, expedient and economical means of communication, these Bulletins have enjoyed an incredible circulation. Positive and appreciative responses have been received from Nova Scotia to British Columbia, and from several States. District and Lodge Chairmen of Education have used them for short talks, and excerpts have been reprinted in the Lodge Summonses and Newsletters.

This year topics have included: The Lewis Jewel (Sept.), The Moon to Rule the Night (Oct.), Lost in Awe and Wonder – Initiation (Nov.), Travel Broadens the Mind (Dec.). The Season of Festivity (Dec.), The Loyal Toast – The Queen and the Craft (Jan.), The Ancient Landmarks of Freemasonry (Feb.), The Trowel (Mar.), As Men and as Masons – Vimy 1917 (Apr.). Bulletins are also posted in the Masonic Education pages on the Grand Lodge Web site.

In the broad context of “*Let’s Talk Masonry*” the chairman and members of the committee have made many presentations on the invitation of the Worshipful Master in lodges around the Grand Jurisdiction. Following these seminal presentations when the basic process has been demonstrated, reports have been received that the Worshipful Master has adopted and adapted the strategies to suit the local conditions. Until any program or project initiated by a committee of Grand Lodge takes on a life of its own, and ownership in it is embraced by the brethren in the constituent lodges, then, and only then, will it be effective.

The question **WHY?** continues to be uppermost in the minds of many brethren, especially the newly initiated Masons that are keenly interested to explore the '*mysteries and privileges of ancient Freemasonry*' that we promise them. As the number of initiates continues to increase, resource materials have been devised and distributed for the instruction of the Entered Apprentice and guidance of the Fellowcraft. A program of instruction for use in the ante-room with an Entered Apprentice or Fellowcraft while a superior degree is being conferred in the lodge was shared by R.W. Bro. Donald J. Hamilton, D.D.G.M., Wellington District. This committee is pleased to receive and respond to any serious inquiries directed to us, either through the Grand Secretary's office or by email from an enquiring brother.

"I am not a teacher – only a fellow traveller of whom you asked the way. I pointed ahead – ahead of myself as well as of you." George Bernard Shaw.

The College of Freemasonry – V.W. Bro. Sydney R. Lowe, Administrator; V.W. Bro. Gordon S. Walker, Co-administrator.

During the year (July 2006 to April 2007) thirty-five new students enrolled in the Correspondence Courses for Master Masons, and thirty-one certificates of achievement were issued for presentation by the District Deputy Grand Masters to the successful students.

Sincere congratulations are extended to the following graduates of the Master Masons Course who have earned Certificates of Achievement as **Fellow of the College of Freemasonry** (F.C.F.) during the year:

Cameron, David	Grand River Lodge No. 151	Waterloo District
Campbell, Donald	Doric Lodge No. 58	Ottawa 1 District
Peters, Edward	Victoria Lodge No. 299	Frontenac District
Phillips, Kevin	King George Lodge No. 123	Colchester, Nova Scotia*
Reid, George	Victoria Lodge No. 299	Frontenac District
Shewan, Gary	Salem Lodge No. 368	St. Lawrence District
Sloukji, Michel	Southgate lodge No. 674	Toronto West District
Stewart, John	Union Lodge No. 7	Hamilton B District

* Master Warrant Officer Bro. Kevin Phillips is a member of the Canadian Armed Forces, and while on active duty and being transferred through several postings has most justly earned the distinction of Fellow of the College, and deserves special commendation.

Since its introduction in 1998, 486 Past Masters have enrolled in the Correspondence Course for Prospective District Deputy Grand Masters, and 205 (42%) have qualified as graduates by completing all three sections. The ratio of graduates to applicants has improved over the last two years. Prince Edward District with thirteen graduates and Georgian North District with twelve top the list. It is regrettable that during the entire period of nine years there have been no enrollees from two districts in the Grand Jurisdiction. This year to date (2006–2007) forty-one were enrolled and twelve completed the course.

- **Recommendation:** The importance of the role of the District Deputy Grand Master as the Grand Master's personal representative in the district cannot be overstated. The preparation for the duties and responsibilities of the office can never be too much. Consideration should be given to making graduation from the Correspondence Course for Prospective District Deputy Grand Masters mandatory and a prerequisite by amendment to Section 50 of the Book of Constitution.

Since 1994, V.W. Bro. Sydney R. Lowe, and with the able assistance of V.W. Bro. Gordon S. Walker since 2000, have been the diligent and efficient administrators of the correspondence courses offered by the College of Freemasonry. The dedication and assiduity of these two brethren are to be commended. The mentors that review the assignments submitted by the students and comment on the answers given are the real source of success. This corps of learned and knowledgeable Masons serve the students of this college faithfully. Their contribution to Masonic Education is acknowledged and much appreciated.

Application forms for all correspondence courses are posted on the Grand Lodge Web site, and may be sent with the registration fee to Mr. Syd R. Lowe, 1071 Guildwood Boulevard, London, Ontario N6H 4G4.

The Newsletter – V.W. Bro. David J. Cameron, Editor, R.W. Bro. D. Garry Dowling, Publisher and Subscription Manager, R.W. Bro. Michael Wooley, V.W. Bro. Iain Mackenzie, W. Bros. David Cook, Robert McBride, and Bro. Stephen Clarke, Editorial Board.

The mandate of *The Newsletter* is to provide informative and timely essays written by Ontario Masons relevant to Ontario Masons. In addition to short but interesting articles on a wide variety of topics, each quarterly issue contains regular features: *Questions of the Fraternity* (V.W. Bro. Iain Mackenzie), *Custodian's Corner* (M.W. Bro. C. Edwin Drew, Custodian of the Work), and *Book Nook* (R.W. Bro. Wallace McLeod, Grand Historian). All brethren are encouraged to “take pen / keyboard in hand” and submit an article under the comprehensive topics of history, philosophy, or symbolism. Every lodge, indeed, every Mason, has so much of interest to share.

There are at present more than 600 subscribers. Four issues are published annually, and are sent by post. Orders may be placed and subscriptions renewed by remitting \$18.00 a year to Mr. D. Garry Dowling, 81 Naomee Crescent, London, Ontario N6H 3T3. An order form is posted on the Grand Lodge Web site.

- **Recommendation:** Some lodges subscribe to *The Newsletter* and share the current issue around the lodge. Others present a one-year subscription to every newly-raised Master Mason.

Publications and Book Sales – V.W. Bro. Iain B. Mackenzie, Sub-chairman and Sales Manager.

Take time to read ... it is the fountain of wisdom.

Take time to think ... it is the source of power.

Several publications of Grand Lodge have been amended, updated, and reprinted and will be available at this Communication. Brethren are encouraged to obtain the latest editions of *The Work* and *The Ceremony of Installation and Investiture*. Immediately following the Annual Communication, *The Book of Constitution* is revised and reprinted to include any amendments adopted by Grand Lodge.

The catalogues of several renowned publishers of Masonic books have been explored and the selection expanded. Books offered for sale at cost from the Book Table include standard reference volumes, Masonic classics, best sellers, and recent publications. A selection of resource material is also taken on the fall tour with the Lodge of Instruction Team. During the year a list of books and other publications currently available from the Grand Secretary's office is published. Orders may be placed through the Secretary of the Lodge or purchased ‘over the counter’ at the Grand Lodge building in Hamilton.

- **Recommendation:** Some District Chairmen of Education take a selection of Grand Lodge publications and current titles to Official Visits and other District events to serve the brethren directly.

G-15 – V.W. Bro. David J. Cameron, Chairman, W. Bro. Richard Wright, Liaison.

Modern, Free and Accepted Masons - Our Future

In the spring of 2004 a group of younger Masons was brought together for the sole purpose of discussing the meaning of Masonry in the lives of men in the 21st century, to take our present bearings, to explore the fundamental ideas and ideals of the Craft, and to formulate a new perspective of the role Freemasonry might play in modern society. Why are young men joining the fraternity in increasing numbers at the present time? What are they looking for that may be missing in society that Freemasonry may be able to supply? How can we assist them in their quest?

Education – the process; **Learning** – the method; **Knowledge** – the product.

Freemasonry is not an exercise in scholarship, but a voyage of personal discovery.

Wisdom is knowing what to do next; **skill** is knowing how to do it; **virtue** is doing it.

Thanks must be expressed to all members of the committee, the sub-chairmen, the Curriculum Group, and the Regional Representatives for the immense contribution they have made and the service they have rendered to the advancement of Masonic knowledge in this Grand Jurisdiction.

R.W. Bro. James A. Fisher served as the efficient Secretary of the committee from 2003 until his untimely death on March 30, 2007. His contribution to Masonry in this Grand Jurisdiction as devoted member of his lodge, able educator and competent administrator was immense and he will be sadly missed. *Ave atque vale.*

All of which is respectfully and fraternally submitted on behalf of the Committee on Masonic Education.

REPORT OF THE BLOOD DONORS COMMITTEE

This Report was presented by R.W. Bro. T. A. Siemiernik, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. T. A. Siemiernik, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a pleasure to present this report on behalf of the Blood Donors' Committee: R.W. Bros. Thomas Forbes (Secretary), Glenn Cousins, Roy Harrison, Terry Pachal, Gary Bloomfield, William Sylvester, Doug McLaren, Ross Ferguson, Bill Henshall, Don Rumble, V.W. Bros.

Jim Abrams, David McCallum, W. Bros. Terry Henderson, Gary Bryan, and all District Chairmen and volunteers – a stellar group of hard working Masons.

Due to the experience and expertise of the committee members, the year has run very smoothly, but some changes have been made. As in the past, we have felt that we have been undercounting, therefore have implemented a new sign-in form. This was presented to all chairmen for their input. Every attempt has been made adhere to the Privacy Act.

- filling in the form is voluntary
- names are not necessary, a check mark is adequate
- the information collected is only for use within our order
- we do not ask for sensitive information e.g. age, phone number, address

Our goal is to obtain a more accurate count, especially those pertaining to Masons. This new form has been distributed to all chairmen to be used at all clinics effective April 1, 2007. The collective count for all districts will remain as it is. Special thanks to R.W. Bro. Tom Forbes for assisting with these forms.

Some members who are unable to donate blood are volunteering at local clinics or making monetary donations; for your efforts I thank you.

International Plowing Match

When attending the Plowing Match in September, we were pleased to share the booth with the Canadian Blood Service staff. Much positive feedback was received for the blood typing service provided by the C.B.S. The rapport with the C.B.S. personnel is very good and we strive to maintain it. We had the pleasure of talking with many Masons who are blood donors. I encourage all members who attend the International Plowing Match to visit our booth. We plan to attend this year's Plowing Match in Cosby, Ontario.

Certificate of Merit

We are continuing to present a Certificate of Merit to Masons who have reached a milestone. This year we have included first time donors, some of which were new Master Masons. Certificates to non-Masons will be issued at the local lodge or district level not by Grand Lodge.

Recognition

We again recognize the district with the highest number of donations, the district with the greatest per capita donations and the most improved district.

- Most Donations – Hamilton District B
- Highest Per Capita Donations – Algoma District
- Most Improved District – Temiskiming District

We also thank and congratulate all donors who have reached a milestone from their first donation to the highest we have recorded. Special tribute to R.W. Bro. Clare Hatt of London East District for his 800th donation.

Communication

The most effective means of communication has been email. Three meetings were held this year: Innerkip, Erin and Belleville. These three locations seemed to accommodate most committee members. C.B.S. was present at two of the meetings.

Partners For Life Program

This agreement has been renewed for another year. As a partner of Canadian Blood Services, we will endeavor to promote and encourage our members to continue to make the commitment and donate.

Listed below are the numbers of plasma, platelet, and whole blood donations by District to March 31, 2007, our year end.

Conclusion

Communication with many D.D.G.M.s across our jurisdiction shows that they are committed and agree that District Chairmen should serve for more than one year. Many districts are very passionate and work very hard as a team. It is with this drive and dedication that the Blood Donors' Committee will continue to flourish. As in the words of R.W. Bro. Bill Henshall, "We must start with baby steps and continue." I feel we have done so.

Give the "Gift of Life". It affects so many.

Respectfully submitted on behalf of the Blood Donors' Committee.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

On motion of the Deputy Grand Master, this Report was presented by M.W. Bro. C. E. Drew, seconded by M.W. Bro. R. E. Davies, and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

It is my pleasure and honor on behalf of the Committee, which is composed of all of the Past Grand Masters, to present the report on the Grand Master's address.

We join with the Grand Master in extending a welcome to all of our members and guests, and sincerely hope that each of them will benefit in some way from this annual communication. We also endorse the tributes paid to our departed brethren; their passing will leave a void that will be difficult to fill.

The review of the reports of the five ad hoc committees: Prince Hall, Special Program Fund, Widow's Program, Lodge Amalgamations and Office Manual are noted and recommendations are made for future action.

With great pleasure the Committee recognizes the three nominations for the William Mercer Wilson Medal, and joins with the Grand Master in congratulating these worthy brethren.

The Committee concurs with the recommendation of R.W. Bro. James C. Sutherland and R.W. Bro. H. Edward Standish to a three year term of honorary membership on the Board of General Purposes, and adds our congratulations to the recipients of the Meritorious Service Award.

The Committee endorses the Grand Master's recommendation of the five brethren as Grand Representatives and one brother for Past Rank.

The Committee humbly appreciates the gracious remarks to our Past Grand Masters.

The Grand Master extends thanks to the District Deputies, the Grand Lodge Officers to the members of the Board of General Purposes and to the hard working Office Staff, which are heartily endorsed by the Committee.

Special occasions such as Anniversaries, Amalgamations, Cornerstones, the International Plowing Match, many media events and the recognition of outstanding long service by our brethren were enhanced by the attendance of our Grand Master.

The Conferences attended by the Grand Master are noted, together with many interesting details of the agendas, which were followed, and the proposals, which ensued.

Many of the complaints of a disciplinary nature result from private piques and quarrels, which can be resolved if we do indeed "work together with that love and harmony which should at all times characterize Freemasonry". Unfortunately in some instances differences are still not resolved, and the Grand Master has taken the necessary steps to remedy the situation.

On behalf of the Ritual Committee the Grand Master announced the appointment of M.W. Bro. Donald H. Mumby as Custodian of the Work, following the resignation of M.W. Bro.C. Edwin Drew.

The Grand Master extends special thanks to Deputy Grand Master R.W. Bro Allan J. Petrisor, the Committee, who have all at one time or another occupied that office, applaud the manner in which they have served together. The recognition of Burns Lodge No.153 in Wyoming, where this masonic journey began, is readily understood.

The understanding and support of family: Sandy and sons and brothers Greg and Drew are well known and as the Grand Master acknowledges, are the reasons why we are able to be in this position today.

For all of their efforts, and on behalf of all of the members who have been the beneficiaries, we express a sincere thank you.

Respectfully and fraternally submitted on behalf of the Committee.

C. Edwin Drew, Chairman

Pursuant to Section 28, Constitution of Grand Lodge, R.W. Bro. Wayne Adams stood to speak to the motion in-so-far as it related to the ruling of M.W. Bro. G. L. Atkinson, to recommend revoking the warrant or charter of Cope-Stone Lodge No. 373.

R. W. Bro. David Jacklin, was appointed to act as Parliamentarian.

R. W. Bro. Adams presented his grounds for appeal, in support of re-instituting the warrant or charter of Cope-Stone Lodge No. 373, the Parliamentarian invited the Grand Master to reply

M. W. Bro. G. L. Atkinson stated his reasons for the decision then, pursuant to Section 29, Constitution of Grand Lodge, without further debate the question, "shall the decision of the chair be sustained" was put to the assembled brethren. The ensuing vote confirmed that it was sustained.

REPORT ON THE MASONIC FOUNDATION OF ONTARIO

To the Most Worshipful, the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren.

This Report does not appear in the Preliminary Proceedings.

It was my privilege, on Tuesday morning, to report on behalf of the Board of Directors to the 44th Annual General Meeting of the Masonic Foundation of Ontario.

Highlights of Foundation activities form an integral part of the 2007 Annual Report. I strongly recommend that you read this Report, in its entirety, to fully appreciate the diversity of activities supported and to better assist us in communicating the Foundation Story. Copies of the Report are available at the Foundation Display or from the Foundation Office in Hamilton. The Report also will be available on the Masonic Foundation Webpage at www.masonicfoundation.on.ca.

It has been most gratifying to have enjoyed the unqualified support of our Grand Master, M W Bro Gary L Atkinson, who, during the last two years, championed our efforts with passion and conviction.

Today, I would like you to join me in formally recognizing the invaluable contributions of 3 retiring Directors: James Cassie, A Douglas Nichols and C Edwin Drew, who served the Foundation with dedication and distinction. At the same time, I welcome Ed Standish from Caledon and Graeme Boyce from Toronto as incoming Directors and Donald H Mumby as a new Ex-Officio Director.

A special vote of thanks to the M and Ms, Mel Duke and Marlene Victor, the voice and face of our corporate offices in Hamilton.

Financially, we experienced a good year, where revenues exceeded expenses by \$119,484 increasing our unrestricted net assets to \$7,948,239 at March 31, 2007. Revenues from Yellow and Grey Envelopes and Bequests amounted to \$193,136. Foundation-supported programs received \$489,901 which included \$208,746 as a throughput for District Projects.

We continued our Communications efforts through an increased use of the Foundation Display, with Information Seminars province-wide in 8 cities, by supplying DDGMs with Resource Kits and by enhancing our Web page.

Looking Ahead to 2007-08, we will continue to enhance our communications efforts through 8 initiatives (identified in the Annual Report) and we will be more resolute in developing our Vision Documents to improve our "brand identity" which might serve as a "beacon for increased planned giving" and to enhance our capacity to respond to emerging social trends and needs.

As we concentrate on building a philosophical platform for the Foundation, I am ecstatic, today, in sharing with you some exciting news. In late March, your Foundation was advised that it had been named as the residual capital beneficiary of an estate and that the estimated residual value is an amount in excess of \$2,000,000. The administration of this estate is ongoing and currently is awaiting court appointment of the Estate Trustees. While the matter has not been fully resolved, it clearly demonstrates the tremendous benefit that can be realized through planned giving arrangements by Masons.

The Board of Directors earnestly solicits you, our stakeholders, to become committed

to our bold, ambitious and forward-looking planned initiatives for the betterment of future generations....*all for the cause of good.*

Respectfully submitted on behalf of the Board of Directors and Officers of The Masonic Foundation of Ontario.

SAMUEL KALINOWSKY, President

REPORT OF THE DISCIPLINE COMMITTEE

This Report was presented by R.W. Bro. D. E. Jacklin, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. D. E. Jacklin, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

There was one Masonic trial conducted this year resulting in a finding of guilt against the Brother involved with a penalty of indefinite suspension imposed and a recommendation that be expelled. No appeal was taken to the Disciplinary Committee. After due consultation, the Committee recommended to the Grand Master that the Brother in questions be expelled. The Committee was pleased with the way the Lodge in question dealt with this matter in accordance with the Constitution.

There were instances where the Grand Master decided pursuant to the Constitution and after full investigation and review, that matters involved were private piques and quarrels and no further action need be taken.

There was one instance where the reviewing Committee of the Lodge reviewed a complaint and found it to be unfounded.

There are presently three other matters under investigation which may require further action by your Committee.

In closing, the Committee would remind the Brethren that the provisions of the Constitution clearly set out what are Masonic offences and what steps are to be taken should a Brother wish to report it. We recommend once again that matter that can not be resolved and any other matter, only be dealt with in this fashion. Private piques and quarrels take up an inordinate amount of time and resources of your Grand Master, Grand Secretary and members of the Discipline Committee. Obviously this time could be better spent furthering the aims of our beloved craft.

The Committee wishes to express their thanks for the guidance, wisdom and generous assistance provided by our Grand Master, M.W. Bro. Gary Atkinson, and our Grand Secretary, M.W. Bro. Terence Shand.

All of which is respectively submitted.

DAVID E. JACKLIN, Chairman

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by R.W. Bro. G. E. Hinds, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hinds, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Having reviewed the reports of the District Deputy Grand Masters 2005–2006, the following are the observations and recommendations of this committee. It would appear that the situation is unchanged with some of the lodges in our jurisdiction. They continue to face challenges that threaten their future existence as a lodge.

The three areas that are of paramount concern are:

Lodge Finances, Dues Collection, Membership Retention

Problems with lodge finances have plagued many lodges over the years, due to reduced revenues, and higher expenses through rent increases, and low returns on investments.

Recommendations: The use of Grand Lodge programmes could provide the structure needed to establish money management policies, in many lodges if ever implemented. Annual Budgets, along with Long Range Planning could prove to be the stabilizing force upon which to build.

Dues Collection

In reviewing the reports, there have been no improvements in the collection of dues over the last three years. In some cases, the outstanding amounts increased over the previous year.

Recommendation: The process of dues collection should be revised with the implementation of sending a separate invoice to each member at the beginning of the Masonic year of the lodge pointing out the present and past due amounts. This should prove to be more successful. As invoicing of bills due is a monthly practice of which we are all quite familiar. Putting a notice in the monthly summons has not been very effective.

New Membership Retention

Some lodges in recent times have reported activity in the area of new applicants wishing to become Masons. This is very encouraging for the Craft and the lodges involved.

Recommendation: In order to retain these new members, their sponsors, along with other members of the lodge, must take a more active role in their development, in making them feel welcome and part of the fraternity by being more inclusive. Invite them to sit with you in lodge. The records in lodges show that new Masons come in but they do not stay. The comfort zone is not there. "IN ORDER TO RETAIN WE HAVE TO MAINTAIN."

Attracting New Members: It is the feeling of the committee that in order to attract new members, we as Masons should always exhibit an air of excitement when asked, "Are you a Mason?" – "Yes. Why did you ask?"

All of which is respectfully submitted on behalf of the committee members: V.W. Bro. Ian Dale, R.W. Bros. George McGowan, John Hough, Paul James, Robert McKee, Edward (Ted) Rutter, Bruce Staines, David Vojvodin, David Baerg.

GEORGE E. HINDS, Chairman

REPORT OF THE COMMITTEE ON COMPUTER RESOURCES

This Report was presented by R.W. Bro. B. E. Bond, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Bond, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Grand Lodge Programming & Databases

In the late fall of 2006, this committee was charged by the Management Committee to update our member database and incorporate all street addresses. V.W. Bro. Donald Reekie, long-standing vice-chairman of this committee and professional programmer, surveyed the job and assumed responsibility. His sudden death this spring, while on vacation in the U.S.A., is a great loss to his family, friends and Masonry. Some of his work on this project is stored on the Grand Lodge computer and the work is being continued by new people under the direction of W. Bro. Kris Nickerson.

Grand Lodge Web Page (www.grandlodge.on.ca)

R.W. Bro. James Kirk-White, in his roll as Web master for our Grand Lodge Web site, has responsibility for the approval of the various lodge and district Web sites within our jurisdiction. This approval takes the form of an on-screen icon, awarded only when the proposed site meets all the requirements as posted in the Grand Lodge Web site. There are several items which Jim checks, but two of the items that he looks for are most important: commercial advertising and password protected areas on the proposed site. Some internet providers will give free space in exchange for advertising rights. The user of the site has no rights as to the type of advertising placed on the site and it has been noted that the I.S.P. will try to key the advertising to the proposed use of the site. This has resulted in some Masonic sites displaying pro and anti-Masonic links, as well as, inappropriate advertising. Password protected areas are not allowed so as to eliminate the impression of secrecy.

Summonses via Email

As the use of a password on an electronic summons is now at the discretion of the individual lodge, it has been noted that approximately 50% of the lodges that are delivering their summons via email are applying a password.

HOST DISTRICT	DATE	WHERE HELD
Wellington – Waterloo	October 28, 2006	Cambridge
Ontario	November 8, 2006	Bowmanville
Hamilton A, B, C	November 16, 2006	Hillcrest Temple
Ontario – Victoria	November 18, 2006	Lindsay
Toronto East	January 13, 2007	Pickering
Grey	June 9, 2007	Mount Forest
Toronto York	June 16, 2007	Thornhill

In each of the seminars, it was again strongly noted that the Grand Secretary, Grand Master and D.D.G.M. MUST receive their summons in printed form and delivered by regular surface post.

Grand Lodge Forms

Several Grand Lodge forms, including the Semi-Annual Return, are posted on the net in the Grand Lodge Forms site (www.grandlodge.on.ca/forms) These forms have been removed from the Distribution CD so that updates can be readily applied and made available to all in a timely manner. The posted Semi-Annual Return, after July 2007, will be valid for the reporting dates JANUARY 2008 and JULY 2008.

Most of these forms and the Semi-Annual Return may be completed on a computer using

Adobe Reader, available as a free download from Adobe.com or from your Computer Resources Representative.

For the Semi-Annual Return, a series of rules are to be followed:

2. The original form MUST BE RETURNED to the Grand Lodge Office with the completed PDF form.
3. The DATES and FINANCIAL information contained on the original form MUST BE TRANSFERRED to the PDF form.

Registration

W. Bro. Kris Nickerson has revised the Registration programming to be used at Grand Lodge in July 2007, to reflect the new computers which will be in use. It was found that the old computers were not reliable enough and were prone to failure without notice. He and his volunteers will be in attendance to properly receive and tabulate the important vote data.

The members of the Computer Resources Committee, W. Bro. Kris Nickerson, V.W.

Bro. Peter Scott, R.W. Bro. James Kirk-White (Webmaster), R.W. Bro. Robert Manz and the District Representatives, wish to thank the Grand Secretary and his excellent staff for their courtesy and assistance throughout the past year.

Respectfully submitted on behalf of the committee.

BRIAN E. BOND, Chairman

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. Peter D. Tink, Grand Chaplain

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I deem it a privilege to have been asked by the Grand Master and, through him, the brethren to serve as Grand Chaplain for 2006–2007. It has been one of the highlights of my life and is an honour for which I shall be ever grateful.

The past year has been a time of learning and of meeting and making many new friends. It has been said that the cream rises to the top. While it cannot be denied that all Masons tend to be men of good moral character, those who serve on Grand Lodge and in other positions of eminence, seem to be the best of the best. I thank all, including the Grand Master and members of my own Cedar Lodge No. 270 in Oshawa for the opportunity afforded me in coming to know them and working alongside them.

The Grand Chaplain's role in Grand Lodge is an extremely busy one. It involves travel, meetings, ceremonies and banquets. I have made an effort to attend as many of these as possible. I thank those Assistant Grand Chaplains who have filled in for me when I have been unable to attend various functions. Unfortunately, early in May a medical 'blip' grounded me for a period of time.

This probably reflects a problem faced in appointing a Grand Chaplain. If a man in active parish ministry is selected, his parish obligations demand most of his time. If a retired man is selected, health may sometimes become an issue.

Despite physical limitations, I have been able to travel widely. My wife and I have been impressed by the warm Masonic hospitality which has been extended to us across the province. While, at this date, I am unsure of the actual number of events I will be attending during my year in office, I expect them to include five Divine Services, seven amalgamations, one laying of a cornerstone, four dedications of new lodges, about 30 banquets and three Installations. I have also been privileged to be able to attend the presentation ceremonies of several William Mercer Wilson Medals and some other Masonic pins.

May the Most High bless and continue to prosper all that we do. As we each continue to grow in Masonic knowledge, my hope is that our individual lights may so shine within our respective communities that those with whom we come into contact will be moved to point an accusing finger in our direction and say, "Now, **there** is a Peculiar Person!"

Respectfully and fraternally submitted.

REV. PETER D. TINK, Grand Chaplain

REPORT OF THE LONG RANGE PLANNING COMMITTEE

This Report was presented by R.W. Bro. P. E. Todd, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Todd, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The following is the report of the Long Range Planning Team and it is given on behalf of its hard working members: R.W. Bro. Alfred (Alf) B. Messenger Vice-Chairman, R.W. Bros. Rudolph (Rudy) Mulack, David Salter, Robert Bouchard, Ronald Campbell, Peter Mouropoulos, William C. Sweet, William Jones, George McCowan, Robert Taylor.

The Constitution of our Grand Lodge outlines the duties of the Long Range Planning committee which are, to identify, study and assess any matters which may affect the future of Freemasonry, to prepare and present a Five-Year Plan and to make recommendations for the long term benefit of the Craft. Once again this year your Long Range Planning Committee has accepted and met these challenges.

Four objectives were approved for the Long Range Planning Committee this year and the following is the report for each objective:

The first objective of the committee was the distribution and education of our districts and lodges regarding the content and design of the Grand Lodge Strategic Plan along with the recommendation to districts and lodges to use the Strategic Plan as a template for their plan. Each committee member was assigned districts of responsibility and they then communicated with those districts via the District Deputy Grand Master to inform them they were the liaison for the Long Range Planning Committee.

In the communication they requested the name of the District Long Range Planning Chairman and upon receipt of the District Chairman's name they send them a electronic package which contained the Strategic Plan of our Grand Lodge 2005–2010 for their perusal and distribution to the lodges, it also contained the document "Welcome to the Future" which is a "how to manual" based on the Power Point presentation of the same name, which gives a step by step description of how to design a strategic plan for a district or a lodge.

Finally, each District Deputy Grand Master of the several districts were advised that the Long Range Planning Committee would be pleased to hold a Saturday morning workshop, seminar, or speak at a lodge meeting on the advantages of preparing a strategic plan for their district and or lodge of their district. Your committee is pleased to report that several districts accepted the committee's offer and workshops were held in Waterloo, Prince Edward and Toronto Districts with good participation from the brethren of those districts.

Recommendation: That each of the several districts of our Grand Jurisdiction place a higher value on the benefits of Long Range Planning, particularly the establishment of a strategic plan for each of the several districts and encouragement to the several lodges in their district about the advantages of a strategic plan for each lodge by accepting the offer of the Long Range Planning Committee to hold Saturday morning workshops or extend invitations to the Long Range Planning Committee member to speak at a lodge meeting.

The second objective of the committee was the establishment of the measurement component of the Grand Lodge Strategic Plan often referred to as the WINS chart which is similar to the measuring component of a District or Lodge Plan which use the Masonic Score Sheet.

Similar to a district or lodge, each year the Grand Lodge Committee Chairman set initiatives to improve the Key Focus Areas of the Strategic Plan of Grand Lodge. Each chairman's objectives must fall into one of the four Key Focus areas which are Fraternal

Environment, Membership Programs, Communication, and Operational Effectiveness. Once the objectives are approved by the Deputy Grand Master who is the President of the Board of General Purposes, they are tracked three times during the year, thereby giving the Board President a visual of how the work is proceeding at the Grand Lodge committee level. The WINS chart use a simple formula: Red beside the objective means the work has just begun, yellow means work is being done on the objective and green indicates that the task on that particular objective has been completed.

Districts and Lodge Strategic Plans must have a measuring component to mark success and revisited objectives which need more work. Your Long Range Planning Committee recommends the Masonic Score Sheet as a valuable tool to measure the success of a district or lodge.

The Grand Lodge WINS chart is available on the Grand Lodge Website, by following the instructions.

Recommendation: That the WINS chart of the Grand Lodge committee be given a higher visibility and easier access for two apparent reasons, first so that all brethren in general, and district chairman in particular, can see what objectives their similar Grand Lodge committees are working on and, second to see the advantage and the necessity of having a measuring component of a district or lodge strategic plan.

The third objective of the committee is outlined in the mandate of the Constitution of Grand Lodge that is to produce a Five-Year Strategic Plan. The Strategic Plan is a continuous rolling plan which is reviewed every two years for relevancy.

This being the second year of the current Five-Year Plan, the Grand Master M.W. Bro. Gary L. Atkinson along with R.W. Bro. Terry McLean and R.W. Bro. Paul E. Todd organized a one day "Think Tank" with the title "Building a Brighter Tomorrow," in Hamilton for the purpose of reviewing the Strategic Plan for relevancy and also to identify, study and assess matters which may affect the future of Freemasonry in our Grand Jurisdiction.

Invitations were extended to all Honorary, Elected and Appointed members of the Board of General Purposes along with the editor the Ontario Mason. Not only was the Strategic Plan studied and updated two thought provoking presentations were made: the first being "Restoring the Centre" presented by R.W. Bro. Terry McLean, and the second, "The Success of Marketing" by R.W. Bro. D. Garry Dowling.

The scenarios which were discussed at the Think Tank were aptly named the Grand Masters "Hot Picks" and they covered nine areas of concern which might affect the future of our Grand Jurisdiction.

There was much discussion and recommendations were made on the following concerns: Public Awareness of our Fraternity, Development of Feedback from Masonic Lodges, Districts and Grand Lodge, Support of the Masonic Foundation, Need for a Charity of Choice, Biggest challenge to Freemasonry, Problems facing Lodges with Aging Membership, What programs of Grand Lodge are working, Membership, Demolay, Job's Daughters, Rainbow Girls – our role with them.

An extensive report on the work of the day was prepared by the Chairman of Long Range Planning and was presented to the Grand Master, Deputy Grand Master, Grand Secretary and the Management Committee for their perusal. The Chairman of Long Range Planning also prepared a report titled, "Recommendation & Considerations," which contained some twenty recommendations for consideration by the Grand Master, Deputy Grand Master and the Management Committee.

Recommendation re Think Tank : That the practice of holding a Think Tank Conference every two years with all Honorary, Elected, and Appointed Members invited be continued for the purpose of evaluating the Strategic Plan for relevancy and the study and assessing matters of concern to Freemasonry in Ontario be continued and that funding be put in place to return to the two-day format due to the work load that has become the standard for a Grand Lodge Think Tank.

The fourth objective for the Committee of Long Range Planning was to follow up on concerns that the Condition of Masonry Committee were able to extrapolate from last year's District Deputy Grand Master reports as it related to the lack of Long Range Planning or in the opinion of the District Deputy Grand Master that a lodge could benefit from Long Range Planning.

The committee member whose Districts of Responsibility had lodges identified in the D.D.G.M. reports contacted their districts about the report from the Condition of Masonry. This follow up by the members of the Long Range Planning Committee produced invitations from three districts to conduct workshops in their district and as mention earlier in this report the workshops were conducted in the spring of 2007.

The negative response from some lodges was the disbelief that their lodge had been mentioned in the District Deputy Grand Master report or the problem had been identified some time ago and a plan had been put in place.

Recommendation: That there be a continuing co-ordination between the committees on the Condition of Masonry and Long Range Planning so that lodges and districts with Long Range Planning concerns might be identified and assistance offered by this committee. A further recommendation would be that District Deputy Grand Master reports be computerized, so that the concerns suggested by the D.D.G.M. would be available the next day to the several chairman of Grand Lodge.

The pamphlet mentioned in last year's report of the Long Range Planning Committee to Grand Lodge, "Freemasonry Is it for Me" has after careful examination been approved for distribution. It is in an easy download format on the Grand Lodge Website <http://www.grandlodge.on.ca> first page. The pamphlet was authored by R.W. Bro. Ronald Campbell a member of this committee who after writing six discussion papers last year on a variety of subjects believed there was a need for what in the business world could be called a "cold sale," that is to say, we have pamphlets designed for the man who has shown an interest in Masonry, but the committee felt that a pamphlet was needed to hand out at public relations events etc. where a man may not have expressed an interest in Freemasonry.

Recommendation: That printing of the pamphlet "Freemasonry Is it for Me" be fully funded, so that districts and lodges would have sufficient copies to hand out at different functions which from time to time they are involved in at the community level.

The Power Point program with the catchy title taken from a Clint Eastwood western "Amalgamations, The Good, The Bad and The Ugly" has been received well by the several districts and lodges which have invited the Long Range Planning Committee to put on a Amalgamation Workshop. The program is a grass roots look at the sections of the Constitution Sections 158 to 164 which describes the process of beginning, negotiating and the conclusion either positive or negative of the amalgamation process.

Recommendation: That the several districts of our Grand Jurisdiction be encouraged to take advantage of this workshop even if no amalgamations are presently planned and that all Joint Committee of Amalgamation Chairmen meet once a year to update the program with the information they have been able to extract from their deliberations as Chairman.

The Chairman along with several other Grand Lodge Chairmen participated in the mid-term meetings of this year's District Deputy Grand Master's term, and once again the format of breakout session proved very interesting.

In closing, it is with great sadness that I must report the Long Range Planning Committee has lost this year one of its "Sparkplug" members in the person of R.W. Bro. David Salter who passed to the Grand Lodge above.

R.W. Bro. Salter's contributions to Masonry in general, and this committee in particular, will be missed. His ideas and his love of the concept of Long Range Planning are legendary to those of us who were privileged to work with him at the committee level.

All this respectfully submitted on behalf of the Long Range Planning Committee.

PAUL E. TODD, Chairman.

REPORT OF THE COMMITTEE ON BENEVOLENCE

This Report was presented by R.W. Bro. J. David Bell, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Bell, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Benevolence Committee is pleased to report that during the year ending April 30, 2007, there was disbursed in the name of benevolence, 24 grants from the Memorial Fund, totaling \$62,500.00. In addition, \$12,000.00 was paid for services provided by our Grand Lodge staff and \$8,633.00 was paid to the investment firm of Scotia Cassels Investment Counsel Limited for investment Management fees. Total expenditures were \$86,063.00. Income on investments was \$96,223.00. Donations totaling \$300.00 were received resulting in a surplus of \$10,460.00.

At the Committee's Annual meeting April 13, 2007, held at the Grand Lodge office building, your committee reviewed 12 applications. Twelve applications that came in earlier in the year had been previously reviewed at the time of receipt.

With the help of Grand Lodge staff the revised booklet "Guide to Masonic Benevolence" was reprinted at a cost of \$2,930.00 and forwarded to the District Benevolent Chairmen for distribution to the district lodges. District Benevolent Chairmen have been provided with information on how bequeaths can be made to the Memorial Fund.

I would like to thank the District Chairmen of Benevolence that have taken an active role in the advancement of benevolence in their respective districts. I can not help, but to reiterate my comment of last year's report, we must keep it paramount in our mind that – ***We are our brother's keeper.***

In conclusion, let me express the committee's appreciation for the assistance of our Grand Secretary and Mrs. Stacey Birks, for their continued support.

Respectfully submitted on behalf of the committee: R.W. Bros. T. R. Davies, R. C. James, P. J. Mullen, L. W. Hammell, R. E. Kerr, J. A. R. Keith, J. W. Trousdale, K. L. Whiting, J. D. Kingston, V.W. Bros. W. A. Atkinson Sr., D. K. Bromley, R. Hilderley.

**REPORT OF THE COMMITTEE ON
AUDIT AND FINANCE**

This Report was presented by R.W. Bro. T. E. Lewis, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Lewis, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The duties and responsibilities of the Committee on Audit and Finance of Grand Lodge are set forth in the Book of Constitution Section 136 (a) and the committee now reports to Grand Lodge on the discharge of these several duties and responsibilities.

GENERAL COMMENTS

On behalf of the Audit and Finance Committee of Grand Lodge, I am pleased to report that Grand Lodge experienced a successful and much improved fiscal 2006–2007. The increased per capita assessment levy is beginning to work its way into the system, which is beginning to alleviate the financial pressure that we were encountering in prior years. Expenses were well managed and well within the budget set last year. The overall result is that Grand Lodge for fiscal 2006–2007 enjoyed a consolidated excess of revenue over expenses of \$136,748.00.

As indicated in last year's report and subsequently approved by Grand Lodge, \$35,000.00 of the funds remaining from the 150th Anniversary Celebrations have been invested with Scotia Cassels Investment Counsel Limited. These funds together with the investment income earned thereon over the next twenty-five years will be used to provide funds to finance the 175th Anniversary Celebrations.

The Programme Fund continues to be under review for alternate methods of raising income. The committee understands that the calendar program will continue for 2008. In addition, under the auspice of the Programme Fund, it is proposed to re-introduce the Label Programme, which hopefully will provide much needed donations to the Programme Fund.

The Office of the Grand Secretary and in particular the Audit and Finance Committee has been approached on various occasions by lodges and brethren to inquire as to whether Grand Lodge could assist the constituent Lodges and Temple Corporations with respect to obtaining suitable insurance coverage at reasonable or group type rates. This issue is becoming more and more critical due to legal and liability concerns and increasingly high insurance premiums, which can adversely affect Lodges and Temple Corporations.

Accordingly, the Audit and Finance Committee is undertaking a project to ascertain what if anything can be done to assist the Lodges and Temple Corporations in this regard. The committee will report back to Grand Lodge.

The committee congratulates the Deputy Grand Master on his decision to introduce a

“Youth Initiatives Programme,” again under the umbrella of the Programme Fund for fiscal 2007–2008. This initiative will be to not only provide financial assistance, but will provide manpower assistance to many organizations for our young people including DeMolay, Rainbow Girls, and Job’s Daughters. This initiative will also include a program of child identification for children throughout the province of Ontario.

As indicated in the audited financial statements, the Programme Fund balance at April 30, 2007 amounted to \$184,846.00. Accordingly, we submit for your consideration a budget for these funds for fiscal 2008 calling for expenses of \$166,790.00. Again, the support of the membership for this valuable Programme Fund is earnestly solicited to assist in carrying out the work of Grand Lodge to benefit the constituent Lodges and Districts.

ACTIVITIES

Again, the Committee on Audit and Finance continues to review the monthly financial statements as prepared by the Grand Lodge office and compares the results of operations and financial position of Grand Lodge to budget. The results of operations and financial position compared favorably to the budget adopted last year for fiscal 2007 for the General Fund. As indicated in the audited financial statements, the statement of operations for the General Fund resulted in an excess of revenue over expenses of \$70,346.00 for fiscal 2007 as compared to an excess of revenue over expenses of \$ 52,047.00 for fiscal 2006.

The committee has once again reviewed and considered the Annual Reports of the Grand Secretary, Grand Treasurer and the Auditors’ included in these annual proceedings. These reports were found to be most informative and complete in all material respects. Accordingly, the committee recommends the adoption of these reports.

INVESTMENT PORTFOLIO

The Committee on Audit and Finance continues to meet throughout the year with representatives of Scotia Cassels Investment Counsel Limited to review the Grand Lodge investment portfolio and compare revenue to budget.

The Grand Treasurer, in his report reviewed the status of the Grand Lodge Investment Portfolio. The overall Investment Portfolio of Grand Lodge as at April 30, 2007, has a market value of \$ 4,333,272.00 compared to \$ 4,210,326.00 at April 30, 2006.

The committee continues to support the mandate of 70% of our portfolio be invested in fixed income securities and 30% invested in blue chip equity securities. Given our improved financial position, Grand Lodge has drawn less funds from our investment portfolio during the last year to meet ongoing expenses.

We are pleased with the satisfactory performance of the investment portfolio and accordingly, we would recommend that Scotia Cassels Investment Counsel Limited continue to be engaged as the Grand Lodge portfolio managers and that the Investment Plan remain the same in that our investment asset mix stay at 70% debt securities and 30% equity investments.

FINANCIAL STATEMENTS

The audited financial statements for Grand lodge for the year ended April 30, 2007, were reviewed and discussed in detail with our auditors, Grant Thornton, L.L.P., Chartered Accountants at a recent meeting of the Audit and Finance Committee. These audited financial statements can be found elsewhere in Annual Proceedings. For the year ended April 30, 2007, your Grand Lodge experienced a consolidated excess of revenue over expenses in the amount of \$136,748.00 for fiscal 2007 compared to a consolidated excess of expenses

over revenue of \$39,604.00 for fiscal 2006.

Again, included in the expenses for fiscal 2006 were extraordinary expenses related to the 150th Anniversary celebrations in the amount of \$ 98,880.00. Adjusting for the foregoing, we in fact incurred a consolidated excess of revenue over expenses of \$59,276.00 for fiscal 2006.

This significant improvement is a direct result of the fact that the increased per capita assessments and other fee increases to Grand Lodge are starting to be enjoyed. Having said that, I would advise that although we can anticipate increased revenues in the future as a result of the increased per capita assessments, we have and will continue to take a conservative approach to budgeting expenses not only for fiscal 2008, but for future years. It is hoped that Grand Lodge will continue to enjoy surpluses into the future, which will help to offset the deficits incurred in the past.

We again congratulate the Grand Treasurer, the Grand Secretary, the Grand Master, the Chairman of the Management Committee and the members of the various Grand Lodge committees for the efficient manner in which they have managed the financial resources of our Grand Lodge.

Accordingly, the committee recommends that the audited financial statements for the year ended April 30, 2007, be adopted as submitted. We also continue to recommend the engagement of Grant Thornton, L.L.P., Chartered Accountants as our auditors.

A special thanks to our auditors, Grant Thornton, L. L. P., Chartered Accountants and in particular, Mr. Evan McDade, C. A. and their staff, for their overall assistance and interest during the year.

BUDGET 2007-2008

The Audit and Finance Committee received from the Management Committee the budgetary requirements of all the Grand Lodge committees for the ensuing year, which were carefully considered in preparing the annual budget for the Grand Lodge for the year ended April 30, 2008. These amounts aggregated \$23,295.00 together with allocations made from the Programme Fund.

The budget for the General Fund for the ensuing year is set out in the appendix to this report, which reflects anticipated revenue of \$771,250.00 and expenses of \$683,145.00 resulting in a projected excess of revenue over expenses of \$88,105.00.

As in prior years, a budget for the Special Programme Fund has been prepared, which is set out in the appendix attached to this report and reflects budgeted expenditures as mentioned of \$ 166,790.00.

The Operational and Special Programme budgets were prepared on a line by line examination based on the actual results of the previous year and giving consideration to the needs of Grand Lodge to facilitate desirable and meaningful programmes.

In accordance with Section 134 (c) of the Book of Constitution, your committee submits for consideration and approval, as set out below, an estimate of the revenues and expenses as they relate to the General Fund for the year ended April 30, 2008. Your committee believes that the budget set out in this report is realistic and provides for items which can reasonably be foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the current fiscal year.

CHARITABLE DONATIONS

The Committee on Audit and Finance has also reviewed the donations made by the Grand

Master on behalf of Grand Lodge. The donations aggregated \$866.38 and were made to the Masonic Information Centre. As such, we recommend the approval of the same.

GENERAL

In conclusion, as Chairman of the Audit and Finance Committee, I particularly wish to express my thanks and appreciation to the Grand Treasurer, R.W. Bro. T. R. Davies for all his efforts and work in connection with Masonry in general and the financial affairs of this Grand Lodge in particular.

I also wish to express my appreciation to the members of the committee for their interest and involvement in the management of the financial affairs of this Grand Lodge, in the persons of M.W. Bro. G. L. Atkinson, R.W. Bros. A. J. Petrisor, T. R. Davies, J. Sutherland, S. Cohen, R. Tucker, E. Standish, N. McCarthy and P. McGrenere.

And a very special thanks to the Grand Secretary and the Grand Lodge staff for their assistance and guidance during and throughout the year.

Respectfully and fraternally submitted on behalf of the committee.

THOMAS E. LEWIS, Chairman

REPORT OF THE COMMITTEE ON THE ONTARIO MASON MAGAZINE

This Report was presented by R.W. Bro. R. R. Beckett, Editor, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Beckett, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

During the past year, the Ontario Mason Magazine Committee has had the privilege of producing one "Hard Copy" and one E-zine edition of the magazine.

The hard copy was published and distributed to the brethren of our fraternity utilizing the new membership data base developed by R.W. Bro. Brian Bond. This data base increased the mailing proficiency considerably, but the editor still received numerous requests for the said magazine from brethren not receiving it. It would seem that some lodge secretaries might not be forwarding members change of addresses to the Grand Secretary thus debilitating our ability to keep our records up to date.

When producing the December edition, we tried to take into account those suggestions and comments forwarded to our committee, by several members with a view to improving the publication. Judging from the very positive responses we have received regarding the current issue it would seem we are moving towards that goal of producing the very best magazine we possibly can.

We still have some concerns regarding the lack of material from several districts within our jurisdiction. Each District Deputy Grand Master was contacted with a view to establishing a magazine contact within their districts and this has started to show benefits. We targeted several specific areas with a view to increasing their input to the magazine and in general the response was positive. We continue to encourage all districts to participate in submitting material for publication.

The E-zine edition was particularly well received, not only by our own brethren, but from visitors from around the world. Although the number of "hits" per day was considerable, we were not able to determine what and how much of the material they perused. In August, the editor decided to remove the present edition from the site in order to re-format it even though we were still receiving 1400 "hits" per day.

At this juncture, discussions began with members of our Grand Lodge as to the best location for this Web site. We had two excellent sites available to us, but each seemed to have some minor drawbacks. At this moment in time we are assessing the viability and cost factors of the two sites available to the committee and further discussions will be necessary to resolve these issues.

I would like to commend the following committee members for their dedication, patience and perseverance in working with me in the compilation of the magazine: R.W. Bros. P. Farrell, J. Chamberlain, E. McGauley, W. Bros. R. McBride, S. W. Pickard, R. Price and D. Surovy. Their input and support was everything a chairman could possibly ask for.

I would also be remiss if I did not recognize the tremendous support offered by the Grand Master, the Deputy Grand Master and the Grand Secretary and his staff. Without their support, advice and encouragement our task would have been that much more difficult.

Respectfully submitted.

ROBERT R.BECKETT, Chairman

REPORT OF THE BROTHER TO BROTHER COMMITTEE

This Report was presented by R.W. Bro. D. A. Hawman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hawman, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

VISION STATEMENT: To increase lodge membership and meeting attendance during the next five years and beyond.

MISSION STATEMENT: To enhance the "Masonic Experience" by providing all brethren with effective tools to *RETAIN, REVITALIZE and RENEW* the membership and attendance of their lodge.

This jurisdiction is not alone in trying to find a solution to the problem of decreased membership. In the Report of the Committee on Fraternal Correspondence by Chairman R.W. Bro. G. Wayne Nelson and summarized and written by R.W. Bro. Frederic R. Branscombe for the 2005–2006 year, the Grand Lodge of Nova Scotia stated at their 140th Annual Communication the following: "In its report, the Committee on the Condition of the Order warned Grand Lodge that a programme to induce former members to return is not in itself an adequate response to the problem of declining membership. The reasons for members leaving must be examined and steps taken to correct the situation. In the committee's opinion, "A dull and boring meeting is surely one contributor to the apathy of the membership in many lodges, but it is not the only impediment we face. Negative interpersonal relationships both in lodge and outside lodge is another contributing factor. For any healthy and successful association to endure, members must have an equal opportunity to participate and be given the feeling that they are contributing to the overall benefit of Masonry."

The Brother-to-Brother project was first presented to the brethren of the jurisdiction in September 1998 and although originally quite successful, has lost some of its luster in the recent past. After reviewing several past committee reports we can assure all that this is not due to a lack of effort by previous B-2-B committees. This is a very useful program that can assist lodges to maintain and improve their membership concerns by giving advice and examples of solutions to their similar situations. Of course the program is **Lodge-driven** and therefore the lodge and its members must participate in the solutions.

The mandate of the committee this Masonic year was to review the project in its entirety and to make recommendations for its rejuvenation among the brethren of this jurisdiction. In this regard, this committee has met on several occasions to discuss and implement our ideas after these ideas were approved by the Grand Master and the Deputy Grand Master.

Each D.D.G.M. in the jurisdiction, at the beginning of his term, received a letter from the B-2-B chairman congratulating him on his election and encouraging him to appoint a B-2-B chairman for his district. After the D.D.G.M. responded with the name of the B-2-B chairman for his district, this committee forwarded to him a letter, with the permission of the D.D.G.M., outlining his suggested duties and responsibilities. It would be a good idea for the district chairman to continue in that capacity for a number of years to provide

the continuity that this program requires.

Each D.D.G.M. has received from this committee, a reporting form which will outline to the committee what has occurred in each district regarding B-2-B this Masonic year. We asked that these be returned to the committee by the end of May. We have also contacted all known possible D.D.G.M.s for the 2007–2008 Masonic year suggesting the same Brother-to-Brother requests.

The committee believes the brethren are now in tune with free and open discussion with committee presentations and we have presented the contents of the comprehensive resource manual, currently named the Tool Kit, in this manner. Thus, the brethren participate by speaking about their lodge's perceived successes and problems. With the aid of the Tool Kit, the committee can then discuss solutions to the concerns of the lodge members. We have now created an interesting, effective and flexible format for presentation at the district or lodge level. Each member of the committee knows the program and is able to present it.

The committee has developed and printed at no cost to Grand Lodge some 1000 copies of both a B-2-B brochure and a bookmark as a handout and program reminder. We have been distributing these at our presentations. Our recommendation is that the committee continues to distribute these items and that Grand Lodge do a reprint of each item when the supply is sufficiently reduced.

The *Facilifacts* has been resurrected! A new style of *Facilifacts* has been developed. Nine issues will have been produced by the time of this Grand Lodge Communication. It is now being used as an educational and communication tool. We are committed, by this publication, to encouraging the lodges to try new things and to give us a report so we can share it with everyone. It is distributed electronically by the committee directly to more than 400 Masons in the jurisdiction, including all D.D.G.M.s and many lodge secretaries. The D.D.G.M.s, district chairmen, lodge chairmen and lodge secretaries then redirect the *Facilifacts* to their own mailing lists. We estimate that upwards of 5000 brethren in the jurisdiction now receive this publication. There was no cost to Grand Lodge for the production and distribution of same. We recommend that this publication be continued.

A new Power Point presentation has been developed and inserted on the Grand Lodge Web site. This Web page required a smaller amount of space than the previous issue and we thank the Web master, R.W. Bro. James Kirk-White for his advice and patience. We have made this presentation available on compact disc for those without the capability to download it. We recommend that this presentation be revised as the committee obtains more experience.

The committee printed 145 complete Tool Kits and distributed approximately 110 this Masonic year. There was no cost to Grand Lodge for this.

The Tool Kit of the B-2-B committee needs some revisions. It has been updated on the Grand Lodge Web site by the previous year's B-2-B committee. We suggest that a section be added addressing Lodge Amalgamations to the Long Range Planning section and a section added regarding Life Membership Funds by the Advisory Committee on Lodge Finances. The Tool Kit is in need of being "proof-read" and having corrections made to the spelling and punctuation. There are also some items referred to that don't seem to exist. We recommend that these items be addressed as soon as it is practical. We would like to continue to increase the awareness of this Grand Lodge program in the 2007–2008 Masonic year and recommend that Grand Lodge print another 100 Tool Kits

for distribution by the committee after these items have been accomplished.

The current committee has many of the brethren of the jurisdiction to thank. First, thank you to the lodges and D.D.G.M.s that invited us to speak. Without you and the brethren of your lodges and districts all our work would have been in vain.

Second, our thanks goes to R.W. Bro David Dainard of the Friend to Friend/Mentor Committee and to R.W. Bro. Charles Reid of the Officer Progression Committee. Both of these brethren, at the beginning of this Masonic year, unhesitatingly invited this committee to accompany them to many of the Grand Lodge Overview sessions that they had already confirmed. This gave our committee a place to start and helped us immensely.

Third, many thanks go to the brethren of previous Brother-to-Brother committees for laying the ground-work for this wonderful program.

Fourth, without the encouragement, advice and support of the Grand Master and the Deputy Grand Master, this committee, composed mostly of new members to the committee, would not have been able to accomplish what it has.

We suggest that this committee continue to promote the three guiding principles of the Brother-to-Brother program, **Retain, Revitalize and Renew**, while at the same time promoting the new focus of **Enhancing the Masonic Experience**.

This committee believes that it has met its mandate. The reason for this accomplishment is because the following brethren of the committee have given equally to the success of this program during this Masonic year and this report is given on their behalf: R.W. Bros. Allen Hackett, Robert Haley, David Inglis, David Snedden, and Robert Schroeder; V.W. Bros. Matthew (Sonny) Clark, Gordon Crutcher, and Iain Wates and Bro. Ian LaFleur.

All of which is respectfully submitted.

REPORT OF THE D.D.G.M. ORIENTATION COMMITTEE

This Report was presented by R.W. Bro. G. H. Hazlitt, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hazlitt, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

"The rung of a ladder was never meant to rest upon, but only to hold a man's foot long enough to enable him to put the other foot somewhat higher."

In this light, the fall Orientation Sessions for prospective D.D.G.M.s serve as an additional stage in the process of furthering knowledge and refining skills as a brother prepares to embark on his year of administration within his district. In the months following the program, Aspirants to Office can seriously begin to formulate their goals and plan the year ahead.

Notwithstanding repetition, the steps leading to the Office of D.D.G.M. as outlined in the report of 2006 are very clear. They are three-fold and begin at least three years (4/5 is best) prior to assuming office:

1. That he is very clear in his own mind that the position is right for him and

indeed, right for his family. At this point, the interested Brother should have read and digested the contents of the recently prepared booklet entitled, "Information for Prospective D.D.G.M.s."

2. That successful completion of the D.D.G.M.s Correspondence Course is an integral part of his preparations prior to the Orientation Program.
3. That he take the three hour Orientation Program in the fall preceding his election to office. Please note that the Correspondence Course should precede the Orientation Program.

In the fall of 2006, Orientation Sessions were convened in Sturgeon Falls, Oshawa, Hamilton, Mount Forest, Toledo, Toronto, and Ridgeway. These sessions were most positive for all involved. As a committee, we felt a sense of accomplishment in having been able to move the program forward.

The success of the program depends upon early action by the D.D.G.M.s as they provide those brethren interested in aspiring to the office with a copy of the booklet "Information for Prospective D.D.G.M.s." Further, their timely response with the names of potential candidates is much appreciated allowing for the preparation process to begin.

Of course, a successful program depends upon interested, enthusiastic participants. Each of the 65 aspirants who attended one of the sessions is to be commended for his desire for personal growth, in particular, and for his dedication to the Craft in general. All of this makes it truly rewarding for the committee as we become part of the growing and learning process.

Each aspirant to office and others participating are asked to critique the program, the presentation, and the evening overall. Their positive and forthright comments are much appreciated and allow this committee to grow and maintain a current program for all concerned. To this end, the following courses of action, have been adopted, and put in place:

- The Toledo Orientation Session was convened on a Saturday morning with success. It is expected that this will be the continuing trend in future, at least for the Eastern Districts.
- A program for the District Secretary has been developed to be presented in conjunction with the Orientation Session for Prospective D.D.G.M.s. This program is in the hands of the Management Committee for consideration and following approval we will look forward to implementation in the fall of 2007.

It is with regret that R.W. Bro. Richard Bennett has expressed his desire to retire from committee duties. He has contributed a wealth of knowledge and experience to the presentation and advancement of the program. It has been my sincere pleasure to share duties with Richard and on behalf of the committee, I wish all the joys of life for him and his family.

Also, it has been my privilege to have had the opportunity to work with such a dedicated and experienced committee in the persons of: R.W. Bros. Richard Bennett, Cliff Farber, Tom Keith, David Mahon, and David Snedden (Secretary). Each has been most accommodating with his time, experience, and ideas as we strived to improve the program and its presentation. Again, we thank the staff at the Grand Lodge Office for providing the requested books and computer technology for our sessions.

All of which is respectfully submitted.

GREG. H. HAZLITT, Chairman

REPORT OF THE FRIEND TO FRIEND/MENTOR COMMITTEE

This Report was presented by R.W. Bro. D. R. Dainard, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Dainard, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the following report on the activities of the *Friend to Friend and Mentor Committee* as well as the program recommendations for 2007.

The committee, again this year, adopted the policy of program review, refinement, implementation and distribution, as well as, discussions on a strategy for presentations to the membership of the constituent lodges and their districts throughout this Grand Jurisdiction.

The committee recommends that a continuation of an active posture of promoting the programs be endorsed and implemented with a view to pursue and arrange independent and co-operative presentations. To this end, a letter was sent to the District Deputy Grand Masters of the jurisdiction spelling out in the clearest possible terms the availability and readiness of this committee to assist the districts of this Grand Jurisdiction with the presentation and implementation of the *Friend to Friend and Mentor* programs.

The committee compiled a CD, and I am thankful to the Deputy Grand Master, R.W. Bro. Allan Petrisor for distributing the disk and a letter encompassing the following information to the District Deputy Grand Masters at their Mid-Term Meeting in Scarborough on January 13, 2007, and the committee recommended that the material be copied and distributed to the constituent lodges of the respective districts of this Grand Lodge:

Guidelines for the D.D.G.M. for the *Friend to Friend and Mentor Programmes*
 Guidelines for the District Chairmen of the *Friend to Friend and Mentor Programmes*
 Guidelines for the Regional Chairman (for the Programmes)
 Guidelines for the Lodge Chairman *Friend to Friend and Mentor Programmes*
 Lodge *Friend to Friend* Programme Reporting Form
 Lodge *Mentor* Programme Reporting Form
 District Chairman *Mentor* Reporting Form
 District Chairman *Friend to Friend* Reporting Form
 Memory Jogger
Friend to Friend and *Mentor* PowerPoint Presentations

Also on the disk are the *Mentor* and *Friend to Friend* Power Point Presentations for use by the lodges and Districts.

The Friend to Friend and Mentor Programme Committee recommends that the implementation of a '**Reportable Record,**' of the activities of these programmes is essential for the continued health and growth of each lodge within the districts of this Grand Jurisdiction. In addition, the information contained in the Reporting Form/Tracking Sheets will assist this committee in the evaluation and improvement for the future growth and use of the programme(s).

The committee recommends that the program usage be promoted by the Officers of Grand Lodge and the members of the Board of General Purposes.

The committee further recommends that the Reporting/Tracking forms form an intergal part of the Annual Reporting package of the District Deputy Grand Masters each year.

The program elements, reporting and tracking forms as well the Guidelines for their implementation are also available on the Grand Lodge Web site.

The Overview Sessions held this year by the host and participating districts to date stand alone and combined are as follows:

Waterloo District – Lodge Resources Session – September 30, 2006
 Toronto Humber Valley – Georgina Lodge – Friend to Friend – November 11, 2006
 Ontario District – Friend to Friend Event – November 25, 2006
 Toronto East District – Coronati Lodge – Friend to Friend Event – December 14, 2006
 Victoria District – Lindsay – Lodge Resource Session – January 20, 2007
 Toronto Humber Valley District – Lodge Resource Resources Session – March 3, 2007
 Prince Edward District – Frankford – Lodge Resources Session including Long Range Planning – April 7, 2007
 Temiskaming District – Tuesday, April 24, 2007 at the Kirkland Lake Masonic Hall
 Sudbury-Manitoulin District – Wednesday, April 25, 2007 at the Sudbury Masonic Hall
 Nipissing East District – Thursday, April 26, 2007 at the North Bay Masonic Hall
 Muskoka-Parry Sound District – Friday, April 27, 2007 at the Huntsville Masonic Hall
 Ontario District – Mentor Session – Oshawa – May 3, 2007
 Algoma District – Saturday, May 26, 2007 at the Thunder Bay Masonic Hall

The committee has formed two ad hoc committees to review the presentation elements of both programs and make recommendations back to the full committee once their review is complete.

The DVD has been edited to include a more accurate accounting of the total number of masons and lodges in this Grand Jurisdiction, and the Ideals of a Freemason have been added, and the material has been approved by the Custodian of the Work, M.W. Bro. C. Edwin Drew.

An order for one hundred (100) of both the DVD – *Freemasonry in Ontario* and the CD – *What is Freemasonry?* has been given to V.W. Bro. Ric Simpson for production. The Chairman is pleased to note that the Grand Master, M.W. Bro. Gary Atkinson, as well the Deputy Grand Master, R.W. Bro. Allan Petrisor, have extend to V.W. Bro. Harvey Hackland their appreciation, for his efforts in providing the expertise in the editing and master disk production of the DVD to which I also add my thanks and that of the committee.

The current DVD, although acceptable for distribution and sale at the present time, reflects the scripting and material that is now twelve years old and needs to be redone and as such, I have requested that R.W. Bro. John McKaig explore the production costing and elements necessary to complete a new edition of the DVD for presentation to the Management Committee and the Board of General Purposes for approval.

I am indebted to the District Deputy Grand Masters of the Grand Jurisdiction for their unqualified support and understanding for the continuance of these vital programs and their recognition of the necessity to complete and return the reporting forms as a

measurement tool of program usage to this committee.

Those lodges which report Friend to Friend Programme implementation throughout the jurisdiction have seen an increase in lodge membership, as well as, the enhancement of knowledge and awareness of Masonry in the communities in which those lodges are resident and I congratulate them.

I would be remiss if I did not recognize the Grand Secretary, M.W. Bro. Terry Shand and the staff of Grand Lodge office for their continued support and assistance to this committee for which I, as Chairman, am grateful. Also, a special thank you to R.W. Bros. Charles Reid, Chairman of the Officer Progression Committee, Dennis Hawman, Chairman of the Brother to Brother Program, Paul Todd, Chairman of Long Range Planning, and the members of their respective committees for their unstinting support and co-operation this year in providing a co-operative blend of program presentations at the Lodge Resources Sessions.

It has been an honour and my great pleasure to serve as chairman of the *Friend to Friend and Mentor Committee* and I am truly thankful, for having such a dedicated and devoted team in the persons of R.W. Bro. John Hay, Vice-Chair, R.W. Bros. William Reisch, Will Holden, Mike Kingsley, Wah Chung, John McKaig, Dirk Scheeringa, Kim McGeagh, David B. Wilde, Herb Visser, and V.W. Bros. Robert Lindsay, Ric Simpson, Steve McCarthy and W. Bro. Robert Ough who contributed so much of their valuable time and talents to the efforts of the committee this year.

It is imperative that the use of these Programme(s) be communicated at every level of Grand Lodge, and on every opportunity and occasion throughout the Districts of the Grand Jurisdiction, now and in the future.

All of which is respectfully submitted on behalf of the Friend to Friend and Mentor Committee.

DAVID R. DAINARD, Chairman

REPORT OF THE OFFICER PROGRESSION COMMITTEE

This Report was presented by R.W. Bro. C. H. M. Reid, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Reid, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The officer Progression Programme is directed to all line Officers. The aim of the programme has not changed – to enable an Officer to plan and prepare his journey to the chair of Worshipful Master and the responsibility of that high office. To accomplish this aim, the programme is made up of three subject papers: Leadership, Protocol & Etiquette and the Worshipful Master's Chair, followed by a group discussion on the papers and a question and answer period.

From the period of September 2006 until May 2007, the following workshops will have been held in conjunction with the Friend to Friend and Mentor's Committee:

September 20, 2006 – Kitchener, Waterloo District

January 20, 2007 – Lindsay, Victoria District

March 3, 2007 – Etobicoke, Toronto West and Toronto Humber Valley Districts

March 17, 2007 – Scarborough, Toronto Don Valley and Toronto East Districts

April 7, 2007 – Frankford, Prince Edward District

April 24, 2007 – Kirkland Lake, Temiskaming District

April 25, 2007 – Sudbury, Sudbury Manitoulin District

April 26, 2007 – North Bay, Nipissing East District

April 27, 2007 – Huntsville, Muskoka-Parry Sound District

May 26, 2007 – Thunder Bay, Algoma District

February 10, 2007 – Hanover, Bruce District Workshop was cancelled due to unsafe driving conditions.

The positive remarks received have been very encouraging!

Respectfully submitted on behalf of the committee.

CHARLES H. M. REID, Chairman

REPORT OF THE COMMUNICATIONS COMMITTEE

This Report was presented by R.W. Bro. D. A. Conway, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Conway, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge
A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Communications Committee, it is my pleasure to submit the following report:

The committee served again this year as an additional communications source of Grand Lodge. The mandate of the committee is to:

Mandate: *Act as an effective communications source between Grand Lodge, the Districts, and Lodges of our jurisdiction.*

The following are the highlights of our year:

1. The committee was a source for names of Grand Lodge Elected and Appointed Officers, their addresses, phone numbers, email addresses and mailing labels.

Postage labels and email addresses were made available. This information was distributed as soon after Grand Lodge as possible.

2. The committee was responsible for obtaining, converting to Adobe format and distributing via email, the Trestle Boards of the current D.D.G.M.s. I am pleased to report that again, all 44 D.D.G.M. Trestle Boards were received and sent out. R.W. Bro. Barry Snider extracted the District Committee Chairmen and their addresses and made them available on a spreadsheet. A special thank you is extended to R.W. Bro. Don Hamilton, D.D.G.M. of Wellington District who gathered all the D.D.G.M. Official Visits to their Mother Lodge, the place and time and this too was distributed. The availability of these tools along with "What's Happening" on the Web Page made the job of planning for and traveling in the jurisdiction much easier.
3. The committee maintained various email distribution lists and sent out on a regular basis the current Itinerary of the Grand Master and the Deputy Grand Master and desired announcements from Grand Lodge Officers and Committee Chairmen, as well as, notices of other newsworthy events. It was a very busy year with over 115 email distributions sent averaging over ten a month. In the two years this service has been performed, no one has been in contact asking to be removed from the list. In fact, there are just regular additions made.
4. V.W. Bro. Don Reekie continued to maintain the Grand Lodge Web link of "What's Happening." Most data is derived from the D.D.G.M. Trestle Boards, but special event announcements were also added as they are a Grand Lodge or District event. It is with great sadness, that I report the sudden passing on March 27, 2007, of V.W. Bro. Reekie. His steady, accurate and timely work for our committee was always to be relied on and will be greatly missed.
5. The committee under the capable care of R.W. Bro. Jim Sercombe administered the Awards Program for Lodge Summons, Lodge or District Newsletters and Web sites. Again this year, an award winner was selected along with a merit winner from those submissions made by our D.D.G.M.s. The winners for this year are as follows:

Category	Winner	Merit Winner
Lodge Summons	Kilwinning Lodge No. 565 Toronto West District	Jerusalem Lodge No. 31 Ontario District
Lodge or District Newsletter	The District Ashlar Frontenac District	Bright Morning Star Toronto Don Valley District
Lodge or District Website	Niagara District A	Hamilton District C

Recommendations:

- Continue to promote communications from all sources.
- Maintain distribution lists and addresses.
- D.D.G.M.s are encouraged to appoint a District Communications Chairman who can get information to the committee for distribution or publication.

Encourage D.D.G.M.s to submit their recommendations for communication recognition.

Summary

Of course, no committee can run without the valuable contribution of its members. Their efforts are especially appreciated. Our committee members are: R.W. Bros. A. T. Burns, A. Dvorak, W. M. Malmo, R. F. Manz, J. Sercombe, B. Snider, V.W. Bro. D. Reekie and W. Bro. C. Deacon. The services provided by the Communications Committee came into being because of the many requests for improved communications. We provide another Masonic connection between brethren to get the news out.

All of which is respectfully submitted on behalf of the committee.

DOUGLAS A. CONWAY, Chairman

REPORT OF THE LEADERSHIP DEVELOPMENT COMMITTEE

This Report was presented by R.W. Bro. N. G. McCarthy, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McCarthy, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Leaders don't just happen. Experience and training help to develop the skills necessary for our future. In order to facilitate this advancement, our Grand Master and Deputy Grand Master created this Special Committee to specifically address the leadership development of the members of the Board of General Purposes. Ultimately, this will strengthen our Grand Lodge and those seeking higher office.

At the conclusion of this Annual Communication and within the previous 24 months there likely will be a turnover totalling approximately one third of the membership of this board. Over the last ten years only seven members of the board remain active. Change is beneficial as it brings with it fresh ideas and removes complacency, but can be troublesome to continuity and succession planning.

In order to assist those new members acclimatize themselves to their new duties, this committee has been developing a Reference Guide that contains a variety of topics, duties and responsibilities (as a member of the board and as a committee chairman); development of a committee budget; brief overviews of the committees of Grand Lodge, protocol and etiquette, standard of dress, team building, programs and publications, concerns and considerations and how to respond to the media. In the past, a freshman to the board relied on word of mouth or hopefully a mentor to direct him.

At the beginning of our Masonic year we held the first Orientation Session for the new members. This event included an opportunity to become familiar with the Grand Lodge office and its operations, along with a chance to become familiar with the staff and discuss their respective roles and responsibilities. A copy of the Reference Guide was presented to each along with explanations of the various sections. From the responses received from those seven participants, they have indicated that the exercise was worthwhile. This committee recommends the continuance of these sessions as soon after the Annual Communication as possible.

In addition to the orientation session, five other objectives were set out by the committee to be developed this year with the following now completed and incorporated into our Reference Guide:

- The five stages of forming a committee and team building
- A summary of the duties of a committee chairman and a chart indicating committee deadlines
- A simple outline of suggestions on how to deal with the media

A further item is related to critical leadership competencies. More research will be required if these competencies are to become proactive in the recruitment of qualified individuals and identifying the potential of board members. This committee recommends that it work jointly with the Management Committee to develop a model to meet the needs of succession planning.

A skills inventory worksheet has been developed to list a board member's academic or professional life experience and personal interests, as well as served outside of Masonry. Pending a legal opinion and recommendations, this committee further recommends the implementation of this form to be completed by each member of the board which would be held in trust and confidence within the Grand Secretary's office. The purpose of this information would be to assist our Grand Master and the Deputy Grand Master to match talents with the needs of our Grand Lodge. Once this system is in place, the committee suggests that the nominees for election to the board complete a worksheet and submit it with their nomination form.

Beyond those objectives already outlined, this committee has challenged itself with one more task. Over the last number of years, approximately half of members of the Board of General Purposes have been called on to act as chairman of a joint committee for the merger of two or more lodges. We determined it would be prudent to create a new section in the Reference Guide to provide a summary of the role of a chairman of the joint committee and the process of amalgamation. This topic will be the focus of our workshop this year with the members of the Board of General Purposes.

The committee invites suggested topics for the further development of board members or addition to the Reference Guide.

In closing, appreciation is extended to R.W. Bro. Tom Lewis, Chairman of Audit and Finance and to R.W. Bro. John Green, Chairman of Public Relations for their contributions to the Reference Guide. A simple thank you seems inadequate to describe the dedication and contributions the following committee members have presented: R.W. Bros. Scott Drummond, Dave Wood, W. Bros. Larry Barrett, Jim Thornton along with advisor R.W. Bro. Terry McLean.

Respectfully submitted on behalf of the committee.

NORMAN G. MCCARTHY, Chairman

REPORT OF THE GRAND HISTORIAN

This Report was presented by R.W. Bro. Wallace McLeod, Grand Historian, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McLeod, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again, it is appropriate that the Grand Historian should express his gratitude to the Grand Master, for honouring him with this title. According to the *Book of Constitution*, one of the duties assigned to this office is to record matters that are connected with the history of Freemasonry in Ontario.

As Cicero, the Roman orator and philosopher, tells us, "Not to know what happened before you were born is to be always a child." (*Nescire autem quid antequam natus sis acciderit, id est semper esse puerum.*) That is one of the reasons that we have to study history. And over a century ago, our Grand Lodge created the office of "Historian of Grand Lodge," which has now evolved into "Grand Historian." It might be worthwhile to look briefly at the brethren who have been granted that title over the years, and to summarize their work. For many years the *Book of Constitution* said, "A Historian of Grand Lodge shall be elected by open vote, and shall hold office during the pleasure of Grand Lodge," and "the Historian of Grand Lodge shall from time to time compile and preserve a record of all matters connected with the history of Grand Lodge."

The first one to hold that office was John Ross Robertson. He was born in Toronto in 1841. He became a newspaperman, and founded the (Toronto) *Evening Telegram*, of which the first edition was published on April 18, 1876. (The newspaper survived for 95 years, until October 30, 1971.) He was initiated into Masonry in King Solomon's Lodge No. 22, Toronto, in 1867, at the age of 25. He was Worshipful Master of Mimico Lodge No. 369, in 1880. He became Grand Senior Warden in 1882, District Deputy Grand Master for the Toronto District in 1886, and Grand Master in 1890. During his term of office, he visited all 232 lodges in the jurisdiction. In 1883 he purchased King Solomon's Plot in Mount Pleasant Cemetery, to provide burial space for indigent Masons. He donated vast sums of money to the Hospital for Sick Children and its subsidiaries, including the Lakeside Home for Little Children. But his greatest service to the Craft was in his research and writing. His *History of Freemasonry in Canada*, in two volumes, was published in 1899, and it is still indispensable for our early history. He was chosen as Historian of Grand Lodge in 1900, and continued in that office until his death. John Ross Robertson passed away at his home in Toronto on May 31, 1918, at the age of 76.

Edward Betley Brown was born in 1856, in Toronto, the son of John Gordon Brown (1827–1896), a junior partner in the *Toronto Daily Globe*; Edward was also the nephew of George Brown (1818–1880), the founder of *The Globe* newspaper in 1844, and one of the "Fathers of Confederation." Edward received his B.A. from the University of Toronto in

1877, and was named King's Counsel (K.C.) in 1898. He was initiated in St. Andrew's Lodge No. 16, and served as District Deputy Grand Master for East Toronto in 1902. At the decease of John Ross Robertson, R.W. Bro. Brown became Historian of Grand Lodge in 1919, and he served until his death. He gave a report on "The History of our Own Grand Lodge: A Sketch," which was published in the *Proceedings of Grand Lodge* in 1920, on pages 275-283. He prepared the text of Fraternal Reviews from 1920 to 1922. He died on 10 July 1935.

Walter Stevens Herrington was born in 1860, in Prince Edward County. He was a lawyer; he graduated from Victoria College, and Osgoode Hall, in 1886, and was named K.C. in 1901; he served as Historian for Law Society of Upper Canada. He was initiated in Union Lodge No. 9, in Napanee, in 1890, and was Worshipful Master for several years (1894-98, 1901, 1904). He became District Deputy Grand Master of Prince Edward District in 1905, and served on the Board of General Purposes from 1917 to 1947, being elected as Grand Master 1931-1932. He was a notable historian, and wrote the *History of the County of Lennox and Addington* (Toronto, 1913). He also wrote the *History of the Grand Lodge of Canada in the Province of Ontario 1855-1930* (Hamilton, 1930). An updated version was planned for the Centennial year (1955), and Bro. Herrington composed four of the chapters in it. (The remaining nine chapters were done by Bro. Roy Stanley Foley, a teacher of English at Danforth Technical School in Toronto, and a member of University Lodge No. 496, Worshipful Master in 1943, and Grand Steward in 1951; he lived 1887-1983). M.W. Bro. Herrington was named Historian of Grand Lodge after the death of Edward Betley Brown in 1935, and served until his death. He died on 16 July 1947.

Apparently, M.W. Bro. Herrington was the last "Historian of Grand Lodge," and the office was not continued after his death. Then in 1980 it was revived, as an annual appointment by the Grand Master, with the title of Grand Historian. So let us look briefly at the various brethren who have held that title.

Wallace McLeod was born in Toronto in 1931. He earned his Ph.D. in Classics from Harvard, and taught at the Victoria College in the University of Toronto. He was initiated in Mizpah Lodge No. 572, Toronto, in 1952, and served as Master in 1969. He edited *Whence Come We? Freemasonry in Ontario 1764-1980*, and was appointed Grand Historian in 1980 by M.W. Bro. N. R. Richards; he has served in that office for 22 of the last 27 years. His reports have been printed in the *Proceedings of Grand Lodge*, on the following topics:

- 1981: A Report on Masonry in Upper Canada in 1837;

James John Talman was born in 1904, in Beira, Mozambique, in southeastern Africa. He earned his Ph.D. from the University of Toronto in 1930, and was Chief Librarian and then Professor of History at the University of Western Ontario for many years. (One section of the archives of his university is called the J. J. Talman Regional Collection.) And every year the Ontario Historical Society presents the J. J. Talman Award, to the author of an outstanding book on the social, economic, political, or cultural history of the province. In 1946, for the Champlain Society, Professor Talman edited *Loyalist Narratives from Upper Canada*. He was initiated into Masonry in University Lodge No. 496, Toronto, in 1930; he affiliated with Tuscan Lodge No. 195, London, in 1949, and at once was chosen as its Worshipful Master. He was elected as Grand Senior Warden in 1959; he served on the Board of General Purposes, 1962–1972, and as an Honorary Member, 1972–1983. He was Chairman of the Committee on the Fraternal Dead, 1963–1971, and was a Director of the Masonic Foundation, 1965–1981. He wrote a "Historical Sketch to Commemorate the Sesqui-Centennial of Freemasonry in the Niagara District, 1792–1942," which was reprinted in the book *Bicentennial Anniversary* (1992). He also wrote a number of chapters in various publications of Grand Lodge, such as "Suggestions for Instructors," and "The Egyptian Mysteries," in the *Manual* (1948), "Let there be Light!: How to read Masonic History," in *Beyond the Pillars* (1973), and "The Nature of Pioneer Masonry," in *Whence Come We?* (1980). He prepared the Fraternal Reviews, 1961–1977. He was appointed as Grand Historian, 1983 by M.W. Bro. R. E. Groshaw, but apparently due to his advanced age he was unable to present a report. He died on 21 November 1993.

Frederic Ray Branscombe was born in 1914, in Moncton, N.B. He received his Ph.D. in Educational Communication from New York University, and taught for many years at Weston Collegiate Institute in Toronto. He was initiated in Zeta Lodge No. 410, in 1939, and served as Worshipful Master in 1969. He became District Deputy Grand Master of Toronto District 7 in 1971. His books include *Scottish Rite Freemasonry in the Valley of Toronto: The Story of its First Century* (Toronto, 1980), and *Zeta: A Centennial Celebration, 1885–1985* (Toronto, 1985). He prepared the Fraternal Reviews for our Annual Communications, as collaborator in 1990, and as sole reviewer 1991–2006. He was appointed Grand Historian in 1984, by M.W. Bro. R. E. Groshaw, and he delivered a report on the Preservation of Old Documents, which was published in the *Proceedings* (1985) 92–93.

George Edward Zwicker was born in 1922, in Mahone Bay, N.S. He was initiated in 1969, in Corinthian Lodge No. 101, Peterborough, and served as its Worshipful Master in 1979, and was also Master of Heritage Lodge No. 730, in 1982. He became Grand Steward in 1985, and was appointed Grand Historian in 1986 by M.W. Bro. A. L. Copeland. He delivered a report on Lodge Histories, and the Preservation of Records, which was published in the *Proceedings* (1987) 212–214. He died on 5 October 2002.

David James Broomhead was born in 1916. He was initiated in 1943, in Lorne Lodge No. 622, Chapleau. He was elected District Deputy Grand Master of Nipissing West District

in 1954, and was appointed as Grand Historian in 1987 by M.W. Bro. W. R. Pellow. In the *Proceedings* for 1988, we were told that "Due to a serious illness currently plaguing R.W. Bro. D. J. Broomhead, no report was received from the Grand Historian." He died on 23 August 2002.

Howard Frederick Warren was born in 1928. He was initiated in 1955 in Harmony Lodge No. 370, in Philipsville, and served as Worshipful Master in 1977. He was appointed as Grand Historian in 1988 by M.W. Bro. W. R. Pellow, and his report On District and Lodge Histories was published in the *Proceedings* (1989) 114–115.

It is not always easy to write about historical matters, and so it may be worthwhile to remember these brethren. Our jurisdiction has of course produced many great historians, but in this report we have limited our summary to those who were given the title of Grand Historian, or something similar.

WALLACE McLEOD, Grand Historian

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege and pleasure to report for your Committee on Fraternal Correspondence. This foreword presents the following thirty Reviews of the Annual Proceedings of our sister Grand Lodges received during this past year. We extend sincere thanks to R.W. Bro. Colin Heap for his dedicated and perceptive reviews of the reports received. His carefully condensed outlines enable us to quickly discern the current challenges and undertakings of our fraternal brethren throughout the world. We are indebted to his diligent and time consuming study of these Annual Proceedings. We also recognize and thank, W. Bro. Robert Kluun, for his generous undertaking of the translation for the Review of the Grand Lodge of the Netherlands.

Challenges identified are generally similar to those in our own jurisdiction and declining membership is a main concern. Many jurisdictions are quite open to change to attract and hold members. Others caution that we should steadfastly hold to our established tenets and principals of the order, and some suggest that we should even raise the standards for initiates. Much emphasis is also placed on support of DeMolay and Jobs Daughters for future members and support.

More public openness is promoted by the Grand Master, H.R.H. The Duke Of Kent, in the Grand Lodge of England. They also note that in their Grand Lodge Library and Museum presentation, entitled The Victoria Cross and Freemasonry, that 10% of all Victoria Cross recipients have been Masons.

Many jurisdictions have adopted extensive Public Awareness programs, which include Masonic License Plates, and in Indiana they point out that part of their program has included Roadside Assistance provided to Masons and their families.

Other public promotional programs have included, "Phone Cards" for overseas Troops, Medical Research Funding, Student Scholarships, as well as Child and Moms Identification programs. There is in the U.S.A. a National Masonic CHIP (Child I.D.) week. While the Grand Lodge of Newfoundland and Labrador has reduced its age for applications to 19 years, there are more positive results reported to include the Grand Lodge of Quebec which announced a 5.3% increase in their lodges' attendance last year.

There is much interesting reading in the following Reviews which we recommend to your most earnest perusal.

Sincere thanks are extended to the Grand Secretary, Grand Lodge staff, and in particular, Rose Blandin for their assistance in securing the Proceedings from other Grand Lodges.

Respectfully and fraternally submitted.

ALBERTA*101th Annual Communication**Calgary, Alberta, June, 2006*

M.W. Bro. G. Rex Dawson, Grand Master, in his Report on the Condition of Masonry, observed, "I am happy to present a positive report on the Condition of Masonry within this Grand Jurisdiction. Certainly, within every bed of roses there are bound to be a few prickles. What does seem to be lacking is that telephone call to a Brother who has not been seen for a while, that call to a 'non-attende.' If we as a Lodge don't care about our members, then pretty soon they won't care about us. The same may be said about Demits and Suspensions. Do we accept these without question or make due enquiry?"

It is incumbent on every Master and Lodge member to look to the welfare of his Brother. On the side of the roses, what is most outstanding is the groundswell of increasing interest in our Craft and it is coming from the hearts and minds of young men in the 25 to 40 year age bracket. Some may credit this to the recent releases of popular literature and movies. I am convinced it is also due to a backlash against the deterioration of moral and ethical standards in today's society. The men who are coming to our doors are well informed about Freemasonry, what we stand for and believe in.

We are faced with the challenge of providing these new Masons with what I call the Essential Masonic Experience. This places a demand on the Lodge to make every meeting a worth while event, learning about, discussing and practicing Freemasonry. Lodges making concerted efforts in this regard are experiencing higher attendance of members, who in turn are attracting new men to the Craft. Once again, it is the newer, younger Masons who are demanding higher standards. They do not want to have their Masonic journey 'watered down', but demand to experience it to the full. Ritualistic and floor work done well attracts members and visitors to your Lodge.

The Grand Master concluded, "A challenge that is being faced is that of size. Not that tired and worn lament of declining numbers, but quite the opposite. A number of Lodges are experiencing an exponential growth and as a result lose that feeling of a close-knit community in which everyone knows each other. A certain size is reached and the whole thing becomes impersonal. Lodges facing this dilemma should consider splitting in two and sponsor the chartering of a new Lodge rather than compromising the Masonic Experience."

The Public Awareness Committee has completed a project which will give all lodge secretaries guidelines enabling them to contact, interest and receive appropriate local media recognition and to showcase the works of the Craft through good press coverage. The committee also recommended that District Deputy Grand Masters assume greater responsibility in answering enquiries regarding membership in the Masonic Order, specifically in the areas of initial contact and investigation of the candidate.

R.W. Bro. Donald Roth, Chairman, Foundation for the Future, announced the implementation of the Doric Plan, a series of six training sessions provided to lodges seeking to rejuvenate themselves. Leadership, Membership Development, Masonic Education and Activities, Charity and Public Awareness form the agenda. The five senior officers of the Lodge must agree to take all the training sessions. The project has been successfully launched in Edmonton and Grand Lodge is seeking ways to introduce it to the southern part of the Jurisdiction.

BRITISH COLUMBIA AND YUKON*135th Annual Communication**Chilliwack, British Columbia, June, 2006*

M. W. Bro. Robert D. McSween, Grand Master, remarked in his keynote address, "I had the pleasure this year to represent you at several other Jurisdictions and pass on to them the Condition of our Craft. In each Jurisdiction, I heard the same story. Freemasonry is now on

the upsurge and we are seeing more and more men becoming interested in being part of our Fraternity. Evidence of this has been shown to me everywhere I have been. I was especially proud to be there because I know that I belong to one of the premier Jurisdictions of Freemasonry. We are on the right track and all we have to do is keep going in the same direction. One of the issues that I spoke of this year was our membership status. Our website gets an average of 5000 hits a day. I hear that each of our 147 Lodges has an average of 3 candidates, so we have 500 members who are not yet counted on our Roll of Grand Lodge. Although this is very exciting for us, we must maintain a due guard at the west Gate of our Lodge. We must ensure that dignity of Freemasonry has not and never will deteriorate. We must not only insist on good members joining our Craft, but perhaps even raise the standard. We do not want just anybody joining our Fraternity. We are not in the numbers game. We must strive for good men and good men only. If we succeed in this, we will be successful in building a great Fraternity. What is most exciting about our new members is that they are young in age. We must strive to give them what they are looking for so that they are not counted in the demitted numbers that we have been seeing in the last several years."

The Grand Master then spoke of the initiatives Grand Lodge has undertaken to counteract this trend. "We have introduced the Lodge Excellence and Lodge Performance Award Program. It is new and sometimes these things take time to prove they work. It was designed to make the Brethren and the Lodge more active in their normal roles. The goals set in it were very easy to accomplish. This program will continue.

The Demit Report was introduced last year and although it has not been a huge success, it did give us an idea why we had been losing so many of our Brethren. This information will be passed onto the Lodges so that they may take preventative measures against this continuing in the future. Hopefully, this will prove to be successful and halt the decline in membership.

Meetings held with concordant bodies included DeMolay and Job's Daughters. They are our future and it is important for us to support our future.

All Grand Lodge Officers, and I mean ALL, including Grand Stewards, must now submit quarterly reports on the condition of their Lodges and buildings. This was done to give the appointed Grand Lodge Officers more responsibility and accountability. It gave us a better understanding of conditions and most importantly, ensured they were more active in their roles, vouching that proper attention was being paid to their Lodges and Districts. This practice will continue for all future Grand Lodge Officers."

ENGLAND

Quarterly Communications and Annual Investiture

London, England, March, April, June, September 2006

The motion to re-elect the Grand Master, H.R.H. The Duke of Kent at the March Communication emphasized his past achievements and leadership qualities. "He has worked tirelessly in the cause of openness so that those outside of our Order may have a better understanding of our aims and objectives. He has guided the Craft through a difficult time with the gentlest of direction, yet achieving a most satisfactory outcome."

In his address, His Royal Highness reminded the Brethren invested with Grand Rank or promoted to higher office that their appointments, "were not simply the recognition of the service you have given to Freemasonry in the past, but just as importantly it is an earnest of the work we expect you to undertake for the future."

His Royal Highness continued, "The Craft has embraced the quality of openness with increasing optimism and the benefits are becoming more visible. Nowhere has this been more apparent than in our charitable activities, which has contributed to the raising of our profile and increasing acceptance in the wider community. As Masons we should all try to involve ourselves in activities which bring joy and happiness to disadvantaged people and

not just assume that a cash donation discharges our responsibilities. We must ensure that our other basic tenets are not forgotten or overlooked and we must look to what observance of all these principles is going to achieve for us. Charity is one of the foundations on which our Order rests, but in all its aspects it is the practical application of Freemasonry to the rest of the World."

The Grand Lodge Strategic Working Party has recommended that the Grand Secretary, while still responsible for Districts and Lodges overseas, will have a reduced role in the conduct of external relations. It is recommended that a new office of Grand Chancellor be created to oversee our relationship with other Grand Lodges. He will be a member of both the Grand Master's Council and the Board. This will mean that the Grand Secretary will be able to concentrate his energies on Masonic matters for the benefit of English Freemasonry in England and Wales and its Provinces and Districts.

The Pro Grand Master, M.W. Bro. The Most Hon. The Marquess of Northampton, in his address commended to the Brethren an exhibit currently on view in the Grand Lodge Library and Museum entitled, 'The Victoria Cross-Most Glorious of Them All.' It marks the 150th Anniversary of the institution of the Victoria Cross in 1856. It is a tribute to the holders of this highest military honour who were also Freemasons. They amount to over 10% of all Victoria Cross winners, "which is a remarkable figure and one of which we can be justifiably proud."

The Museum of the Royal Artillery at Woolwich made a temporary loan of three Victoria Crosses to help launch the exhibition. Sadly, for reasons of security, this loan only lasted for one evening and came complete with its own dedicated guards.

The Board of General Purposes cautioned all Brethren not to become involved with Masonic bodies overseas which Grand Lodge does not recognize. To avoid this danger and potential embarrassment to hosts, Brethren should not attempt to make any Masonic contact overseas without first having checked, preferably in writing, with the Grand Secretary's Office at Freemasons' Hall.

ILLINOIS

166th Annual Communication

Springfield, Illinois, October, 2005

M.W. Bro. David W. Miller, Grand Master, focused the theme of his address on youth in Masonry. "In the near future," he began, "the Fraternity will see a significant influx of new Masons. Their thoughts and ideas will be different than we are used to. We must enroll them in our Lodges. If we do not, they will not stay very long. The average time a man has been a member before being suspended for non-payment of dues is 2 to 3 years. If they don't stay, our Lodge won't be around long either. We need to encourage and nurture new Masons to share their thoughts and ideas and commend them when they are offered. This is how confidence is developed and new leaders are born. We, you and I, hold the future of Freemasonry in our hands. Now is the time to embrace change, raise new Master Masons in an environment where they will want to stay and are the future leaders of the Fraternity. Membership has continued to decline. I do believe we have enacted legislation which will turn the tide. Only hard work by all members using the tools now available to them will save this Fraternity. I am optimistic that it will happen, sooner rather than later. This is our last chance for survival. We dare not fail."

M.W. Bro. Robert P. Conley, Past Grand Master of Michigan and guest speaker, expanded on this subject, directly facing the issue of declining numbers and offering positive, optimistic solutions. "No Jurisdiction or organization across the United States is immune to its effect. The first wave of the Boomer generation will soon retire and they are going to look for ways to give back to society. The organizations that allow them to give back to their communities are the ones who will get them and keep them. Similarly, the 25

year old Mason comes into a Lodge with certain expectations. How do you know what they are? Ask them. Take the time to get to know him, what he cares about, what he's passionate about and then find a place for him within your Lodge which will allow him to fulfill those dreams. If you do, your Lodge will prosper. Our only task is to serve each other. The only job we have is to aid and support each other. Right?"

INDIANA

189th Annual Communication

Indianapolis, Indiana, May 2006

In his assessment of the Condition of the Craft, M. W. Bro. Dennis T. Herrell, Grand Master reflected. "I have seen many changes in my forty years in the Craft. I have witnessed loss of membership in proportion to lack of enthusiasm and interest. There was a time when answers seemed elusive. But then came the time to face reality and change certain practices. Changes come cautiously and rightly so, but they are being made and Freemasonry in Indiana is once again flourishing. More petitions are being received. Consequently, more degree conferrals, family activities, community involvement and more Masonic Education."

"Lodges are busy doing what Lodges should do. They are creating their own excitement and determining their own destinies. I challenge all Lodges not experiencing this to assess their situations, make corrections and join this movement to better times and greater achievements. I see younger men taking more active roles and they will carry us to the glory of our former days. But we must support them. That is the role of the veteran. Encourage, support, praise and take pride in the growth of your Lodges. It is just that simple."

"I have also created a new office of Grand Lodge Public Relations, designed to make the most effective use of our advertising dollars. Initiatives such as our CHIP, or Child Identification Program, have flourished. Lodges have seen the need for identification of children in these troubling times and desire to be of service to their respective communities. Parents, schools, police and businesses have all responded most favorably."

The Committee on the Masonic License Plate Program announced increased sales to date in 2006. By purchasing the Indiana Masonic Plate the members are performing a service to the Fraternity. Their vehicle becomes a rolling billboard for Freemasonry and a source of revenue for their Lodge. Other benefits to this outstanding program include recognition by other members which can lead to roadside assistance given freely to a Brother or his family when in need. It can also lead to the establishment of friendships which might otherwise have never occurred.

IRELAND

Quarterly Communication

Dublin, Ireland, December, 2005

M.W. Bro. Eric N. Waller, Grand Master, began his address by affirming, "I am glad to be able to present a positive report on the present state of Irish Freemasonry. I will focus in particular on our Masonic Charities. On average, at any point in time, some 1000 Brethren and Widows are in receipt of annuities to help them enjoy reasonable living standards. Some 460 boys and girls receive grants towards the cost of education at Primary, Secondary and Third Levels. I am not aware of any other organization in Ireland which provides this level of support for those of its members in need. The Freemasons of Ireland Research Fund agreed to support a research project being undertaken at University College, Cork, to investigate how gene therapy may be used to slow the progression of renal failure caused by diabetes type 11, which is increasing at an alarming rate. This is part of our ongoing commitment to making a positive contribution to Irish Society, now and in the future."

Commenting on the public image of Freemasonry, he said, "We will continue with our policy of co-operating with the media whenever suitable opportunities arise. We have

achieved significant press coverage which will reassure the public as to the true nature of Irish Freemasonry by demonstrating that we are an organization which, by espousing the basic principles of integrity, goodwill and charity, is a force for good in the community.”

The Reports of the Provincial Grand Masters indicate that positive media activity has led to direct enquiries for membership which have led to Initiations. Most Provinces reported that membership remains stable, with one Province showing an increase in numbers at a fifteen year high. The Grand Lodge Program, ‘Recruitment, Retention and Retrieval’ also known as, ‘The Three R’s’ has led to an air of optimism and confidence for the future as it appears that the decline in membership has bottomed out and is beginning to increase.

Grand Lodge cautioned that there is still a long way to go, and that the success of this program depends on the full support and co-operation of the Brethren to make progress.

The Grand Secretary, R.W. Bro. Michael Walker, addressing the issue of recruitment, stated, “In marketing terms, we must view Freemasonry as a product. This is what we are selling for uptake by members and potential members. To increase our sales we must improve the product or make the packaging more attractive. Freemasonry is a fairly stable product in itself. Little can be done to alter the product without changing it entirely in both essence and appearance. Its principles and precepts have stood the test of time and are as valid today as ever, even if its acceptance rises and falls on the scales of time. We cannot change the product and stay in the same business. We must be true to ourselves in this. What we can do is upgrade the packaging and make it look more attractive. We can adopt a higher profile and gently, but firmly, “Let our light shine” before men. Freemasonry is not for everyone, but at all times there are those to whom it will appeal. The candle in the window is an invitation understood by all and some will accept and knock on the door. Our principles must stand firm, upright and visible, lest the Arts and Sciences – in our case the whole body of Freemasonry – should slip from the knowledge of man.”

KANSAS

149th Annual Communication

Salina, Kansas, March, 2005

The Grand Master, M.W. Bro. Allan L. Hurlburt began his encouraging Address by commenting, “Under a very able and supportive Council of Administration, I am pleased to report that we have ventured into the 21st century with a few improvements this year which have met with many favourable responses. I have found the Craft and the public are eager to learn about our Masonic traditions, values and forefathers. Fortunately, several books and films are currently popular in America which cast Masonry in a favourable light for a change. Fraternal relations with our Kansas Prince Hall brothers were also enhanced this year. In addition to our traditional meetings, we jointly conducted two public dedication ceremonies. On the National level there are now 37 Grand Lodge jurisdictions which have fraternal relations with our Prince Hall counterparts.”

The National Masonic Service Association reported at this Communication that Kansas Masons are very active supporters of the “Operation Phone Home” program for veterans. Developed in partnership with AT & T and the U.S.O., this phone card shows both AT & T and U.S.O. logos, plus, on the left, the Square and Compasses with the words, ‘Compliments of America’s Freemasons.’ These 100 minute international phone cards are for the use of troops overseas. \$4500 was donated to this project by the Kansas Masons Council of Administration.

The Kansas Masonic Foundation reported that the University of Kansas Cancer Institute was renamed the Kansas Masonic Cancer Research Institute. This revised designation will bring new research and resources for providing more effective treatment. The Kansas Masonic Foundation donations to this project since 1974 now exceed \$20 million dollars.

These projects reflected the closing remarks of the Grand Master’s Address, “be innovative in reviving Masonry and making it relevant and vibrant in our communities again.

Good Deeds and Good Works attract Good Members. Ask not what Masonry can do for you, ask what you can do for Masonry."

KENTUCKY

206th Annual Communication

Jefferson County, Kentucky, October 2005

A positive perspective on the issue of numbers and membership formed the core of the Report of the Committee on Proceedings of Other Grand Lodges. "The observer of the activities of the Masonic world will find a great variety of thought and practice. Masonic History reveals that for generations Masons followed practices that were successful and brought the Order into prominence. Quality was stressed in the selection of members. The unnatural growth in membership after World War Two and the Korean War brought about a change in thinking about numbers and members. As petitions returned to a more normal level, some Masonic leaders became alarmed that this inflated and unnatural growth did not continue. The unfortunate result is that some men became Members of Lodges with little more requirement than the payment of fees. In some Jurisdictions no memory work or learning is required. The numbers mania became the prevailing motivation. Men who have a real respect for Masonry will take the time to become a Mason in the proper manner. Then these degrading practices will be replaced by those which brought Freemasonry into prominence. Let no one think all is "doom and gloom" in the Masonic world. Keeping Masonry what it is intended to be will assure our success."

The Report of the Grand Secretary stated that although numbers alone do not indicate the health of the Craft, it does draw attention to the fact that we must make ourselves relevant to the potential members who live where the Lodges are located. "Make no mistake about it, it is at the local level where the acorn of Freemasonry bears fruit. It is at the local level where the community connection is made and the proper building materials are selected to carry on the Masonic tradition."

In his Address the Grand Master, M.W. Bro. David E. Carter reminded the Delegates of the duties and responsibilities they must fulfill to meet the challenges of the 21st Century. "The decisions you will make during the next two days will help set the course for the future. In my travels over the Commonwealth I think the tide has turned and Freemasonry is growing in Kentucky. I sensed a feeling of the remembering of our traditions and tenets. A feeling of change, not of doing away with our heritage, but of a movement toward a future with a rich vision and a strong Fraternity. We must be more relevant to the thinking of the present time. We need strong leadership to push us into a new age, and members with vision to see the path which leads to a bright tomorrow, both with the enthusiasm and stamina it takes to get the job done."

The Committee on Masonic Education encouraged all Lodges to take advantage of the educational resources on hand at Grand Lodge, particularly the Wardens Leadership Program. It is designed to improve the quality of leadership and performance inside our Lodges. We believe this to be the greatest resource for the FUTURE of Freemasonry in Kentucky. It will keep the Fraternity united and not divided. Work hard to improve your Lodge opening, degree work and closing. New Candidates will be impressed with the work if it is performed proficiently. The Candidate's first impression will be the lasting one."

MAINE

187th Annual Communication

Portland, Maine, May, 2006

M.W. Bro. Claire V. Tusch, Grand Master, reflecting on his two-year term in office, remarked, "I offered the theme of Unity, Community and Family as a lightning rod on which Maine Masons could focus. I am firmly convinced that only when our entire Masonic family,

Blue Lodges, York Rite, Scottish Rite, Shrine Centers, youth groups and all others work together toward the common goal of the revitalization of Freemasonry in Maine will we see optimal success. Listen to the prophetic words of Henry Wadsworth Longfellow who could have been writing about us when he wrote, "All your strength is in your union, all your danger is in discord." We as leaders must be willing to sacrifice our egos for the benefit of the Craft and surrender personal ambition for the sake of the future of Freemasonry. I believe there is a growing and powerful awareness that this is exactly what is necessary and that a powerful convergence of effort is currently taking place. We are beginning to see the results of our labors. The time for co-operative action is now."

The Chairman of the Child Identification Program, R.W. Bro. Hollis G. Dixon, reported that to date, more than 24,000 children have been processed since its inception in Maine. DNA samples are being added to fingerprinting and videotaping as a means of identification. A brochure has been added to the program and given to each child to take home as part of their package of material. This brochure has also been placed in many offices and public places so people may read about the program and learn about Masonry CHIP has become the signature program for Masons across the country. May 20th to 27th has been declared National Masonic CHIP Week, when all jurisdictions are asked to hold a CHIP event.

Another example of Masonic outreach is Operation Keep Me Warm. This is a unique winterization initiative to assist low income households and seniors in the face of higher fuel costs. The program is a first of its kind partnership between the Governor's Office of Energy Independence and Security and the private sector that uses volunteer teams to install simple energy conservation measures. Grand Lodge now sponsors this program. It provides an opportunity for each member of our Masonic Family to reach out to those in our communities who are truly in need and who so often fall between the cracks.

The Committee on the Condition of the Fraternity rounded out their Report on a positive note, addressing the ills that currently exist in the Jurisdiction. "In the final analysis, the Condition of the Fraternity is fair. In the hospital that is a term used when the patient has been wheeled out of surgery into the ICU. It is too soon to tell if the patient will survive or not. However, there have been interventions to prevent termination of life. There will be more procedures over the next few years to further correct the damage. The disease was not quick in forming. Neither will the solution be quick. We must NOT endeavor for a quick fix. I have seen far too many doctors succumb to that method with terminal results for the patient. We see the disorder. We know what is needed. The Fraternity will survive. Our society cannot afford for it to fail. Nor can we."

MANITOBA

*131st Annual Communication
Winnipeg, Manitoba. June 2006*

M.W. Bro. Brian J. Baillie, newly installed Grand Master, announced, "To my elected Right Worshipful Officers and District Deputies – look well to your duties. The Brethren of this Jurisdiction have not chosen you lightly. We have an enjoyable and productive year ahead of us and we are all going to have a lot of fun. If I was following a theme for the year it would be, "back to basics." As I am now once more semi retired I would welcome Lodges that will host joint meetings when requesting a Grand Master's visit. This concept has met with considerable success in other jurisdictions. It not only brings out more Brethren, but fosters closer relationships and allows the Grand Master to present some Masonic Education, which at the present time there is not enough of in our Jurisdiction. Time management issues may preclude a singular visit, so I ask Worshipful Masters to take this into consideration when planning."

The Grand Master announced a trip to Thompson to participate in the 50th Anniversary of the founding of the city along with Brethren of Mystery Lodge No. 174, the Northern

most Lodge in Manitoba. Thompson, Flin Flon and The Pas all lie above the 53rd Parallel and are administered by a representative of the Grand Master.

The Finance and Administration Chairman reported that the committee struggles with the financial implications of declining membership. A larger than forecast loss, double that anticipated, has resulted in deficit of \$5000.00 for 2005. The chairman qualified the situation by revealing that much of the problem is caused by a number of Lodges going into darkness. They are reported as a loss in membership until they take steps to affiliate with another Lodge. The implications for future are significant, as there was a large increase in the per capita (\$7) last year and a commitment not to raise it again this year. The surplus forecast for 2006 will not be realized. Many Grand Lodge expenses are fixed costs. The committee is determined to reduce expenses wherever possible and have adjusted the 2007 budget accordingly. The solution is to turn the membership trend around and until that time the committee will continue to be the bearer of ugly news.

The Benevolence Committee paid tribute to all volunteer Masons Cancer Drivers who drive cancer patients to and from treatment centers. During 2005 Cancer Care Drivers made 14,194 trips transporting 488 patients to and from various hospitals, a remarkable feat considering the fleet consists of 4 minivans. Their efforts were recognized at a banquet held by the Canadian Cancer Society, who was presented with a cheque from Grand Lodge in the amount of \$25,000 for the purchase of a new van.

A presentation of the "Mom & Kids I.D." Program, which the Grand Master urged all the Brethren to support, was made to the Chiefs' of Police of Manitoba. Attendees at the presentation suggested that the committee find a way to utilize CD Disks to accommodate newer computers. Grand Lodge has undertaken this task and has developed a system which utilizes "Business Card" CD's as they are small enough to be portable. The Special Projects Committee has recommended designating \$5000.00 to this project to update laptops to external CD drives and 3 inch CD's.

The Grand Archivist presented his first Report to Grand Lodge. This Office was created to collect information about the institution's history, organization, function and structure and thus constitutes the official memory of the Grand Lodge of Manitoba. It is felt that the selection process for this office should be similar to that of Grand Secretary or Grand Librarian, where a selection committee finds the best qualified person for the position, who, once ratified by Grand Lodge, would serve at the pleasure of the Board. The job description, wording for the Installation Ceremony and the issue of the Jewel and Apron, are being developed and will be brought to the Board and the Custodians of the Work when complete.

MINNESOTA

152nd Annual Communication

St. Louis Park, Minn. April 2005

The Grand Master, M.W. Bro. Gerald E. Rhoads, challenged the membership in the Jurisdiction to change he course of Minnesota Masonry by saying, "Yes We Can." He put these words into action by developing a program called "Fall Membership Festivals," designed as a means for Lodges to invite non-Masons to a first class breakfast so they could become acquainted with Freemasonry. The event was held in all of the 6 Grand Lodge Areas. Principal Officers and members were asked to escort a non-Mason to the occasion. The guests were informed that the reason they were present was that one of our members thought highly enough of them to be invited. They were told that our Brother thinks they would benefit from membership in the greatest Fraternity in the world. The experience was publicized through various means, including the Minnesota Mason. The effort yielded excellent participation, particularly in Metro areas. Benefits to the Lodges include effective publicity and membership opportunities. It was recommended Grand Lodge continue to sponsor the event.

The Grand Lodge Education Officer announced that the Speaker's Bureau has been set up and has gathered together a group of knowledgeable Masons who are willing to travel to Lodges and speak on a variety of subjects. All members of the Bureau are volunteers and Lodges were urged to invite them to speak on an educational program or at a Masonic function.

The Annual Report of Minnesota DeMolay stressed the importance of offering a safe and rewarding environment for youth. In this age of drugs, school violence and numerous other problems facing young people, organizations such as DeMolay are needed as never before. Membership must always be at the forefront as a young man can only be a member for a few years, so we must continue to replenish our ranks.

The Grand Lodge "Kissed Report" has been an unbelievable success. It has turned into a statewide effort to help promote the matter of child abduction awareness. What has also been accomplished is a renewed public awareness of what Masonry is dedicated to preserve. This service, within our communities and at public events, has revitalized our public image and repeats the message, "Masons Care About Kids." The sole purpose is to protect children, but we have been the beneficiaries of the gratitude of parents and the respect of our citizenry. Many new Masons have joined our ranks because of this. A very nice side effect.

The bond of friendship existing between the Grand Lodge of Minnesota and the Grand Lodge of Manitoba was expressed in a tribute to the Canadian Flag by M.W. Bro. Rhoads. "To Freemasons, the red symbolizes the dauntless courage of our forefathers, which we emulate; the white, that blameless purity of life and action to which we aspire; and the points, the eleven knightly virtues, of which patriotism is the greatest, and to which we are dedicated." In attendance were M.W. Bro. Donald W. Beattie, Grand Master, Manitoba and R.W. Bro. Brian J. Baillie, Senior Grand Warden, Manitoba, both of whom were declared honorary members of the Grand Lodge of Minnesota. They were invited to the East to receive their honorary membership certificates from the Grand Master.

MONTANA

139th Annual Communication

Bozeman, Montana, June, 2005

The Grand Master, M.W. Bro. David L. Prewett began his address with a quote from Theodore Roosevelt, "In any moment of decision the best thing you can do is the right thing, the next best thing is the wrong thing, and the worst thing you can do is nothing." "I am pleased to report that this year the Grand Lodge did many things that were the right thing to do." "It has been an interesting journey these past few years to see the shifts in Montana Masonry. I have seen a progressive resurgence in Masonry and a renewed interest in the ideals and principles it has to offer. I have witnessed brethren slowly returning to their Lodges and a new enthusiasm emerging. I have seen Lodges all over the State welcome new candidates and labour being resumed in all three degrees. I am proud to report that Masonry is alive and well and moving ahead in Montana."

The Grand Master also stated that the majority of Lodges are thriving and average member age has decreased. With the Initiation of younger men this trend will speed up. "However," he cautioned, "the problem still exists in the lack of mentoring experience and Officer training of this next generation of Masonic leaders. It will be a disservice to new members to rush them to the East. Grand Lodge has developed several resources and training opportunities for Lodge Officers which has proved to be beneficial. All Lodges are strongly encouraged in invest more time and energy into the training of their Officers and leaders."

M.W. Bro. Prewett referred to Grand Lodge's five-year plan for Masonry in Montana and the importance of its comprehensive program to maintain and build membership. The theme is 'Membership by Design, Not by Accident. Quality Membership is Job One.' "It is designed to not only build membership, but also Masonry in the creation of a positive image

in the community by promoting awareness of our public and charitable activities. This program provides Montana Masons with a method and information for talking to interested parties about Masonry and to share it with family and friends. This involves getting new members, keeping current ones and encouraging older ones to return."

"Many Lodges have been willing to burden themselves with the expense of remodeling their premises to improve their overall appearance. Our buildings are the first impression the community has of our Craft and they should always reflect a positive image."

"Lodges who successfully implement and manage a yearly program promoting Lodge activities, brotherhood, charitable work and involvement in the community are recognized under the Master Builder Program as Best Lodge in Montana and in second and third place as Builder Lodges."

"Another goal was to get a State Masonic License Plate. These are now available to purchase and the income from this goes into a foundation for public charity."

NETHERLANDS

Annual Communication

The Hague, June, 2006

The Grand Master, Diederik van Rossum, reflecting on the message of his previous Address in 2005, remarked that the initiatives advanced at that time, to strengthen the inner capability of the Grand Lodge of the Netherlands, have produced positive results. Membership figures show a modest, but positive increase. This is the first time in 25 years this has occurred. Total membership now stands at 5,629 in the Netherlands and 6,150 when factoring in Lodges in Suriname, Netherlands, Antilles, Aruba, South Africa and Zimbabwe. This bodes well for the Craft and gives additional reason to celebrate this special year, 2006, as the 250th Anniversary of Freemasonry in Holland Employing the expression, "Where ego is master, you reach disaster faster," the Grand Master encouraged all Districts and Lodges to set clear, specific goals and stay on target. Work together, heedful of the needs of others and place the good of the Craft above personal considerations.

The Financial Report provided additional good news, showing a surplus of 4,000 Euros due to careful management of the Grand Lodge Budget. The first Worshipful Master of Erasmus Lodge No. 297, Bangkok, Thailand was introduced as a special guest to the Grand Lodge Convocation. This Lodge was consecrated under the Grand Lodge of the Netherlands in January, 2006, and is operating in good order.

NEVADA

141st Annual Communication

Mesquite, Nevada, November, 2005

The Grand Master, M.W. Bro. Michael F. Lintner, commenting on the State of the Craft observed, "My Brothers, the condition of Masonry in Nevada is such that it runs a complete gamut of possibilities. Some Lodges are thriving and happy. I'm not merely commenting on their efforts to overcome their dwindling membership. The Lodges I have in mind are very active in their community and attract return repeat visitors. Some are suffering from poor attendance, low self esteem, a lack of Masonic Education and poor degree work. This is a reflection of lack of proper planning and leadership. It is my duty to make or legislate recommendations and policies expedient for the welfare of the Craft. I exhort all Wardens and Deacons. Start planning your year now, not when you are installed. You've got to start running your Lodge like a business. Make your degree work and your meetings interesting and informative. Conduct your degree work properly and with pride. My Brothers, I'm not going to stand here and tell you that Masonry in Nevada is alive and well, because it isn't. But if history tells us anything it is that there is a cycle to such things. The State of Nevada has been experiencing years of amazing growth. It stands to reason that a higher visibility

in our communities will excite some interest among our new arrivals to the State. With proper preparation you can be ready for the better days ahead."

The Grand Orator Ross A. Frazier, analyzing the membership issue, remarked, "To those who say the sky is falling, I respond that declining membership is not limited to Freemasons, but reflects a general decline in all service, professional and fraternal organizations. It is not an exclusive Masonic problem. But we must not, like other organizations, abandon our historic beliefs, traditions and practices. Many of the societal trends of the recent past have been rejected and the pendulum is swinging back to reflect the culture and values which made us great. The key is knowledge. Ritual, degree work, lectures and Masonic history must be taught by those who understand and know what they are saying. Knowledge, passed on to another Brother, will give you another teacher. If Masonry once again becomes a sought-after goal, properly taught to our initiates, our membership issue will to a large extent, resolve itself."

The Nevada Masonic Child Identification Program – CHIP – begun by Reno Lodge No. 13, has processed more than 14,500 children through the identification process since 2001. Parents, teachers, sponsors and police all appreciate the work being done in this field. Possibly no other community program has more successfully portrayed Masonry in such a positive light. Nevada has also expanded the ID program for the benefit of seniors suffering from Alzheimer's disease.

The Grand Lodge Office this year reported increased applications for the Masonic License Plate and reminded all Brethren that they must have Grand Lodge verify that they are a member in good standing before that Department of Motor Vehicles will issue the plates. The application fee is 20 Dollars, of which 15 goes to the Grand Lodge Charitable Fund and the balance for administration.

NEWFOUNDLAND AND LABRADOR

9th Annual Communication

St. John's, Nfld. October 2006

M.W. Bro. Donald W. Newell, Grand Master, in his comments on the Condition of the Craft, stressed the importance of the Masonic Education Program, saying, "We have to continue our interest in revitalizing and promoting more Masonic Education, both for our members and the community at large. Education and learning are the lifelines in keeping our members interested and active. We have to eliminate apathy and disinterest and be willing to accept the challenge of change."

The Grand Master also addressed the issue of Membership. "Many Lodges have endeavored to increase their numbers to keep pace with the losses caused by demits, resignations and losses through advanced age. We must continue to improve our communications with our constituent Lodges by any means available. Often our correspondence does not receive the attention it deserves. It is my firm opinion that our District Deputy Grand Masters should meet at least twice a year with our Grand Master, Deputy and Grand Secretary to ensure continuity of effort, direction and generally in dealing with management, membership and leadership issues."

The Committee of Benevolence reported that their efforts were concentrated on providing assistance to needy Widows and Brethren, not only on a monthly basis, but also in providing Christmas gratuities.

The Grand Master advised the following Amendment to the Grand Lodge Constitution Article 315, permitting applicants to apply at the age of 19 years instead of the former 21 years. The rationale submitted was as follows:

1. At the age of 19 one can serve one's country in the armed forces.
2. One can vote for the leaders of our municipalities, provinces and nation.
3. One is legally considered to be of the age of the majority.

The Motion was carried as presented.

NEW HAMPSHIRE

217th Annual Communication

Manchester, New Hampshire, May, 2006

Summarizing 'The State of The Craft,' M.W. Bro. David J. Lamprey Jr., Grand Master, commented, "I am happy to say that I can see the results of our programs, such as the Masters Classes, designed to improve the skills of our Officers, the Community Builders Award, used by Lodges to recognize people that are not Masons for their contributions to the community, the use of District Education Officers to do programs in the Lodges, the Lodges being more visible by participating in local events and improvements in Lodge work based on what they have learned at the Lodges of Instruction. I have also observed many Lodges are having more candidates and are very busy with degree work."

The Grand Historian, R.W. Bro. Harold E. Fernald Jr., has developed an innovative way of presenting Masonic History and Education by combining both in 'Living History' lectures narrating the accomplishments of Masons from New Hampshire who fought at the Battle of Gettysburg. The Brethren taking the part of these famous historical figures appeared in full Civil War Regalia. This type of presentation has been very well received and has been performed at 19 functions during the year.

The Committee on New Lodges recommended that the Grand Master approve a request for Dispensation to form a Special Lodge to be called 'General Court Lodge No. 1784.' The Lodge would accept as members only Master Masons who are, or were, Members of the New Hampshire House of Representatives or Senate. The Lodge Brethren must belong to a Constituent Lodge recognized by the Grand Lodge of New Hampshire. They will have the right to form teams only to exemplify Degrees in Constituent Lodges when invited to do so.

The Grand Secretary reported that membership gains were offset by Demits and Suspensions, which, had they not occurred, would have held the percentage of change to almost zero.

NEW MEXICO

129th Annual Communication

Farmington, New Mexico, March, 2006

In his Address, the Grand Master, M.W. Bro. G. Wayne Morrison, praised the valiant efforts of many Lodges in attempting to reach the goal of increasing Master Masons by ten percent, based on Lodge membership numbers. More Master Masons were raised than were lost due to suspensions, but less than were lost to deaths. "I am sure many of you will meet this goal later this year as the ball gets rolling. Once started, we find it easier than we thought to get the good new men we need in our Lodges. We must learn how to solve the numbers issue. There are plenty of good men in our communities, but we need to offer them something to attract their interest. I am positive that the fast track is through the public schools, but that will probably take ten years. We cannot continue to do nothing. Membership issues will continue to be symptomatic of our problems and at the forefront of work in our Lodges. The real issue is our significance in our communities and our State and Nation. I see the Masonic Student Assistance program as part of that philanthropy and this is where we must direct more effort. This is the first year a Membership Committee has been established by this Grand Jurisdiction and given the challenge, this is most appropriate and timely."

The Chairman of DeMolay reinforced the Grand Master's comments stating, "The time of sitting on the sidelines is over. We need to act now. We need to ensure not only the well being of our youth, but the future of our Fraternity. The boys we get to join DeMolay will play a large part in helping us grow in the coming years. There has been resurgence in these youth programs. We must consider how modern American society may be putting increasing

pressure on individuals, especially teenagers. We must address this and the broader issues in American society, the management of a trend towards violence. The teachings of DeMolay and the oldest Fraternity in the World can lessen this alarming trend.”

For the first time, a Membership Committee was established for this Grand Jurisdiction to address declining membership numbers. While specific results could not be reported during this inaugural year it is important to recognize the first step of focusing on this issue in a formal way. The committee recognizes the huge challenge to our Fraternity to address the correct balance between quantity and quality and the issue of retention. A recommendation was made to draft a formal policy to address membership issues.

NEW ZEALAND

116th Annual Communication

Wellington, New Zealand, June, 2006

Commenting on the State of the Craft, M.W. Bro. David W. Mace, Grand Master, reported, “Membership continues to be on the forefront of many of our initiatives. I am pleased to see an increase in our membership in the younger age group of our Craft. I have also been encouraged where Lodges have come together to combine their strengths and not struggle on with a weak Lodge. Education, mentoring and training is vital to the quality of our organization.”

The Board of General Purposes President, R.W. Bro. Stan Barker, expanded on this subject in his Report stating, “In many Lodges, Offices are being filled by Master Masons, in some cases all positions below that of Worshipful Master. No doubt these Lodges have achieved a balance between practicing Freemasonry and providing fun and fellowship. Lodges that have not quite got to that point might want to avail themselves of the various programs provided by their Districts. An ageing population means that a decline in the numbers in the older age group is inevitable. Our statistics show we have a positive growth rate in members under the age of 50, offset by a decline in the 50-60 year old age bracket. If members in this age group are not attending regularly, that is the first sign that they are not enjoying their Freemasonry as much as they used to.

Lodges should not wait for a resignation before asking why. Each individual, not just the Lodge, needs to take responsibility for membership. To maintain our numbers, a Lodge must initiate 3 new members every year and this should be the minimum target in Lodge Plans. Inaction is no longer an option. This is a trend we must try and reverse over the next 12 months that we may continue to rejuvenate Lodges through increased membership.”

NOVA SCOTIA

141st Annual Communication

Truro, Nova Scotia, June, 2006

In the Report of the Committee on the Condition of the Order, M.W. Bro. Lawrin C. Armstrong, Chairman, began, “In any organization worth belonging to, the membership must go through a self-examination from time to time to discover and correct any problems which may do serious or irreparable damage. What we have to report is basically a number of good news/bad news observations. Good news observations indicate that Lodges with a District Association were more successful than those without.

Lodges that make visitations to other Lodges and receive visitations in return are more likely to be better attended, more active and appear to enjoy more growth. Visitation is the heart of our Fraternity. Masonic Education is of great importance and the idea of some Lodges having different members prepare a lecture on some aspect of the Fraternity for presentation each month is one we would highlight. One great note of enthusiasm is the widespread support for the Scholarship Program, which has contributed over \$1,000,000 towards post-secondary education since it started. Our visible support of other programs

such as Scouting, Big Brothers/Big Sisters and the Halifax/Dartmouth Masonic Learning Centre for Children is something we have much to be proud of.

Bad news observations reveal Lodges struggling with declining membership, the resulting financial difficulties, or by a lack of participation of the Brethren on their active registration list. Some District Deputy Grand Master's reports gave an excellent overview of their Lodges activities while others lacked substance. Should we once again consider the possibility of the election of District Deputy Grand Masters rather than the present rotational system? Perhaps if members had to stand for election in each District, a process would evolve of putting the right Brother into this very important position? Standing for election would signify his willingness to make an honest effort to do what is required of him. We recommend that all members of our Grand Lodge take a serious look at where Masonry in Nova Scotia has been, is presently and where they wish to see it in the future. Some may feel we have been too critical, but we cannot bury our head in the sand at the first sign of trouble. Freemasonry in Nova Scotia is alive and while struggling with decreasing membership and participation, overall, it continues to be a major influence in the lives of good men. We must keep working with the thought in mind that Masonry has survived for centuries, through good times and bad, still prevails and will continue to do so far into the future."

The Grand Master, M.W. Bro. Harold Simeon Hardy, in his Address, stressed the importance of inspired leadership to the incoming District Deputy Grand Masters in saying, "Take due notice of the charge that will be given to you this afternoon by the Installing Officer. Improve on your talents that you will not let them diminish the interest in what should be the highlight of your year. We must all accept the responsibilities of our offices. I feel it is time to get back to reality and live and work with the great legacy our forefathers left for us."

OHIO

*196th Annual Communication
Columbus, Ohio, October, 2005*

M.W. Bro. James Williamson, in presenting positive and constructive solutions to the challenges facing Freemasonry in the State of Ohio, outlined the means by which Lodges could set their own personal goals to improve all aspects of the Craft requiring their consideration. The Plan is called, "One Moment in Time." Lodges addressed problems and looked for solutions in the following areas: Membership Development – Membership Retention – Public Relations – Community Service – Reduction of Suspensions for Non Payment of Dues and Goal Setting. Each Lodge established goals based upon their individual needs. Diamond and Platinum Awards were presented to Lodges in each District which met or exceeded their goals. Silver Accomplishment Awards were presented to those Lodges having no Suspension. 130 Lodges were recognized for their efforts in all these areas.

Commenting on the success of the program, M.W. Bro. Williamson stated, "I firmly believe the Fraternity is important to our country and to society. We are in a changing world. The question is, 'What is Masonry today?' It is my golden desire to see Freemasonry emerge from the shadows of its secret image by introducing public relations programs which would bring forth community recognition. Take this 'One Moment in Time' to prove that you can be more than you thought you could be. Feel that your finest day is yet to come, that this year has given you a new enthusiasm, a new momentum and a new hope for the Fraternity. One thing I do know, it is time to stop living in the memories of yesterday and start living the dreams of tomorrow."

PENNSYLVANIA

Annual Communication

Hershey, Pennsylvania, December, 2005

R.W. Grand Master William Slater II, in his closing remarks, said, "Pennsylvania Freemasonry has never been stronger. The Grand Lodge program – 'Man to Mason-One Day Adventure' – sparked a new commitment to reach out to good men and 'Share the Light.' Because of your efforts, we gained thousands of new members and leaders. It was the most successful membership initiative program implemented by Grand Lodge in 42 years and it showed that there are many men out there who still want to be Masons. Last year I asked you to make a list of men you thought worthy of becoming Masons. This year I am asking you to zero in and focus on one man whom you feel is a worthy candidate: insurance man, cleaner, mechanic, accountant, postman or doctor. Open up to that one man. Share the light of Freemasonry with and give him an *ASK* brochure. I'll bet the majority of you come back with a signed petition."

The Grand Master stated that several Brethren would be recognized for their efforts in signing 10 or more petitions during the Man to Mason Program by being presented with the 'Sharing the Light' Apron. The importance of the initiative was emphasized by the fact that in spite of its' success, there was still a slight net loss in membership. The Grand Master concluded, "If we truly want to strengthen our Fraternity for tomorrow, we must start with the youth of today. We must teach them the Masonic principles that will guide their lives and make young men want to become Masons as soon as they are eligible."

The incoming Grand Master, R.W. Bro. Ronald A. Aungst, underscored the importance of this by saying, "I have appointed a Membership Maintenance Committee to focus our efforts on enhancing the value of membership and ensuring that we meet the needs of our Brethren. We cannot accomplish this without a grassroots effort on the part of all our individual members. Success begins and ends with US!"

The Pennsylvania Masonic Foundation for Children's mission of reducing drug, alcohol abuse and violence through education and intervention continued to grow through 2005. The major programs supported by the Foundation include D.A.R.E. (Drug Abuse Resistance Education.) Other issues addressed by these programs are conflict resolution skills and emotional issues faced by adolescents. The name now reflects the universal mission of helping children become safe, vice-free, well-adjusted, upstanding adults.

The Committee on Fraternal Relations received a notification from the United Grand Lodge of England relative to the formation of a 'Regular Grand Lodge of England.' This Grand Lodge is an irregular body and claims to have been formed as a result of a schism within the United Grand Lodge of England. This allegation is totally unfounded. Extreme caution should be observed by any of our Brethren visiting a Lodge in England so as not to come into contact with anyone claiming to be a member of the 'Regular Grand Lodge of England.' Only the United Grand Lodge of England is recognized by the Grand Lodge of Pennsylvania.

PHILIPPINES

89th Annual Communication

Tagaytay City, Philippines, April, 2005

The Installation of M.W. Bro. Jun Ebdane as Grand Master was preceded by an introduction and address by Her Excellency, President Gloria Macapagal-Arroyo of the Republic of the Philippines. Reflecting on her grandfather's membership in the Craft she said, "Trustworthiness is so important and I'm glad this is a trait of Freemasons. The highest standards of individual character and social conduct is the way of human growth and brotherhood. We need such a principle in governance and nation-building." In his Inaugural Address, M.W. Bro. Ebdane chose the theme, "Revisiting the Past for the Future," and stressed the importance of continuity in continuing programs began by his predecessors as

long as they improve Grand Lodge for the common good of the Brethren. "It rests upon my shoulders," he continued "to jumpstart the five-year development program of our Grand Lodge. With this road map we hope to see a more focused, mission-oriented Grand Lodge that is committed to the well-being of the Craft and its members, addressing current concerns in membership, leadership, finance, and education."

"A major overhaul of the Grand Lodge building and the computer and administrative systems has taken place and improvements continue," reported the Past Grand Master, M.W. Bro. Roberto Q. Pagotan," and we have substantially accomplished the missions set out in our Trestle Board. We have improved the society's understanding of Masonry, maximized Masonic understanding among our brethren and enhanced the Masonic contribution to the environmental concern and understanding."

The Report of the Board of General Purposes announced the establishment of the Institute of Masonic Education. A Senior Grand Lecturer was appointed Director, and a minimum three-year term was recommended. All projected D.D.G.M.s and Grand Lodge Officers must undergo this course to qualify them for their appointment. A Corps of Lecturers will be established from whose ranks will come authorized Lodge Lecturers conversant in the delivery of all ritual and explanation of the symbols and veiled allegory contained within.

The Report of the Committee on Revision of the Constitution rejected a motion to adopt the scheme of rotation. It stated, "The elective Officers of the Grand Lodge should be elected based on their individual qualifications, not on the geographical regions they come from or represent." The Grand Secretary reported that although it is difficult to verify total accuracy due to incomplete membership records in some areas, a net gain of 291 Master Masons was indicated.

The Grand Guild of Past Masters announced a substantial increase in assistance given to Past Masters and their families in times of need to assist with hospitalization costs or other expenses. Effective May 1, 2005, death and hospital benefits were increased to P 12,000.00 and P 7,000.00 respectively. The Grand Guild President reported, "This is a laudable program, leading our Fraternity in showing Brotherly Love, Relief and Truth."

PRINCE EDWARD ISLAND

131st Annual Communication

Brackley, P.E.I., June, 2006

The Grand Master, M.W. Bro. David G. Hooper, reviewed the progress of the Craft in P.E.I. by stating, "During the year, I have tried in some small measure to steer a course that was guided by Ritual, Relief and Refreshment. Ritual we use to teach and discipline ourselves. Relief or benevolence we use to aid and assist those in need and Refreshment to cement the bonds of Brotherhood. A project was developed to try and interweave these three things. On P.E.I. this year we set out to improve the Ritual work of all 16 Constituent Lodges, all of which were visited by the Grand Master. Each Lodge was judged on their opening and closing. Votes were cast in each category by brothers who had attended all visitations. At each visitation the Brethren present were also encouraged to make a contribution to Benevolence. Of the money collected, half was for the winning Lodges and half for the Grand Lodge Benevolent Fund. The result was a sizeable contribution to the Benevolent Fund and a great improvement in the Ritual work in the jurisdiction." M.W. Bro. Hooper summarized, "everyone made an effort and that was the point of the exercise. If we continue to make an effort Masonry is not in danger of fading away." In his Annual Report, the Grand Historian, R.W. Bro. George Doughart, cited this and the steady emphasis on Masonic Education as noteworthy initiatives of the Grand Master. He also added that the Masons of P.E.I. have a strong legacy of support for Brethren who have served in the Canadian Armed Forces in wartime as well as peace.

During 2005, "The Year of the Veteran", several Constituent Lodges held meaningful programs to honour their veterans and those Brethren in active service. The Board of General Purposes reported receiving a letter from the Grand Lodge of India expressing their appreciation to Masons of P.E.I. who made a generous contribution to the Tsunami Relief Fund.

The Grand Secretary, R.W. Bro. Rowan B. Casely, included in his report statistical information indicating that attendance levels at the Grand Master's Visitation have been holding steady. He added that the Grand Master allowed all members of a Lodge to be counted for all Lodges in which they are members. There are Masons who support more than one Lodge on a regular basis and this allows them to stand up and be counted.

QUEBEC

135th Annual Communication

Montreal, Quebec, May, 2005

M.W. Bro. John E. Leide, Grand Master, addressing the assembly, stressed the importance of Masonic Education. "This year," he began, "I have continued my theme of Masonic Science, the daily advancement of Masonic Knowledge. I am pleased that a number of Lodges have begun to include instructional offerings as part of their meetings. On April 16, 2005, Charity Lodge exemplified the workings of an 18th Century Lodge at Karnak, to the edification of 225 brethren present. The event also raised \$2,800 to be divided equally between the Shrine Hospital and the Missing Children's Network CHIP program. The amount was augmented by the Masonic Foundation of Quebec so that a donation of \$2,000 could be made to each."

The Report of the Grand Secretary was presented showing a total membership of 4,671 in 82 Lodges, a decline of 4%, still lower than the standing average of recent years in North America. There are however, some encouraging improvements in these bleak looking numbers. Initiations are at 2.9% of membership, the highest of the last three years. When the deceased are removed from the statistics, the change becomes 0.7% instead of 4%. Average Lodge attendance has increased by 5.3% over last year, hopefully indicating a period of increased interest in Masonry that will translate into new membership.

The Grand Master then called on M.W. Bro. Richard Fletcher, P.G.M. of Vermont and Executive Secretary of the Masonic Association of America, who said that the Grand Secretary's Report could have been read in any Jurisdiction in North America. He cited a quote regarding organizations in decline. "One thing tells me a company is in trouble when they tell me how good things were in the past. That was then. This is now. When memories exceed dreams, the end is near."

"Each initiative undertaken to increase membership such as one-day classes, shortened proficiency tests, lowered age requirement, Public Relations and advertising agencies, has hinted at success. But what of Demits and Suspensions? This has not been satisfactorily addressed. Freemasonry is in our hands. We can remedy this problem. That is why we are developing programs that are Lodge centered and directed." In closing, M.W. Bro. Fletcher noted that Quebec is the first Canadian Jurisdiction to become a member of M.S.A.

As a means to recognize Lodges successful in their efforts to increase membership, the Grand Master instituted an Annual Award of Achievement. Bronze Certificates recognize a one-year increase. Silver Certificates recognize two consecutive years, and for the first time, a Gold Certificate for those boosting their numbers for three. This year one third of the Lodges qualified for recognition. The Report of the Maintenance of the Archives of the Grand Lodge of Quebec, submitted by W. Bro. Jacques G. Ruelland, shows that in order to benefit from government support, the Grand Lodge of Quebec has become a member of Réseau des archives du Québec, (RAQ), permitting Grand Lodge access to Federal, Provincial and Municipal Grant programs reserved for institutions that house archives.

SASKATCHEWAN

100th Annual Communication

Prince Albert, Saskatchewan, June, 2006

Adopting the theme, "The Road to Success is Always Under Construction," M.W. Bro. Wilmer Pizzezy, newly installed Grand Master, presented his view of the 101st year of Saskatchewan Freemasonry. "We cannot stand blindly by and expect success to find us. Our continued success will only be realized through our own efforts and endeavours. This road has been under construction in Saskatchewan for 100 years and will continue for the next 100 years plus. During my term, I also wish to see public awareness as a partner in our future. Therefore, during the forthcoming year, Masons are granted without dispensation, the right to wear Masonic regalia and service medals when appearing in civil ceremonies such as Remembrance Day, Veteran Days and Masonic Church parades. Brethren, we live in a media entrenched world. We need to promote and increase our visibility within our Jurisdiction and the proper public use of Masonic regalia is one of those methods, especially during the continuation of our 2006 Masonic Centennial Celebrations."

Past Grand Master, M.W. Bro. William Fitzsimmons, concluded his Address with a recommendation to allow the Lodges to hold Information Nights, to open their doors to the public and let them see inside the Lodge Room, view the Jewels and Aprons and let them know how proud we are of our history and the good we do in our communities in terms of educational bursaries, the Masonic Youth Leadership Camp and charitable works. Hosting Information Nights may result in applications from potential candidates. The Communications and Public Relations Committee noted that an interview would be forthcoming with Shaw Community Access television regarding Saskatchewan Freemasonry and its celebration of 100 years as a Jurisdiction. Public awareness and media promotion is becoming a key component of Long Range Planning.

All Lodges are being encouraged to develop a Mentorship and Education Program to retain the interest of all new members after they have received the Master Mason degree. The Lodge Development and Renewal Committee reported an increase in almost every District, particularly in urban centres. Economic conditions and population shifts in rural areas, where there are no incentives for young men to stay, has resulted in decisions to amalgamate in order to keep the Lodge and its history alive. The Board of General Purposes is looking into a method of establishing a monthly reporting of membership information by Lodges which could eliminate the current system of Semi-Annual Returns.

The Committee on Fraternal Relations advised that Grand Lodges that do not meet the standards for recognition are being formed at an alarming rate. The Regular Grand Lodge of England is creating Lodges in many parts of South America. There is a movement called the United Grand Lodge of America Accepted Freemasons also trying to gain a foothold. With interest in Masonry being brought on by recent books and movies, it appears numerous clandestine groups are trying to capitalize on the situation.

SCOTLAND

*Regular Communication**Edinburgh, Scotland, June 2006*

Most Worshipful Grand Master Mason, Sir Archibald D. Orr Ewing, began his Report saying, "It has been my desire that we enter a period of stability and consolidation after some of the disruptions and changes over the last few years. Debate on the issues that face us are healthy and necessary as we have to recognize that society is changing and that our place in society and how we perceive and promote ourselves has to be revised from time to time. It would be strange and undesirable if were all of the same opinion as to how best to promote the Craft for the future, but I would hope that we should all recognize that sometimes our opinion on a particular issue, no matter how genuinely held, may be a minority one, and for

the long term good of the Craft, we should accept the majority view and move on. Nothing is more dangerous for any organization than the continual raking over of old coals. I would hope that we could progress and promote the Craft with a united front. I am confident we can achieve this, as the revised structures we implemented three years ago seem to be working well."

The Grand Master continued, "I am also mindful that the Grand Lodge of Scotland is an International Organization, one of the oldest and most respected in the World and that almost 42% of our Lodges are located outside of Scotland. To show we are a working part of the International Masonic Community, we have visited Lodges in India, Sri Lanka, Kenya and Malawi. What was most impressive was the charitable work they do in respect of Tsunami relief. They are building homes in conjunction with Catholic, Muslim and Buddhist communities. It is a fine example of how Masons can reach across borders of race, religion and creed to assist the communities in which our Brethren live. The Scottish Craft in the Grand Lodge of the Middle East is flourishing. Several new Lodges have been formed over the last few years and the standard of work is high. They continue to operate in sometimes very trying and at times dangerous conditions and they deserve our gratitude and continuous support."

SOUTH CAROLINA

269 Annual Communication

Myrtle Beach, South Carolina, June, 2006

M.W. Bro. Ronald C. Mitchum, Grand Master, in assessing the State of the Craft in South Carolina, remarked, "My Brothers, Masonry in South Carolina is truly doing well and will continue to improve when all Brethren and Lodges work within the community to improve society. Our Jurisdiction still suffered a loss of membership, but this number is declining each year. The loss is mainly due to NPD's. We need to do a study to determine why they dropped out and what changes they would recommend to keep them in Masonry. If we can determine this, we have a starting point." To alleviate the problem of NPD's, the Grand Master recommended Lodges consider the Perpetual Life Membership Program and change their by-laws to accept the concept of 'pay-back' to your Lodge for the past contributions of these Brethren to the Craft. The Grand Master has also continued the tradition of writing letters of welcome and encouragement to all newly raised Master Masons. One hundred and sixty eight letters were mailed over the last year.

The Report of the Grand Secretary stated that one hundred and three Lodges were presented with Certificates of Achievement for reporting that no members had been dropped for NPD. This has a positive effect on the financial position of Grand Lodge and is one of the many constructive steps being taken to halt declining membership. The Report of the Masonic Service Association thanked all the Brethren for their generosity in contributing over \$30,000 to those communities on the Gulf Coast devastated by hurricanes this past summer. The South Carolina Masonic Research Society, responsible for recording the historical lineage of their State, has long pursued the belief that Lt. George Dixon, Commander of the Confederate State Ship 'Hunley,' the first submarine to be engaged in warfare and responsible for sinking the U.S.S. 'Housatonic' in Charleston harbor, was a Brother Mason. Confirmation of this was found in an entry in a Masonic Register in Charleston dated November 20, 1863, in the form of his signature. Also visiting was James McIntock, designer of the 'Hunley.' Presiding over the meeting was none other than Albert G. Mackey, author of the definitive Encyclopedia of Freemasonry.

SOUTH DAKOTA*131st Annual Communication**Rapid City, South Dakota, June, 2005*

In his Address to Grand Lodge, the Grand Master, M.W. Bro. William A. Coffield praised the results of the "Plus One" program designed to increase membership in all Lodges across the State. "Bring Yourself to Lodge-Plus One" was the theme. The Grand Master presented awards to all Lodges who achieved a gain in membership for the year 2004–2005. The goal of the program was to have a real increase for this year and to make a 500 person gain in the following and all subsequent years. In addition, the plan employed re-instating as many as possible from the ranks of demits and suspensions and to make Membership Committees a vital part of each Lodge. M.W. Bro. Coffield stressed that retaining members depends on making Lodge meetings relevant and inclusive to all age groups. He cited an article written by the Grand Orator entitled, "How do you recognize the expectations of different generations in your membership?" "Masonic Lodges were once the social centres of our community," he began. "The World has changed. We need to change our attitudes and activities and be relative in this high- speed informed era. Men in their 20's and 30's do not come to meetings designed by men in their 70's and 80's. Look for ways to incorporate new ideas and plan meaningful, exciting and involving activities. Stress the positive things your Lodge or members have done for your community. Attracting new members will always be a challenge with so much competition for our time in today's society, but the rewards are so fulfilling when we see our growth escalate. The tenets of Masonry will be maintained and the future of our Fraternity assured if we are willing to accept the changing environment presented to us by today's World. The enthusiasm of younger members can bring new vitality to our Masonic Family. Think about it. Do something about it."

The Grand Master then introduced R.W. Bro. Denny Robinson to present his findings on the National Child Identification Program or CHIP. A child disappears every 40 seconds in the U. S. Freemasons in the Eastern U.S. formulated the CHIP program whereby Lodges work locally with the police department, teachers and dentists to develop a comprehensive way of identifying these children. Fingerprints, DNA swabs, tooth impressions, digital imaging and photographs are collected and the information is given to the parents to keep in case their child is abducted. It costs \$2.00 to \$4.50 per kit for each child. In closing, R.W. Bro. Robinson stated, "I fully believe the need is there. We must find a way to fund this program. We have talked a lot about community service, involvement, visibility, bonding and good works. Think of the exposure we would get. Let us get it started. The money will come. For anything good the money will always follow."

VIRGINIA*227th Annual Communication**Virginia, November, 2005*

The Grand Master, M.W. Bro. John R. Quinley, in his opening address, said, "I have stated time and again that our success as a Fraternity must rely not just on our leadership, but also on our membership. The theme I adopted at my Installation, "Living Masonry Daily" and the programmers I have initiated have encouraged participation by everyone and not just a few. We must never lose sight that we are special men to whom much has been given, therefore much shall be required of us. To address the problem of financial health and membership, we must continue to take stock of who we are and where we are going. Masonry must not become so expensive as to become unattractive, but by the same token it must not be sold cheaply either. "Commenting on the State of the Craft, he continued, "An objective assessment would be that things are not all good, neither are they all bad. Our Revitalization Programmed, in seeking solutions to the membership problem, includes a Long Range Study Committee whose mandate asks the question, "Whom do we wish to

attract and how best to attract them?" The opportunities may be in our home, workplace or place of worship. Many of the things we believe secret are not and approaches can be made without violating our traditions."

"I also recommend that the Committee on Masonic Education continue to develop ways of providing training to potential Lodge Officers through the Internet, classroom and correspondence courses. The foundation of Freemasonry is based on our Ritual and its fullness on our education. We need both to exist as functional Masons."

The Grand Master praised the efforts of the Grand Lodge Masonic Relief Fund who has been set the task of raising a \$2,000,000 endowment to provide assistance to Lodges, Widows and Brethren in need. Since its inception in 2004, the fund has raised a total to-date of \$476,000.

In conclusion, M.W. Bro Quinley stated, "Having said these things, I am pleased to report that our Craft is strong. We have an opportunity to demonstrate our strengths to men of good character. We must continue to show the world who we say we are by *Living Freemasonry Daily*."

WASHINGTON

148 Annual Communication

Wenatchee, Washington, June, 2005

Reporting on the State of the Craft, the Grand Master, M.W. Bro. Satoro Tashiro began, "I spent many hours and days on the theme of the year, for it represented to me what I truly believed was at the core of our continuing relevancy to our community and ourselves." "Change – The Key to the Future," was selected because it represented what I believe we must accept to survive as a Fraternity for the years to come. The year has seen petitions being read and Degrees conferred at an accelerated rate and I would suspect the membership numbers for this calendar year will support this observation. Despite the increased influx of Master Masons, many Lodges have consolidated and some have fallen victim to a changing society and a shifting population. But on a positive note I believe Masonry will evolve in the coming decades attuned to the needs of the 21st century. To this end I have been encouraging the formation of a new type of Lodge, formed around the Brethren having a common bond or interest, using the traditional Lodges as a springboard. One of these Lodges will have as its focus, bringing together Brethren who are Scottish in descent or interest. This could be the beginning of a new type of Lodge, which reminds us of our earlier history where Lodges were formed around professions or shared concerns."

The Public Relations Committee reported that a growing number of Lodges are becoming involved in their communities. Many have requested and received approval for the use of the Square and Compasses as they interact with the general public at fairs, etc. Such a display demonstrates our support of the youth and the public schools as well as reinforcing our basic tenets of relief of the distressed, our fraternalism and our strong moral values.

The Grand Secretary, R.W. Bro. David P. Owen, reported that current data tends to show a leveling in the decline of the membership and the net percentage of gains and losses is approaching zero. Commenting on the positive results of the Grand Master's theme, he said, "Change is not instant, but as we travel on the level of time we change the face of Masonry. Your message carries a renewed hope. If not us, then who? If not now, then when? "Kaizen" is the Japanese word for incremental change, a process used to change business over time. One advantage of this system is the reduced level of stress on people and systems. This year we all experienced this phenomenon. Through all this, we hold true to the tenets taught us throughout our travels. These words of Sun Tzu are appropriate. "Do not repeat the tactics that have gained you one victory, but let your methods be regulated by the infinite variety of circumstances."

SUMMARY REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS 2006 – 2007

Algoma District – 10 Lodges

R.W. Bro. Patrick Curran

Masonry in Algoma District is, certainly holding it's own. In a region that is suffering massive job losses in every sector of it's economy, forcing some brethren to look for employment in other jurisdictions but retain a residence in this district.

Algoma District consists of ten lodges, six are located in the city of Thunder Bay, while four are spread over the rest of the district, requiring up to six hour drive to visit. At present time there is one lodge that is considering amalgamation but a group of enthusiastic Past Masters are trying to turn it around.

The promotion of the District Web Site continued in this year, encouraging the Masters of each lodge to submit write-ups, pictures and contact people to encourage individuals to show interest in our fraternity.

In the past year we had the pleasure of hosting numerous Grand Lodge Committees, giving the brethren a better understanding of the various programs offered by Grand Lodge and the Masonic Foundation.

In the spring of this year the brethren had the honour of hosting the Grand Master on his official visit to Algoma District. Along with numerous Grand Lodge officers present the Grand Master of Minnesota was in attendance.

Finally I would like to extend by heartfelt thanks to all the officers and brethren of the district for the warm welcome and courtesies extended to myself the District Secretary and the various Committees, and for nominating me for the office of District Deputy Grand Master.

Algoma East – 8 Lodges

R.W. Bro. Patrick W. O'Shaughnessy

Algoma East District is comprised of eight lodges three lodges of which are located in the City of Sault Ste Marie and one each in the communities of Blind River, Thessalon, Elliot Lake, Chapleau and last but not least Wawa. It is with great pride that I report that there was an increase in membership into Masonry within Algoma East District again this year. A total of twenty four new members were initiated into Masonry along with five affiliations were received throughout the district. This is not universal throughout the district. The three lodges in Sault Ste Marie had the majority of the new growth with the out lining lodges averaging two to four new members.

The support that each and every lodge has displayed both during my official visits and special events has demonstrated the strength and support of the district. The official visits saw an average of fifty plus masons in attendance. Every lodge in the district has at least one function that gets them involved in the community there by promoting Masonry and widening our awareness in each community in the district. This is done in many ways by opening our lodges to community breakfasts, family days open to members and friends, annual charity golf scrambles. The majority of the lodges raise money to help cover expenses and give donations to charitable organizations and by providing bursary to the local high school graduated.

To start our year in Algoma East District a Grand Lodge Degree Team was put into place. The team consisted of Past Grand Lodge Officers from the district. We were asked to perform two initiations at Lorne Lodge No. 622. The degree team was made up of Eighteen Past District Deputy Grand Masters, Eight Grand Lodge Stewards and two Grand Lodge Standard Bearers, what a way to welcome two newly initiated members to Masonry. To end our year we again were asked by a Grand Lodge Degree Team from Temiskaming District if they could perform an initiation at Lorne Lodge No. 622. A total of Twenty two Past Grand Lodge Officers performed the Initiation which again was very well attended. This was a real eye opener for the members of Lorne Lodge as attendance was lacking at time. I am

very honoured to report that the spark has been relight and masonry is back on track in Chapleau. All the chairs are filled and they have another three application ready for the fall meetings. I would like to see a continued effort to keep the Lodge of Instruction going into the future and get our younger members involved as they are our future and upcoming Grand Lodge Members.

The Grand Lodge programs have been promoted into all the lodges within the district and have been well received by all our members especially the Brother to Brother program. Finally I wish to thank the Grand Master and all the Grand Lodge Officers for their assistance when required. Also I would like to thank all the committee chairs and the members of Algoma East District for their loyal and strong support giving me the opportunity and great privilege to serve them in the capacity of District Deputy Grand Master of Algoma East District for this Masonic year.

Brant District – 13 Lodges

R.W. Bro. Randy J. Hunt

Masonry in Brand District is more positive than Negative. Over the past few years the lodges which have not had new candidates and have been stagnant are now receiving new applicants.

The finances in the district vary greatly from one lodge to another, due to the amount of work being done for the lodge, the immediate need of funds for projects like charity or lodge building demands.

Amalgamations in Brant District would be hard to accomplish because the area covered by each individual lodge. The attachment Masons hold to a particular lodge and the area covered by that lodge that is hard to describe.

The Blood Donor Program is a strength in Brant District there are five lodges that sponsor clinics in Brantford, Paris, Burford and Waterford. Other lodges would sponsor the Blood Clinics but there are no dates available as other organizations now sponsor the clinics in their particular community.

The lodges are active in the community through involvement with the schools, farm Shows Remembrance day services, widows funds, Pumpkinfests, Father's Day Brunch, Pork BBQ's, Various Ladies Nights, Community Picnic's and Pre-schools.

Five lodges in the district have a long range planning Committee. The others lodges cover this committee under the auspices of the board of general purposes or plan on the fly.

For the last five years The Masters, Past Masters and Wardens Association has filled the top three executive positions with the incoming proposed District Deputy Grand Masters. Brant is on a rotation schedule for the position of District Deputy Grand Master, each lodge is assured a turn at least every thirteen years.

Each lodge should look in ward in order to promote Masonic Values in the lodge and by doing so the lodge will become more involved in the community thereby attracting new members into the order and current embers back to the order. Grand lodge programs need to be studied at the lodge level and used through out the year because there is no sense in inventing the wheel twice or thirteen times. As a last recommendation I would ask that each lodge appoint a competent person to act as a liaison to the Brant District Web Site, to update dates for degree work, special visits and pin presentations etc. Using the web site like this will improve communications and increase visiting.

Bruce District – 12 Lodges

R.W. Bro. Terrance J. Murphy

This has definitely been a pleasure for me to represent such an active District. The lodges in the district have been very active for this year. As most organizations are struggling to get newer members, our district has been blessed with a very good number of fine men starting their Masonic journey in this unbelievable fraternity. We must be doing something right to have such an abundance of new members. I made it my goal this year to visit every lodge that was conferring an Entered Apprentice degree. At the time, I just didn't realize that this commitment would have me out so many nights. I have enjoyed the fellowship shown

by all the lodges in the district and I'm sure some of the lodges would like me to affiliate as I was there sometimes more than some of their members. There have been many 50 year pin presentations this year as well as a few 60 year pins. Our official visits showed the district's support for the Masters as we had an average of 70 per meeting and out of twelve lodges we had meetings with 10 Masters in attendance. What a show of support for the district. We have a fine group of past and present Grand Lodge Officers as well as Board Members who help guide the district well.

A couple of lodges in the District are going through tough times and are a concern. However, one must be impressed with the fact that there have been many degrees performed in an excellent manner. Degrees were performed in most of the lodges; this is a positive outlook for the Craft. The Entered Apprentice Welcoming Team fell by the wayside this year and we are trying to start it up again next year. It is enjoyable for a candidate to see so many faces in the lodge showing their support. Many lodges in the District are now using e-mail and it is improving the movement of information within the district and hopefully will help increase the numbers for visitations as well as work in the degrees.

The District Devine Service was well attended and the Masonic Image to our families and friends was positive. Our presence in the communities is very impressive with floats in Parades, Steak BBQ's, Fish Fries, Rib Fest, Golf Tournaments, District Curling, Card Nights, Christmas dinners and Breakfast. We were invited to attend the largest event in Bruce, "The Pumpkin Fest" held in Port Elgin with over 50 thousand attending. From our display, we had 11 applicants interested in Freemasonry. We started the year off with a Lodge of Instruction in Kitchener, and we carried this further with two mini lodges of Instructions conducted in the district. They were well attended by members of Bruce, Grey and North Huron districts. This has helped many of the newer brethren understand the work which was evident by the proficiency of the degree work of the district. The annual Degree in The Barn at the Outdoor Education Centre, was held with a larger than expected crowd enjoying the degree and the inspirational talk by R.W. Bro. Raymond Daniels. As the Outdoor Education centre is Bruce's District Charity this year, the donations are definitely going to a good cause.

Chatham District – 11 Lodges

R.W. Bro. Ronald F. Fuller

I've found masonry in Chatham District this past year to be very active and interesting. Although some Lodges may not be strong in numbers they make up for it with enthusiasm, attracting new members and proficiency of work. All the lodges except for one has a nice balance of Master Masons and Past Masters going through the chairs. The one lodge with only Past Masters in the chairs is still very active drawing a good turnout of members and visitors. The lodges are all financially sound and have a good working relationship with one another giving support whenever requested.

Chatham District is very good in supporting their community. They help with many projects such as the Bruce B. Foster Foundation (which gave six-one-thousand dollar bursaries to students for continuing education in 2006). Chatham-Kent bears program for traumatized children, school breakfast programs, children playground and swimming programs, Heart and Stroke, Canadian Cancer Society, Christmas Parade, Remembrance Day Service and the library board.

The past year I've had the pleasure and honour to assist in the presentation of 50 and 60 year pins to brethren in the district. Their recollections and remembrances of years past, what they have enjoyed, the Masonic friendships they made, and their heart felt thanks to the lodge I find very interesting.

My wife and I have had the privilege attending receptions for the Grand Master in surrounding districts as well as the Chatham District reception and 125th anniversary celebration of Howard Lodge No. 391, of which I am a member and we express our sincere thanks for being invited. It is always a pleasure to attend ladies appreciation events, lodge dinners and district social affairs. During the year I've enjoyed visiting in other districts, getting to know their DDGM better and having them return to my district.

I've been honoured to be elected to serve Chatham District as their DDGM. It's been a very busy and rewarding year.

Eastern District – 16 Lodges

R.W. Bro. Gary C. MacGregor

The state of Masonry in the Eastern District is in better shape then it has been for a number of years. The successful Lodges are following the Grand Lodge Programmes. There are some Lodges with good financial backing and others who are just making it, but all are surviving through fund raising events when money is needed. Most lodges have a bursary and donations are made to local schools. Our District gave out \$10,000 last year to 50 students in our area. I presented one cheque on behalf of the Masonic Foundation of Ontario to a student at Saint Lawrence College in Cornwall.

All lodges have had at least one new candidate and some Lodges several candidates. We are saddened to have lost 13 Brethren to the Grand Lodge Above, but Eastern District has been fortunate to have had twenty four new Masons Initiated into the Craft in my term as District Deputy.

The District Entered Apprentice Mason Team and I have been assisting in these Initiations by presenting a letter to the new Mason explaining a little about Grand Lodge, our District, and the Home Lodge as well as his responsibilities.

Although there are still a few Lodges that are in need of support, they are receiving help from the other stronger Lodges in the District.

Eastern District has had several visits from Grand Lodge Officers who have assisted our District by putting on a Lodge of Instruction and a Lodge of Discussion. An Initiation was also done for us by the Deputy Grand Master, three Past Grand Masters, and several Grand Lodge Officers followed by a very enjoyable casual reception.

Eastern District has a new website and you can find it at: www.easterndistrictmasons.com. Thanks to all who made this a reality.

Our Eastern District project is the moving of an old "Orange Lodge" building from Kars to Upper Canada Village where it will be restored to 1867 vintage as a Masonic Lodge Building.

Thanks to all the DDGM's who travelled with and supported me throughout the year.

Erie District – 9 Lodges

R.W. Bro. R. Bruce Jackson

Overall Masonry in Erie District is in good condition except one who has been struggling for the past year or so. The quality of the work in the lodges has been good to excellent. All lodges are financially stable and are involved in community activities.

Membership is declining at this time in several lodges while one lodge has been kept very busy dealing with applications. The Blood Donor programme was successful with an increase of donors.

I had many highlights as DDGM this year. I had the opportunity and privilege to assist in the presentation to honour a 69 year mason who is also a 61 year Past Master with the Grand Master in attendance; two 50 year pins; one 60 year pin; one 50 year Veteran's medal. Three brothers were initiated into Masonry the same evening with the Deputy Grand Master present. Corner Stone laying with the Grand Master and Deputy Grand Master in attendance. Official visit to Pelee Island with over 130 present.

I would like to thank the Brethren for giving me the distinct pleasure of allowing me to serve them as DDGM of Erie District and to the friendly and cordial greetings I received while visiting in and out of the District.

Frontenac District – 16 Lodges

R.W. Bro. Raymond B. Winfield

Frontenac District, with approximately 1134 members in one or more of the 16 lodges, lies within the boundaries of Gananoque in the east, to Napanee in the west, Northbrook in the north (north of Hwy 7), to Sharbot Lake and Newboro in the northeast and follows Hwy 15 & 32 to the south. Of the 16 Lodges, 3 had no applications for initiation. Applications

received total 30 for initiation and 20 for affiliation. St. Andrew's Lodge (North of 7) hosted the Grand Master and Grand Lodge for their dedication of a new lodge building. They have since received 9 applications. We started off the year with 18 lodges. Lorne Lodge No. 404 surrendered their warrant. Cataragui and Royal Edward lodges amalgamated under the name Royal Edward of Cataragui No. 92. Prince Arthur and Maple Leaf Lodges are beginning discussion with a view to amalgamation. While all lodges appear to be financially sound, a lack of energy and member participation is noted. The average of members involved and attending lodge is 17 being 24% of the average membership in a lodge.

The district approaches the selection of a nominee for District Deputy Grand Master on a rotational basis. This year, there were two consecutive lodges which declined to submit a name for the position of Vice President in the Association.

The theme for this year (2006-07) was Music, Obesity, and Unity. With Music we have laid the seed to have a District choir that would be able to do the Music portions of the degrees. The 'War on Obesity' is the District Project with a goal of \$10,000 to be allocated to the Centre for Obesity Research and Education at Queen's University. Unity to me means doing something together as a cohesive unit. We started with a BBQ for committee chairmen and their spouses, met mid term with a Saturday Breakfast with Worshipful Masters and held a District Divine Service with 70 attending. As well, we are committed this September to assist at the International Plowing Match in Crosby.

While we have seen sloppy floor work and wands used as a direction pointer and learning post, the majority of lodges by far outdo themselves and their degrees can leave you spell bound. Six monthly workshops on Protocol and Ritual were presented and well received by those who attended. We also have a team called the 40-Below Degree Team. This group of younger masons (below 40 yrs of age) are striving for perfection in degree work and are to be commended for their activity.

I am proud to have served as the Grand Master's representative this year and I would close with this thought Cherish the Past, Participate in the Present, and most importantly, Support those who represent our Future.

Georgian North District – 12 Lodges

R.W. Bro. Brian E. Seabourn

Our District year started with one hundred and fifty guest attending at Ste. Marie Amongst-the-Hurons. Mid evening the historical site caught fire and the reception terminated with various Brethren assisting firefighters.

Research regarding Lodge utilization of critical Grand Lodge programmes was initiated. Most were found unused and seemingly dormant. To rejuvenate, the Grand Lodge B2B committee made two presentations, both well received and attended in Orillia and Collingwood. The District Chairman of F2F and Mentors held a Saturday seminar in Elmvalle that was also well attended. The Grand Lodge- Lodge of Instruction team presented their programme in Barrie, where eight of our Lodges were represented.

I trust this rejuvenation will continue to evolve and grow, as much work is needed to get the desired results.

The Grand Master attended a Georgian Districts social club luncheon in Orillia, and then the Installation at Victoria Lodge No. 470. Past Grand Master Ronald E. Groshaw was accompanied by Present and Past Grand Lodge Officers to Coronation Lodge No. 466, and the Deputy Grand Master attended, and received an Honourary Membership into Manito Lodge No. 90.

Our District Project supporting the Simcoe County Museum will see Masonic Display open to the public June 20, 2007 through November 2007, and a permanent display is now under consideration.

At writing, the Midland Temple is being sold. It houses three craft Lodges, and numerous other Masonic bodies. Plans are underway for Caledonia Lodge No. 249 and Victoria Lodge No. 470 to amalgamate, then utilize the Temple in Victoria Harbour. The two remaining Lodges have formed a joint committee to investigate their options, and consider a future. It would seem they have a one year window to exercise and implement

their plan to stay in Midland.

Eleven of the twelve Lodges have made progress in various areas. Some with membership increase, others with improved ritual, and others with improving Officer Progression. The one outstanding Lodge has initiated an internal review, is addressing issues in a positive and realistic manner, and will face difficult choices over the coming year.

Georgian South District – 10 Lodges

R.W. Bro. Wm. W. W. McCulloch

Georgian South District is located north of the Greater Toronto Area. The membership totals between 1150 and 1200 Masons and this number remains stable. All Lodges are showing significant increases in new members. Demits, suspensions and TGLA are keeping the numbers level. Most of the new Initiates are younger men and hopefully this will change the equation in the future. Using the Brother to Brother Program will help in keeping these Brethren active. The Friend to Friend Program has been responsible for a large number of these Candidates.

The Lodges in the District have become more visible in the Community due to more participation in events throughout the District and getting coverage in the Media. Lodges are participating in such events as Community Days, Adopt a Road Program, Food Banks, assisting Lodges in other countries and sending Care Packages to our Troops. There are a number of new Members who have joined recently from CFB Borden and some of them are serving overseas.

The Masons of the District are very active in the Blood Donor Program. Our District Chairman, R.W. Bro. John Milne is a very avid supporter of this Program. The Lodges in Tottenham and Beeton organize and volunteer at Canadian blood Services Clinics.

Special Events in the District have been well attended including the Grand master's Reception, Lodge of Instruction, Warden's Association, Masonic Association and Ladies' Nights.

District Project in support of the Canadian Diabetic Association is progressing well with participation of all Lodges.

"Condition of Masonry" in Georgian South District is on the upswing. Most Lodges have no Past Masters in the progressive chairs and are in good Financial condition. There is an increase in inter-lodge visitations. Some of the Lodges are using programs such as Friend to Friend, Brother to Brother and Mentors and are benefiting by this. The Ritual and Protocol is well done in most Lodges.

Grey District – 12 Lodges

R.W. Bro. F. Gordon Hedges

Grey District consists of twelve lodges ranging from Owen Sound and Meaford on Georgian Bay south to Orangeville and Grand Valley. The geographical size of Grey District makes visiting a challenge for some of our lodges, especially in poor weather, but inter-lodge visitation is increasing. The Work & protocol in Grey District is very good and many compliments have been received about the friendly atmosphere of our country lodges. Four lodges report decreasing membership, one in particular is showing signs of trouble, but the officers are trying to improve its condition. Membership is increasing in some of the lodges. All of our lodges are working to improve their situation, some with more success than others, but they are trying. The Grand Lodge programs of Friend to Friend, Brother to Brother and Mentor are seeing more use and the lodges using them are having good results. This may encourage more lodges to make use of them. Friend to Friend breakfasts are more common and a drop-in lunch at the Owen Sound Temple every Thursday is quite popular. The busier lodges are taking candidates to neighbouring lodges for degree work in order to share the work and to avoid having candidates wait too long to advance in our science.

Two District Lodges of Instruction were held in the District. The first was held in the fall by North Star lodge, Owen Sound. It covered the topics of floor

work and protocol. The second was held in April at Mount Forest and was designed to help the upcoming Worshipful Masters and Wardens with planning. Planning for the Masonic year, Long Range Planning and Amalgamations were the topics covered. A computer resources and secretaries seminar will be held in June.

Several 25, 50 and 60 year awards were made in several lodges and St. George's Lodge #88 is celebrating its 150th anniversary. The annual Veteran's night held by Scott Lodge, Grand Valley was well attended and our Deputy Grand Master attended the event. Our District Ladies Night was well attended as was the Curling Bonspiel in January. A District Divine Service held in Markdale had a good turnout and the message by the Minister was very positive and complimentary of Masonry and its brethren. There was also a good turn out at the reception for the Grand Master held in Arthur this April. A District Golf Tournament is scheduled for May 28th. There has been the continuing good support by the brethren of Grey District for all district events held this year.

Overall Grey District is in good shape and has some good examples of Masonry at work, and I thank our District Secretary Worshipful Brother Garry Aitken for his work and dedication to the District this year.

Hamilton District A – 14 Lodges

R.W. Bro. D. J. Ivan Elliot

Hamilton District A geographically extends from Stoney Creek on the Southern boundary to Campbellville on the Northern, from Waterdown on the Western, to Oakville on the Eastern boundary. There are 14 Lodges contained therein. It has been my Privilege and Honour to represent the Grand Master at all Installations as well as attending to my responsibility for Official Visits at each and every Lodge. Many Lodges I have attended 4 to 5 times, especially to present Masonic Pins for 50 Years a Mason, 60 Years a Mason, 50 Year a Past Master, many 25 year pins, many Grand Lodge Certificates and Lewis Jewels. This include one Veteran Jubilee Medal.

I have participated in the presentation of 6 Bursaries on behalf of the Masonic Foundation, to needy students in their year of education, with their response being most touching.

Masonry as a whole, within the Hamilton Masonic District A is indeed "alive and well" with Fraternal enthusiasm being aptly displayed by the Brethren. Lodge Room Ritual followed established Protocol with a few minor correctable variances. The Work was presented from Memory, with no open Books evident in Lodge, except for that of the Official Prompter.

There were 8 Masonic Memorial Services conducted for departed Brethren, which I sadly attended this year, within the District. However, this is somewhat offset by the increased number of newly initiated Brethren. Grand Lodge programs such as F2F and Mentors are available at the majority of the District Lodges. Long Range Planning is effectively utilized by the majority of Lodges and the result is quite evident in their financial well being. No Amalgamations are being contemplated at this time.

The Fraternal Fellowship proffered to me as DDGM was excellent. The support of the Worshipful Masters, as well as the Present and Past Grand Lodge Officers and Brethren of the District was most heart warming and greatly appreciated.

Hamilton District B – 12 Lodges

R.W. Bro. David Gibson Sr.

It was a pleasure and an honour to represent Hamilton "B" as the District Deputy Grand Master. There are twelve lodges in Hamilton "B" they have all been proactive with some lodges having a Masonic Open House, showing Hollywood motion pictures that contain Masonic themes. Discussion of Masonic interests with the G-15 Group. Lodge brethren are visiting members that have not been to lodge for sometime. Brethren have received their 50 & 60 years of service lapel pin as well as 25 years a Past Master pin and Lewis

Jewel presentations. A community library was built and a Lodge took on the challenge of dedicating a Flagstaff. Attendance and candidates have significantly increased for the majority of lodges in Hamilton "B". This year our district successfully completed two major challenges. Our Blood Donors collected 7305 donations of whole blood and platelets surpassing last years record. Canadian Blood Services trained three members as Donor Ambassadors as well as a refresher course for our Hospitality Ambassadors. The district and the lodges maintained the scheduling and manning of 95 Blood Donor Clinics for 2006-2007. The Brethren of Hamilton "B" needed a benevolent project that would involved every Brother and Lodge in the district which they could get excited about and be proud that they participated in by assisting a person or persons in need of the generosity that comes from a Mason's heart. We named the project "Follow Your Guide". This project was to purchase one Vision Guide Dog. We then challenged all the Lodges in Hamilton "B" to assist in this endeavour. Well by the end of the six months time line Hamilton "B" was just a buzz with excitement. We now had enough money to purchase four Guide Dogs , two Visions, one Hearing and one Special Skills Dog. Not only has this project been very successful. But the enthusiasm that's been developed from "Follow Your Guide" has carried over to our lodges and the whole district has benefited from this experience. Masonry is for sure alive and doing extremely well in Hamilton District "B".

Hamilton District C – 14 Lodges

R.W. Bro. Eduardo J. Cordero

It is with pleasure that I am able to report that Hamilton Masonic District "C" had a very successful year. This success was the result of the dedication and enthusiasm of all the Lodges in the District, their Worshipful Masters and the Brethren in general. I want to take this opportunity to thank the District for the warmth, respect and brotherly love with which I was treated at every one of my visits; whether official or fraternal. My deepest gratitude goes to W. Bro. Reg. Joyce, District Secretary, for his support, hard labour and commitment to the office of the District Deputy Grand Master for Hamilton District "C". This report would not be complete without a note of recognition to all the District Committee Chairmen. It was their faithful commitment to their offices which brought about improvements in our District this year. New methods of operation were established in the administration of several Committees. We anticipate these changes will allow the committees to grow and develop even further in the years to come. First of all, we saw a drastic increase in the number of blood donations by our District. For the first time in years, several of the Lodges in the District sponsored blood clinics ran by the Canadian Blood Services. Consequently, we saw an increase of nearly 1000%; with over 819 units of blood accounted for. Second, we ran a District Charity for the 22q13 Deletion Syndrome, also known as the Phelan-McDermid Syndrome. The District collected over \$3,100.00 which will be donated to McGill University's Research Laboratories working on a cure for this genetic disorder. The District Committee for Masonic Education also arranged a successful Lodge of Instruction on November 27th, 2006, at the Masonic Centre of Hamilton, where the G-15 Group gave a presentation on the topic of open discussions in Lodge. At the start of the year, on August 17th, 2007, all District Chairmen and their ladies were invited to a BBQ at my home. The intent was to establish a rapport and develop plans of action for the ensuing year. The District Chairmen had the opportunity to announce their action plans at our Fall District meeting on September 16th, 2006. A Mid-Term District Meeting was held on February 17th, 2007, which gave an opportunity to the District Committees Chairmen to touch base, and re-evaluate the progress made in each of their departments. At our Spring District Meeting, on May 5th, 2007, the Committees Chairmen gave satisfactory reports on their favourable accomplishments.

This year, many of the Lodges in Hamilton District "C" experienced a high volume of initiations. The new candidate is young in age and full of enthusiasm. He is eager to learn, grow and participate in our Noble Craft. Several of my lectures on Official Visits

were directed at encouraging the Masters of the Lodges to instruct and employ the new young members into Masonry.

This year was definitely highlighted by a sense of high energy in the entire District. Official Visits were well attended with representatives from many lodges. Most of the District Chairmen attended all of the official visits, while many of them also accompanied me to fraternal visits to other Lodges as well.

I made several visits to each Lodge over and above my official duties. I visited several of the Lodges with busier social schedules on five or six different occasions. Both, the Fall and Spring District Meetings were well attended with representatives from most lodges. We also had a Fall and a Spring Divine Service organized by the Hamilton Masonic Districts Board of Relief. Unfortunately we also attended a number of Memorial Services for departed Brethren on request of their families. Brethren from all three Hamilton Masonic Districts attended the annual Family Sunrise Service and Breakfast on June 3rd, where R.W. Bro. Allan J. Petrisor was the speaker. It was another successful year for the organizers of this service. I want to remind all the brethren in our District of the Masonic Beef and Corn Roast to be held on August 22nd, 2007 at the Marriott Hall in Ancaster.

This year we received three Grand Lodge appointments in our District. V.W. Bro. John Aikman was appointed Grand Organist. V.W. Bro. James R. Boyd and V.W. Bro. William N. Brimer were appointed Grand Stewards. These Brethren accompanied me to many of my official as well as fraternal visits to Lodges and Grand Master Receptions in neighbouring Districts.

Masonry is alive and flourishing in the Hamilton Masonic District "C". For this reason we have a responsibility to forever uphold and maintain the integrity and reputation of our beloved Craft. Let us never fail to ensure that our Ancient Order continues to be as graceful, wise and dignified as it was always meant to be. It truly has been an unforgettable experience and a high honour to serve as District Deputy Grand Master. I am forever indebted to Hamilton Masonic District "C" in particular and Freemasonry in general.

May the M.H. give us all the strength to continue our labours for the betterment of our Fraternity.

London East District – 14 Lodges

R.W. Bro. Raymond Charles

Masonry in the London East District appears to be coasting along and I believe relying on our past history. The shortage of new officers is very visible in at least 90 percent of the lodges in the district, some chairs being filled by Past Masters and others vacant. There is a breakdown in the participation by a number of Masters and Wardens in the district in visitations which unfortunately is the result of those filling positions for the second or third time. Newer members are moving along to quickly in officers positions being WM's after only 4 or 5 years. The history of the district as regards participation is not being passed on to these officer and results in non attendance or no lodge representation at most visitations.

The District Secretary and I hosted a breakfast on Jan 6th and invited the WM's and Wardens to attend. It was a very informal affair with a question and answer period. Information on protocol and etiquette was distributed. It was very well attended and received, so much so that we had another in late March which again was open floor discussions. This enabled the groups to get to know one another better and did increase attendance at visitations. I am pleased to report that through these breakfasts the decision was made to have our first London East District BBQ which will be held on July the 8th and is open to all. The participation at this point is very good with all lodges assisting financially and we hope this will be an annual fundraising event and stimulate the interest of the lodge members.

In attendance at Masonic funeral services I witnessed some done very well but unfortunately some were done in a less than presentable manner and I have suggested to

those lodges that they spend an evening and rehearse the parts involved with the proper booklets available.

Talk of amalgamation has been mentioned by two lodges, but still in the discussion stage with their members. I was very pleased to attend a great number of 25, 50, 60 and a 75 year pin presentation in the district this year. It was a stimulating and heartwarming experience and the presentations went very well.

The London East and London West District divine service was well attended with the Mocha Trumpet Band playing some fine music for our pleasure.

I attended all but one initiation in the district and was pleased to see so many young men with an interest in our fraternity. If looked after properly these brethren will hopefully continue to play a part in our order. It has been a very exciting and rewarding experience in being the Grand Masters Representative in this district, I would like to thank the District Secretary for his assistance and also a big thank you to the district resource team who did such a fine job again this year.

Its been such a pleasure and I thank the district for giving me this opportunity, its something I will never forget.

London West District – 13 Lodges

R.W. Bro. David R. B. Kennedy

London West has enjoyed a successful and exciting year. Membership growth, innovative approaches to Masonic education and active lodges working in harmony characterize this district.

The district experienced its first amalgamation in October 2006 with the joining of Acacia 580 and St. Paul's 107. This was well supported within the district and although not without start-up issues, has been a positive experience for the new lodge.

London West was fortunate to host 3 regional Grand Lodge events this past year. A Lodge of Instruction (September), a Masonic Foundation seminar (January) and a Long Range Planning seminar (April) yielded significant participants from within the district and around the region.

In 2006/07 the DDGM focused on 3 main themes. At each OV, Master Masons who joined within the past 5 years were recognized by the DDGM and suggested ritual work was assigned. This program should lead to higher membership retention. Inter-lodge communication was also improved by monthly communication of planned degrees to increase attendance at degrees and provide new members with the opportunity to view recent degrees. At the commencement of the Masonic year a target of 1 blood donation per lodge member was initiated. The target although not attained resulted in a 30% gain in blood donations year over year.

A focus on inter lodge communications is strongly recommended in future years. Continued vigilance and attention to early resolution of private piques is also required. Facing these concerns head-on and solving them early within the lodge is important to maintain harmony.

There are 5 lodges in particular within this district, which have seen a significant number of new members under the age of 35. This is promising, but continued work to ensure these lodges continue to provide what brought these new members to Masonry is required. There is also a need to monitor small lodges and work with them to determine their long range plan.

In summary, London West continues to exemplify the genuine principles of masonry and with growing membership and excitement developed through community involvement it remains a strong and viable district.

Muskoka-Parry Sound District – 8 Lodges

R.W. Bro. Garnet E. Schenk

I am pleased to report on the Condition of Masonry in the Muskoka Parry Sound District for the year 2006-2007.

The District is comprised of eight lodges with a total membership 848 from across the District. The size of the lodges varies from a low of 48 members to a high of 227

members.

I presented a Masonic Maple Leaf Lapel Pin to each new members initiated in to th Order. A letter was sent to each candidate welcoming him into Masonry the M.W. The Grand Master and myself. There were a total of 27 candidates initiated in the District, there were 7 affiliations and 5 petitions for membership are under consideration.

The official and fraternal visits showed that lodges have both strengths and weaknesses. The significant fact is that the apparent strong lodges are not without weakness and the lodges with difficulties are not without some strength. The lack of long range planning and the lack of financial planning face all but two lodges. There is also a glaring lack of using Grand Lodge Resources effectively. The use of the B2B, Mentor, F2F and Long Range Planning could have a positive impact on most lodges if properly used to maximize results. A letter has been sent to each lodge after the Official Visit indicating areas of effectiveness and areas where improvement was needed in ritual and protocol. Minor inconsistencies were managed at the time by discussion with the Worshipful Master of the Worshipful Master and his Officers.

A District Lodge of Instruction and a Grand Lodge Resources were held 2007. Both these sessions were very successful events. It is hoped they might be repeated each year.

I thank the brethren of Muskoka Parry Sound for their support in helping to strengthen Freemasonry.

Niagara District A – 15 Lodges

R.W. Bro. J. David Prudhomme

It has been a very busy, prosperous and rewarding year with numerous events within Niagara District "A". The most memorable, that of being a part of the many initiations, the presenting of 25, 50, and 60-year pins and most notably, the presentation of an 80-year service pin to Rt. W. Bro. Charles Sankey. There were also many other events such as the refurbishing and rededicating of 2 Lodge Charters, hosting a successful Reception for the Grand Master, and many fund raising events hosted by the Lodges throughout the District. The Official Visits, Initiations and special event meetings were all well supported by visiting brethren.

The ritual work and mechanics throughout the District, for the most part, was very well done. Most of the Lodges are strong and vibrant, however a few are experiencing definite difficulties. The strong and vibrant ones are attracting new members, with a steady stream of new brethren advancing through the chairs, and are active in social and charitable activities. The Lodges in difficulty, in general, can be found functioning far to often with recycled officers, and have few if any outside activities. These Lodges demonstrate a lack of enthusiasm and fail to take advantage of available programs that just might improve their situation.

Niagara "A" has put the principals of Freemasonry to practice through charitable projects and volunteer work, and in turn has gained exposure within our communities. This exposure has attracted new members, while playing a much needed and worthwhile role in the community.

To wrap up the Masonic year, a Gala Fund Raising Dance is scheduled for the end of June, with all proceeds going towards the District Charity of Choice, Women's Place of Niagara, to add to the donations that have been submitted thus far. The strength and survival of Freemasonry in Niagara "A" is in the members and attracting new members. The Lodges need to find that harmonious balance that includes time in the Lodge, charitable activities, social events and family.

It has been my honor and privilege to serve the brethren of Niagara District "A" and to represent the Grand Master.

Niagara District B – 11 Lodges

R.W. Bro. Robert W. Piper

It is clear that at the beginning of this Masonic year, the condition of Masonry in Niagara District B left little to be desired. Many problems were addressed, and in order to deal

with these problems, the theme of "To Seek For That Which We Have Lost" was adopted. The District team pulled together and did a yeoman's job. While every team member significantly contributed; mentoring, education and charity efforts reached levels not seen for quite a number of years. The "Lodge of Exploration" that was put on was not only incredibly informative, but exceptionally well received throughout the entire Region of Niagara. The contributions to Women's Place (shelter for abused women) far exceeded all expectations.

The primary problem that needed to be addressed was the lack of fraternity. To that end, the "Capture the Apron" program was initiated. This was specifically designed to promote inter-Lodge visitation. I am pleased to report that not only is inter-Lodge visitation at levels not seen in quite some time, but attendance at the Official Visits and other District events is up a staggering amount over last year. The feeling of fraternity has been found, and Masons within this District are starting to feel good about the Craft again.

But all is not resolved within the District. Constant problems with one Lodge resulted in Grand Lodge taking extreme measures. Another Lodge has turned it's back on the District. It is a credit to the rest of the District that they banded together to rediscover the true meaning of the Craft.

This has been a transition year for Niagara B, and while strides have been taken to get the District back on course, I believe we have only started to achieve our full potential. With fraternity being restored (for the most part), the pleasant burden of taking the District to the next level lies with the future District Deputies and the Brethren at large.

Nipissing East District – 7 Lodges

R.W. Bro. Edward D. Bateman

Nipissing East District is comprised of 7 Lodges ranging in membership from 220 to 44. There are 2 large Lodges in North Bay. Nipissing Lodge No. 420 and North Bay Lodge No. 617 with around 200 members each. Mattawa Lodge No. 405 also shares the same lodge building. The lodge building in Mattawa was in need of too much repair to make it feasible for the members to undertake the cost. The other Lodge in the southern part of the District in Sturgeon Falls Lodge No. 447. In the northern part of the District, Temiskaming Lodge No. 462 and Silver Lodge No. 486 share the same lodge building in Haileybury. Elk lake Lodge No. 507 is the smallest Lodge but they have the newest building as their lodge building was destroyed by fire a few years ago.

The Lodge membership and attendance are a problem with some of the smaller Lodges and it is not surprising that the large population base of North Bay is a factor in the growth of the two Lodges there. All the Lodges are trying to make it a priority to increase attendance of their members at regular meetings.

None of the Lodges are experiencing any financial difficulties and the future financial increase are being taken care of with the increase in dues.

The quality of the ritual work in the District is very good in all Lodges. The Worshipful Masters, Officers and Brethren are striving to perform the degree work to a high standard. It is difficult in some Lodges that have had no candidates for some time but with exemplifications of degrees they are continuing to keep the skills honed. Masonic education is an important part of each Lodge's order of business and there is something of interest at each meeting.

The Lodges in Nipissing East are extremely visitor friendly. There are numerous visitations both within and outside of the District. There are several activities which help to promote fellowship including, a fish fry, golf tournament, ladies' night, coffee mornings, Divine Service, Remembrance Day Service, and yard sales, to name few.

The condition of Masonry in Nipissing East continues to be stable for the most part and where Lodges are struggling the Worshipful Masters and Brethren are committed to put forth an extra effort to rectify the situation and ensure a viable Masonic Lodge will remain in their communities.

North Huron District – 11 Lodges

R.W. Bro. Larry J. Harper

The Lodge of North Huron District are for the most part, are in good condition, both financially and masonically. The ritual I have seen is fair to good, though I wish more Lodges would attend the yearly Lodges Of Instruction put on by Grand Lodge. The Brother to Brother and Friend to Friend programs have also had some success in the District.

There has been some interest in Long Range Planning in the District, as there were three Brethren attending the seminar in London, Ontario, this past spring.

My overall experience as DDGM in North Huron has been very rewarding, with several pins being presented at various Lodges, ranging from 25 years to 50 years and one 60 year presented to W. Bro. Gordon Leggett, by Grand Master M.W. Bro. Gary L. Atkinson. The “Lewis Jewel” new this year, has been presented at a few Lodges. Then in May 2007, Fordwich Lodge had a family night and out of the 15 Jewels the Lodge applied for there were 12 presented that evening. It was also a pleasure to have R.W. Bro. Raymond Daniels, B. Of G. P. present, to give an explanation of the “Lewis Jewel” and it’s origin.

At the DDGM Regional meeting in July 2006, I recall the words of our Grand Master when he told us when writing this report that it is not to be “sugar coated”. Well from that I would say that North Huron District was established over 100 years ago when the railway lines connected the Lodges to one another. Now North Huron District has no railway lines left and it appears that the Lodges in the District are facing “slow and painful deaths”. The rural areas are now in a declining population, with many young hopeful candidates leaving to seek education or careers.

Each Lodge, I am aware, has it’s “heritage and pride”, as Masonic Institutions should. I am suggesting it is time that each Lodge look at their individual circumstances, consider the alternatives for the good of the Lodge and the Craft as a whole, to renew Masonry in North Huron District.

The dedicated Brethren of the individual Lodges, with help and effort of Grand Lodge assisting, the strength of the District will return.

Ontario District – 15 Lodges

R.W. Bro. Robert E. Jones

The lodges of Ontario District are supportive of one another which shows in the manner they interchange candidates and visit the various functions. In this day and age of two families working, and also working shift work, it has been a struggle to have all Masters out to Official Visits and Installations.

I have visited every lodge in the district and many two or three times. I have been received with dignity and I thank the Officers of each lodge for their courtesies extended to me and our District Secretary.

During the year many lodges took advantage of open house, friend to friend, mentors and computer services. The district held two lodges of instruction and found them to be very informative and productive.

The District Project ‘Hearth Place Cancer Support Centre’ was well supported and at the time of this writing we have exceeded our goal by 100%. In the spring the District held a ‘Black Tie Dinner and Dance’ in support of our project and raised \$6,800.00. This event brought together all the lodges of the District along with their ladies and many positive comments were forthcoming. Many lodges, individually, held special events to raise money for their own purposes and for the District Project and their contributions were appreciated. Lodge of Instruction and Mentors programs, when used, are working well. The lodges that take advantage of the Grand Lodge programs benefit.

Membership seems to be slipping slightly in some areas however most lodges have an abundance of new candidates and the declines can be attributed to death, demits and suspensions.

The officers presently in the chairs are doing a fine job and are holding their lodges together. Presently there are nine lodges which have repeat Masters in the Master’s chair.

This concerns me only slightly as there are brethren in the senior chairs who will take over in succeeding years and this condition will cease.

Overall Masonry in Ontario District is in fine shape and the work, during the year, has been for the most part exemplary.

I thank you for the opportunity to serve as DDGM of Ontario District for the year 2006-2007. It is an experience I will not soon forget.

Ottawa District 1 – 15 Lodges

R.W. Bro. Barry F. Burchill

Wow! What a year! Masonry in all its vicissitudes is alive and well in Ottawa District 1. All the 15 Lodges had new members to initiate this year. To that end I am happy to report that degree work, both ritual and floor work is being performed in accordance with the current "Book of the Work" and being done with quality and a great deal of dignity and respect to the traditions of our craft. The district Long Range Plan has had its annual update and is ready to assist the next DDGM, it was a great asset to the success of my year.

For the most part Lodges are making use of the available Grand Lodge Programs, some Lodges more than others. An annual "need assessment" should be done at each Lodge to see where these programs can help out. The 2 Ottawa Districts however held a very successful Grand Lodge of Instruction this year, with approximately 120 masons in attendance.

This year saw the completion of our District Project to raise a total of \$40,000.00 to sponsor the "Family room" at Rogers House (a pediatric palliative care facility) this has been an ongoing project for the past 4 years. I must thank the members of the District and the support of the Masonic Foundation of Ontario, for allowing us to reach our goal. In addition to the supporting the District Charity, all lodges have also lent their support to projects at the Lodge level benefiting a number of worthy groups and helping to raise our profile in their respective communities.

It was a tremendous experience being your DDGM this year! I would encourage all of the Lodges to build on the momentum we have started, focus on the positive, continue to work to correct those things that need fixing, employ as many members as we can, continue to enjoy an exemplary degree of protocol, keeping our high profile in the community and most importantly let's continue to MAKE A DIFFERENCE!

Ottawa District 2 – 15 Lodges

R.W. Bro. Norman E. Brooks

Masonry is alive and well in Ottawa 2 District. The "Work" in the majority of the lodges is executed very well throughout the District. Membership, in the lodges in most cases remains constant, the influx of initiates and affiliates has balanced the deaths and resignations. Cobden Lodge No. 459 & Enterprise Lodge No. 516 are currently working towards amalgamation. All Masonic buildings in the District meet the standards of their respective Communities and are well maintained. There were 23 initiates in the district lodges this year and there was a good balance of young and more mature men. M.W. Bro. Donald H. Mumby and his team conducted a Lodge of Instruction for the benefit of record turnout on October 21, 2006. W. Bro. Richard Loomes and his team put on a very successful District Lodge of Instruction on March 24, 2007 in Pembroke Lodge No. 128, Pembroke, ON., which was open to all Masons. A Grand Lodge Team put on a very successful Brother to Brother seminar at the Walkley Road Masonic Centre, Ottawa, ON March 10, 2007. We are fortunate in having a new and energetic computer resources and Web Page Webmaster in the person of W. Bro. Gordon Hutchison. Under the leadership of our new District Blood Donor chairman, W. Bro. Donald Fraser, 1757 donations were recorded this year, which is a gain of 2.45%. The lodges comprising Ottawa 2 District fall into two distinct classes. The country lodges are more active and better known to their communities. Few city lodges have lodge activities that resonate well with the community, however many individual members are active in community affairs. Many lodges sponsor Blood Donor Clinics throughout the jurisdiction. Dalhousie Lodge No.

52 continues to support Beavers, Cubs and Scouts in Orleans. Enterprise Lodge No. 516 is again sponsoring a "ride" in support of the Children's Hospital of Easter Ontario (CHEO). Many members take part in programmes to drive patients to various hospital appointments. The Relay for life in support of the Cancer Society is well supported by Renfrew Lodge No. 122, they also provide bursaries to the local High School. Madawaska Lodge continues their long established policy of supporting bursaries to the local high school. Additionally they donated momentarily towards the provision of a special vest for a Cystic Fibrosis suffering youth who required the vest to aid in his breathing. Ottawa 2 is blessed with dedicated, well motivated brethren in well run lodges.

Peterborough District – 12 Lodges

R.W. Bro. O. Harold Grills

Peterborough District has been very active this year. We hosted the Grand Lodge tent at the I.P.M. and also held the Grand Master's meet and greet in September. The Grand Master attended both of these events. Several Lodges have picked up some candidates with some Lodges picking up several candidates. Degree work in the District is very good with Past Officers helping out and encouraging the new members to participate.

Percy Lodge held a very successful Friend to Friend night in February with 19 friends attending. To date seven have joined or are in the process of joining with several more expressing an interest to join in the fall. Corinthian Lodge held three daylight Lodges in January, February and March and this was well received. The long range planning committee is working to benefit Masonry in the District.

At the present time talks are going on concerning amalgamation between Hastings Lodge No. 633 and Golden Rule Lodge No. 126. I do not know the outcome but I am sure it will benefit Masonry in the District.

There were numerous pins and awards handed out to members for long service. I was proud to present W. Bro. Jim Bird of Percy Lodge with his 50 year Past Master pin at our meeting in December.

The District newsletter was again produced by W. Bro. Robert McBride and well received throughout our District. Our District Calendar is to return in September. It has been greatly missed.

This year we worked at promoting Masonry at its finest. All Lodges were on board and did a fantastic job this year. It is starting to pay off already.

Peterborough District is a strong and hard working District for the betterment of Masonry and I feel that they are doing a great job in doing that.

Prince Edward District – 13 Lodges

R.W. Bro. Gerald A. Davidson

This was a very good for Masonry in Prince Edward District, highlighted by a well attended reception for the Grand Master on May 11. As well the District Past Masters, Masters, and Wardens Association hosted a reception for The Grand Registrar, R.W. Bro. Allen J. Hackett a member of Star-in-the-East Lodge. Both events were well attended by Masons and their ladies including Grand Lodge Officers and a large number of members from the District.

Stirling Lodge celebrated its 150th Anniversary with a well attended Lodge meeting and reception.

One of the most satisfactory events for me personally, and one that made me especially proud to be a Mason, was to present a Masonic Foundation bursary to a student at Loyalist College in Belleville. The recipient was most grateful as the bursary enabled her to complete her year of study.

Many Lodges are active their communities. Activities include: community suppers, breakfasts and lunches, open houses, participation in parades, participation in community festivals and Divine Services. I am particularly pleased to see so many Lodges participate in Remembrance Day services, it shows we care and must never forget. Some Lodges are reaching out to young people by presenting scholarships to deserving high school students.

The Lodges in the District are financially sound; however two Lodges had to sell their buildings and are now using other Lodges in the District to hold their meetings.

Many young men have been initiated into Masonry in the District. I am pleased to see that many of them are active in the work and do their work exceptionally well.

St. Lawrence District – 17 Lodges

R.W. Bro. Leonard B. Vincent

Masonry in St. Lawrence District is flourishing. The work is generally good to excellent. As I visited each of the seventeen lodges I found them to be conducted in an efficient and competent manner. Each lodge had active support from the secretary, past masters and officers. Summons are circulated, records kept and finances governed as per the Constitution. All banquets observed proper etiquette and protocol.

Lodge buildings are fairly well maintained, but some temples are on upper floors making it difficult for the aged and infirm. All but one of our lodges are governed by a Holding Corporation.

Our lodges are very active in the communities. Many of them have fund raising activities such as chicken or steak barbecues to both serve the community and to generate revenue for the lodges and charities.

Our membership is stable with most lodges getting an increase in candidates this year. This has caused most lodges to have to do more degree work than they have in several years. Only one Lodge had no candidates.

Our Masonic Association is very affective and it enables us to do some larger events. Our District Divine Service was held in the Harmony Temple this year. The Temple was formally a United Church and suited the occasion quite well. It was packed to near capacity. The District Chaplin who is a lay minister incorporated some Masonry into the service. The Blood donor Clinic was also well staffed by Masons and well received in the community. For the second year the Masons successfully organized and presented the Brockville Santa Claus Parade. Our fourth annual Masonic Quiz which is the culmination of our Masonic Education Programme was well received with about half of our lodges participating in a fun quiz evening. In February a curling bonspiel brought together Masons and friends from all across the District and some from without, for a day of fun. Our Masonic year wound down with "Quarry Lodge" where Masons can come and participate in a lodge in the open quarry beginning at high twelve on the second Saturday of June. Family and friends are welcome to come participate in the activities that span the whole weekend in Spencerville. This year we saw a first degree done New York State style by Alexandria Lodge No. 297, Alexandria Bay, New York. Our last District event before Grand Lodge was a quiet family picnic in the park in Delta.

As the District Deputy I have experienced a year of growth and pleasure and have been proud to be associated with the Masons in St. Lawrence District.

St. Thomas District – 10 Lodges

R.W. Bro. David W. Nichols

This year has been a year of many successes in St. Thomas District. Our lodges have seen an increase of incitations. At the time of writing this report the lodges in the district will have brought in 18 new brethren to Freemasonry. One of these lodges has brought in 4 candidates which is great considering they have struggled the last few years with no candidates and internal struggles. The lodges with candidates are seeing a return of the members who had fallen away due to no work and no reason to attend the meetings. The average age of our new candidates is approximately 40 years of age and they are energized about joining Masonry.

Overall our membership has remained steady through the district. The number of demits and suspensions is very minimal which is a good sign. The number of deaths has remained about the same with 24 members passing to the Grand Lodge Above.

We were pleased to have our Grand Master with us for 3 Fraternal Visits as he was able to present a 50 year pin on each of those occasions along with other numerous long service pins. The Grand Master and his Lady Sandy were with us as we honoured them

in November with a very successful Grand Masters Reception.

Our District Masonic Foundation continues to be successful with close to \$10,000 be raised and forwarded to following charities: Elgin-Middlesex VON, St. Thomas-Elgin Health Unit, Chron's & Colitis and continuing support of the Tatum Blackwell Fund which was started last year by the members of St. Marks Lodge No. 94.

On my official visits this years, I was pleased with the turnout which ranged from the smallest of 61 to largest being 99. The support of the District Worshipful Master was excellent at the visits where no less than 6 of 10 Worshipful Masters in attendance. District Officers filled their respective roles and I was very pleased to have all 17 of them at the final official visit in April at St. David's Lodge No. 302.

The support received from my mother lodge, Warren Lodge No. 120, Fingal, was very much appreciated and I thank you very much for proposing my name. We sure had fun journeying around our District together. I pleased to be able to take part in a number of pin presentations in the various lodges, but the ones that were a highlight this year, was being able to make a presentation of a Lewis Jewel. It was special to be able to present this, but even more special to allow a father to make this presentation to his son. Each of these evenings was very special.

I have had the honour of journeying outside my district on numerous occasions and welcomed with a handshake and excellent hospitality. The friendship established will continue for many years to come. I most certainly would like to thank our District Secretary, W. Bro. George Leverton for his role in assisting me this year. I could not have done it without, W. Bro. Leverton and all the best in the future.

Thanks to all of the brethren of St. Thomas District for a memorable year that I will cherish for many years to come.

Sarnia District – 17 Lodges

R.W. Bro. Leslie F. Armstrong

Freemasonry continues to flourish in Sarnia District. Visitation seems to be a vital part of success in the lodges. There is always a great crowd at the Official Visits. All the lodges seem to show great support for one another. Our membership is increasing steadily with new members although we have lost a number of great Masons to the Grand Lodge above.

Protocol and etiquette are well observed in most of the lodges. All guests and visitors were well received in all the lodges of Sarnia District.

The Degree Work and Ritual have been performed I most cases in an excellent manner. Finances vary from lodge to lodge, although most are doing well.

We have been busy in Sarnia District with our District Ladies Night, the District Golf Tournament, and our Bro. Harry Cooper Night which was held to honour him for receiving the William Mercer Wilson Medal. Tuscan Lodge No. 437 held its Annual Festive Board, while other lodges held Christmas Dinners, BBQ's, and even an information booth at the County Fair.

Many lodges held pin presentations for 25 yr, 50 yr, and 60 yr Service Awards. We also presented many Lewis Jewels to many Masons.

We started out the Masonic year with 17 lodges. On October 23, 2006 Otisippi #719 went into darkness, leaving Sarnia District with 16 lodges.

Our District Divine Service was held in June. This was a new approach to have an outdoor service on the Shores of Lake Huron at the Lambton United Church Centre.

Another new event is our 1st Annual Sarnia District BBQ to be held on August 11th, 2007 at the Camlachie Community Centre. We are all hoping this 1st Annual BBQ will be a great success.

We travelled in and out of Sarnia District throughout this past Masonic year. Our Grand Lodge Officers were received in a most excellent manner.

I feel Sarnia District will continue to be stable. I see younger men joining our fraternity and this is a very positive move that will keep lodges healthy for many years to come.

We were honoured to have our Grand Master visit us at many different Lodge and District functions. We are certainly proud of the fine job our own Most Worshipful Brother Gary L. Atkinson has done and is doing during his term as Grand Master.

South Huron – 13 Lodges

R.W. Bro. Allan M. Stewart

Overall, the condition of Masonry in South Huron is quite good. Several Lodges reported record numbers (in recent years) at their official DDGM visits. The same was true for the District Divine Service and the District Ladies Night.

The “new” Craig Lodge No. 574 in Ailsa Craig, which is an amalgamation of three previous lodges in the district, finished its first year. They now stand as a strong and viable lodge with 158 members on the registry and whose finances are in good shape. They boast an average attendance at regular meetings of 30. Their lodge won the “Traveling Gavel” more times than any other in the district.

St. James Lodge No. 73 is experiencing a re-birth of sorts. The 149 year old lodge recently moved into a new lodge room at a new site. The room is in its own building, which is divided between the lodge room and a banquet room. The lodge was dedicated on May 12, 2007. The excitement of completely renovating the building, cleaning and moving the furniture and the dedication has affected many members. Not only has existing brethren returned to the lodge, but they have initiated eight new members in one year.

In an attempt to give back to the community and bolster awareness of Masonry in young people, the Stratford Lodge No. 332 has begun a DeMolay Club in Stratford.

Sudbury-Manitoulin District – 9 Lodges

R.W. Bro. Peter L. Gordon

During my year in office I have been very conscious of my debt to the Master and members of Sudbury Manitoulin District for the honour and privilege of serving them as District Deputy Grand Master and for the cooperation they have shown me. I am also grateful to my District Secretary, W. Bro. Art Madore, without whom I could not have managed the year.

There are two significant events that highlight my year of office: 1. Being invested as District Deputy Grand Master 25 years after, and in the presence of, my own father, R. W. Bro. Stan Gordon, and, 2. Having our Grand Master, M.W. Bro. Gary L. Atkinson at the Celebration of the Centennial of my mother lodge, Gore Bay Lodge No. 472 on September 9, 2006.

Sudbury-Manitoulin District is made up of nine (9) lodges spread over an area that is 280 kilometres in length. Our membership boasts 958 Masons, all of whom endeavour to continue the vibrancy and zeal of the institution well into the next century. Indeed, one lodge having attained the milestone of 100 years of Masonry this year, is but one of three that have reached this level in the last sixteen years, and of 3 others who will make that in the next 20 years. Brethren from every walk of life are members of the craft. We initiated 26 men into the Fraternity this Masonic year, where we lost 21 to the Grand Lodge Above.

Lodges continue to participate in reciprocal visits, indeed, Nickel Lodge and Friendship Lodge have carried on this tradition for 47 years this year! The Ritual is conducted in accordance with the Book of the Work, 2007 Edition, and the Installation is conducted using the 2001 version of that Ritual.

Our Masonic Choir continues to entertain the Brethren and non-masons throughout the District, having attended the District Divine Service in Gore Bay in April, and participated in many other functions over the course of the year.

The Belrock Apartment continues to be made available for visiting Brethren and /or their families when attending a hospital in the Sudbury area for medical treatments, or appointments.

The Java guild continues to flourish, and each Tuesday they serve coffee and lunch to over 70 Brethren and visitors for \$3.00. This is their fifth year, and they have donated

over this time over \$24,000 to worthy caused inside and outside the District.

I was able to witness a degree in each lodge in the District on each of my Official Visits, and have or will have attended all the Installations in the District. I attended an Initiation in North Bay Lodge No. 617 on February 23, 2007 for a candidate Trevor Williamson who is the son-in-law of one our Past District Deputy Grand Masters, R.W. Bro. Bill Clark.

My District Secretary accompanied me on every Official Visit, and he reports that all lodges are in a sound financial position, buildings are well maintained, and that the records of all Lodge Secretaries are in excellent condition.

Sudbury-Manitoulin District is a vibrant and dynamic District. We continue to grow, this year having a net increase in the number of members in the District, and with the interest in the Java Guild continuing to build, it bodes well for our future. The lodges are all in good shape, physically as well as financially, and the membership profile is getting younger every year.

Temiskaming District – 8 Lodges

R.W. Bro. Richard R. Kallio

Masonry in Temiskaming District is at a crossroads.

Lodges in this district continue to struggle with membership and attendance issues. District membership is now below 540, with an average membership per lodge of 67 and an average monthly attendance of 13. While some lodges have demonstrably begun to rebuild, others are at critical mass and will not be sustainable in the lodge term unless membership is increased. Lodge closures and amalgamations within this district remain a possibility. Membership is, therefore, a critical issue. Fortunately, all lodges have a core group of dedicated brethren to sustain their operation in the short term, and serve as a platform for rebuilding.

The immediate and thorough implementation of Grand Lodge programmes, particularly Friend-to-Friend, Brother-to-Brother, and Mentors, is strongly urged for all lodges. These programmes have a proven track record of augmenting member satisfaction and increasing lodge membership. Much can also be done toward raising awareness of the Craft among non-Masons.

Lodges are also urged to increase their efforts with respect to Long Range Planning. The Long Range Plan must be viewed for what it is - a living, dynamic document that must be revisited each year and revised as necessary.

The ritual continues to be accorded dignity and respect. However, brethren from several lodges must often collaborate in order to properly portray degrees. Protocol is reasonably well observed throughout the district.

Lodges in this district are generally financially stable, although many do not have a substantial reserve fund. This may prove a source of concern should some calamity strike their core membership.

The district fundraising project instituted in 2005-2006 and carried over to June 2007 has surpassed all expectations by raising over \$15,000 toward the Northern Ontario School of Medicine - Charter Class Bursary Fund. This is living proof that the lesson of the Northeast Angle has not been lost on the brethren of this district. More broadly speaking, it also demonstrates that the concerted efforts of many can make an enormous difference. If the same effort is applied to the membership issue, Masonry in Temiskaming District should be restored to a position of health and vibrancy.

Toronto Don Valley District – 21 Lodges

R.W. Bro. Keith F. Macdonald

This year was one of change. Toronto Don Valley being a new District formed by the Grand Lodge at last year's Communication started with 24 Lodges. York 156 and Bedford 638 amalgamated in September, St. Clair 577 moving to Rameses and amalgamated with Ashlar 247, and Zetland 326, Wilson 86, Occident 346 and Harmony 438 in January with the Grand Master and the Grand Lodge Officers and many visitors made the evening at each most enjoyable. Ten lodges meet at York Masonic Temple in

Leaside and eleven lodges meet at Thornhill Masonic Hall in Thornhill. These new location makes it easier for travelling and hopefully visiting will be easier in the coming years.

The visitation to each Lodge by the District Secretary and myself had been welcomed with respect and courtesy. Most of the Lodges in the District are doing well, with one Lodge needing help in most area and another needing financial advise. The majority of the Lodges are financially sound with good investments and some having a strong budget.

The Long Range Planning Committee is working to install a sound plan that each Lodge can follow and work to strengthen each Lodge.

All the Committee Members supported the District this year and travelled with the District Deputy Grand Master to the Official Visits. Good friendships were made and this does help in cementing District relationships.

It my pleasure to meet with two students that reserved Bursaries in the amount of \$800.00 each that helped them finish their final year. The Ontario Masonic Foundation must be congratulated on a dedication to the Craft.

I travelled out side of the District which was very rewarding and I was able to meet new Brethren and talk with old friends.

I was proud with the association between the Canadian Diabetes Association, "The Charles H. Best Research" and our District. With a few Social Events, like Ladies Night, Golf Tournament, Trivial Night and the Meet & Greet we have been able to raise over \$10,000.00 for this charity.

The high-lite of my year was two fold, the meeting of all the Candidates, and the friendly members of the new District.

I enjoyed the first year of Toronto Don Valley, and with the support that I did receive I know that next year is in good hands with who ever becomes the new District Deputy Grand Master.

Toronto East District – 24 Lodges

R.W. Bro. Robert McDowell

Toronto East District was formed from 4 of the previous 7 Toronto Districts, 3,4, 6, and 7. Our goal was to bring the new district together as possible and thanks to the efforts of the Masters', Senior Wardens' and Junior Wardens' groups and their enthusiasm this was achieved. Visitations at Official Visits and Installations was up considerably, which certainly helped to bring the brethren together and made the transition very smooth.

The District events were well attended and I must congratulate the brethren for the turnout at the Remembrance Day Services and the Divine Service.

The District Charity Windreach Farms was well supported by all lodges in the district and the goal of \$24,000.00 was reached and surpassed.

Toronto East held an inaugural District Gala which although not as well attended as hoped was a successful evening and will be continued as I am sure it will be a high light of the Masonic Year especially for lodges in the district who do not hold Ladies Nights.

Many lodges were busy with initiations this year in a large part due to the F2F program. I was happy to see this program in use but caution must be observed with respect to the investigation of candidates who have submitted applications from mall events or from the community F2F nights held at the local Masonic Centre. We certainly want new members in Masonry but for the right reasons.

Although our district did see a rise in initiations there was also an increase in Masonic Funerals as 19 were held in Toronto East. One other concern is the number of Masons in the GTA who retire and move to smaller communities. Some can afford to pay dues to their Mother Lodge and affiliate elsewhere while others can't.

Toronto East District will probably see 1 or 2 lodge amalgamations in the next Masonic Year. Hopefully this will rejuvenate the combined lodges and they will embrace the F2F, and B2B programs and build a strong foundation for the future.

One concern is the lack of use of some of the district communities, especially LRP,

and Education. Would like to see more lodges take advantage of these groups especially on nights when no degree work is being performed.

Toronto Humber Valley District – 24 Lodges

R.W. Bro. Paul J. Monaghan

Overall the quality of the work in the district is very good. We were very fortunate to be the host District for one of the sessions of the Grand Lodge, Lodges of Instruction which was well attended and many of the important points regarding the mechanics of the degree work have been incorporated within the lodges.

Unfortunately the lodges that are most often in need of attending such workshops were not present and this was reflected in some of the Official Visits. There has been an increase in membership with 17 out of the 24 lodges having new candidates. Most Grand Lodge programs are being used, however a few lodges could benefit more by using and adopting them. On September 12, 2006 the amalgamation of Zeta #410 and Shamrock #535, and on January 31, 2007 the amalgamation of Ashlar #247 and St. Clair #577, and on April 11, 2007 the amalgamation of Parkdale #510 and Coronation #677 which all of these amalgamations took place with the attendance of the Grand Master, the Deputy Grand Master and many Grand Lodge Officers.

On the Community level the same lodges that had community programs in the past still have them now. They are Humber Lodge #305, which holds their annual Christmas Party for single mothers and children. Mount Dennis Lodge #599 who continue to support the Community Association for Riding for the Disabled. The District had success in many events such as Education Nights, and a Golf Tournament. The District Project was in support of Cinnamon Toast Housing for Dignified Women the goal was set at \$10,000.00 and we exceeded that number with an amount over \$22,000.00 dollars. Many thanks to the dedication and generosity of all the brethren of the District in achieving the.

I would like to thank all of the Brethren for giving me the Privilege of being the first Grand Master's representative for the Toronto Humber Valley District.

Toronto West District – 22 Lodges

R.W. Bro. Charles A. Woods

In general, the health of Toronto West is good. Ritual is mostly very good even though it can be said that it can always improve. The same is true for protocol and etiquette for which the bar must always be kept high, lest that, which we are proud of as Masons, declines until it is unrecognizable and becomes of no use or value to anyone - let alone proud Freemasons.

Of the 22 lodges, four declared an increase, nine a decrease and nine a steady membership.

The realignment of Districts affected Toronto West numbers in that we replaced one strong Lodge (Anniversary #733) with another strong Lodge (University #496). The integration of University has been very positive and smooth.

While the brethren have great opportunity to avail themselves of excellent Grand Lodge and District Programs, their very busy lives with family and work commitments all too often cause conflict and guilt leading to mediocre attendance, which is shame after so many dedicated brethren work so hard to put on excellent presentations.

Most of our programs are running at a high level with incredibly dedication on behalf of the devoted brethren who organize them. Our District project, providing support to shelters for Battered and Abused Women and Children, has really struck a chord with the brethren and has been very successful.

The warmth, courtesy and respect with which the District Secretary and myself were received at every Lodge meeting has been humbling and moving.

It has been an incredible honour and privilege to represent our Grand Master, M.W. Bro. Gary L. Atkinson, as the inaugural DDGM of Toronto West this year and I am so thankful for this once-in-a-lifetime experience.

Toronto West has had a great first year and has a very bright future in Freemasonry due to the dedication and efforts of all its brethren.

Toronto York District – 21 Lodges

R.W. Bro. G. S. Joe Whitmore

This being the first year for the Toronto York District, the dissection that was predicted by many did not materialize. For the most part, the Lodges and members have embraced our realignment with enthusiasm and support.

The ritual work with little exception is very well performed in Toronto York. All the Lodges have many Past Masters with experience who offer their support to their respective Lodges.

Protocol and etiquette is practised to its fullest extent whether it is at the banquet hour or within the Lodge room. It is obvious that the directors of ceremony and masters communicate well with each other to achieve such quality.

Membership within the District with only one exception is steady if not starting to increase. Several of the Lodges have reported to me that since their Official Visits in the fall, they have recently seen an increase in applicants. It would appear many men in their thirties and forties are searching for that stable fraternity their forefathers enjoyed. Possibly with our growing communities, Masonry may see new growth for the betterment of mankind.

Most Lodges report that their finances are stable; however the temple boards in some cases are showing weakness due to rising taxes and insurance costs.

This past year, Toronto York District witnessed two amalgamations. One leading to the formation of the new Maple Lodge No. 543 G.R.C. from the former Vaughan Lodge and Mizpah Lodge. Harmony Lodge amalgamated with three other Lodges in the Toronto Don Valley District. These amalgamations changed our District from 23 Lodges to 21. In the future, Toronto York District may see some further geographical changes, but at this time that is only speculation.

A few of the Lodges have implemented some of the Brother to Brother programs and have had a few former brothers return to Lodge. The most important committee would be the mentoring and education of the new initiates. The more they understand what our ritual tries to convey, the more likely they are to enjoy and expand their Masonic knowledge.

Most of the Lodges do partake in community events and include their families. The Lodges, who participate to the utmost, show the largest increase in membership.

Long range planning at this point in time may be a bit premature. With visitation between Lodges and filling our present Lodge buildings for Official Visits and Installations, I think just becoming familiar with one another should be allowed to take its natural course for the next year or so.

The District this year has had several events including Grand Lodge of Instruction, a Curling Bonspiel in which three teams had to be turned away as the venue was not large enough, and a District Ladies' Night which was well attended. As I write this report our Golf Tournament and Divine Service remains to take place.

The Wardens Association has been very active with their degree team and is hosting the Spring Business meeting. Plans are in place for next year to have a Chapter of the DeMolay in the Toronto York District.

This upcoming year will see at least one Lodge preparing to celebrate their 100th Anniversary and at least three Lodges preparing for their 150th Anniversaries. 2007 and 2008 will prove to be wonderful and exciting years for Toronto York District.

Victoria District – 13 Lodges

R.W. Bro. Donald M. Burgomaster

Masonry in Victoria District impresses me as a devout community of brethren that enjoy practising the principles that our fraternity is founded upon. There is a spirit of support and cooperation amongst all the lodges. The visitation at official visits and special occasions as well as memorial services is never failing and always practised. The fourteen lodges are located in thirteen different communities throughout this far reaching rural District in south central Ontario. Lindsay is the hub in the middle with its two

lodges sharing the largest Masonic Hall in the District. The Trent Severn Waterway winds through this agriculture and timberland into the beautiful lakes and highlands of Haliburton. The beauty of this District is attracting people to relocate, and Masons are often affiliating to the local lodges.

The oldest, Faithful Brethren (Lindsay), celebrated its 150th anniversary and we were very pleased to receive the Grand Master for this celebration. Gothic lodge #608 (Lindsay), our youngest lodge, celebrated its 85th year. We were very pleased to welcome our Deputy Grand Master to our ladies night in May. The district hosted the Grand Secretaries and Computer Resources Session in December, which was well attended and appreciated. In January we hosted the session on Mentors, Friend to Friend, Brother to Brother and Officers Progression. These presentations were well done and well received.

Community involvement is foremost with all the lodges; from a well attend District Divine Service with Masons, family and friends, to community fund raising, food banks, blood donors, curling and golfing tournaments, Barbecue's, ladies nights and special Christmas programs. The District Project is fund raising for the two children's centres in the District and all lodges have been very supportive with special projects; in particular, the Motorcycle Poker Run is to be acknowledged in their continued efforts for the cause of good.

Reflecting on the year I see a stabilizing of the membership with most lodges receiving applicants, there is a very supportive group of Past Masters and Past Grand Lodge Officers. The ritual work would rate from fair to exceptional, the protocol and etiquette is good to excellent and there is respect and sincerity expressed.

This has been a very memorable year for me and I appreciate the help, cooperation and respect that I have received both in Victoria District and beyond.

Waterloo District – 15 Lodges

R.W. Bro. Glenn H. Russell

It is my honour and pleasure to report on the condition of Masonry in Waterloo District. We have again this year enjoyed a steady growth of new men into masonry this year, but not as many as we have enjoyed in the past couple of years. Of the 15 lodges in Waterloo District all but two lodges did not have a new member this year and we have had 16 members pass to the Grand Lodge above. The average age of the new members is around 30 and most of them found out about Masonry through the Internet, which I believe, have been one of the biggest contributors to Masonry in the past couple of years, alone with our presents at the International Ploughing Match and the Fergus Highland Games.

This year Waterloo District hosted a number of Grand Lodge Programme Events such as: Lodge of Instruction, Mentors & Officer Progression, Friend to Friend, Computer Resource and Long Range Planning work shop/seminars and fro the most part attendance was very good. There is however some Lodges in the District that did not attend any of these work shops/seminars and it is showing that membership & financially they are not doing as well. These few Lodges in Waterloo District should be looking at amalgamation in the next year before these Lodges go dark forever. Visitation within Waterloo District is very good and there are a few Lodges who participate with visitations out side Of Waterloo District and our Grand Jurisdiction, however again there are some who wish not to visit within the District or participate in the different District activities and Grand Lodge Programmes, and unfortunately the future for these Lodges does not bode well.

Most of the in the District are financially sound while others could benefit from Long Range and Budgetary Planning. All of our Lodges demonstrate a love for the craft and a sincere desire to learn as evidenced by the increased Masonic Educations at nearly all the meeting nights and the participation of the many brethren at my Official Visits with my Lodge of Discussion. There is however still some room for improvement, ritual and degree work would benefit greatly from increased visitation and attendance at the Lodge of Instruction, Grand Lodge Programme workshop/seminars and at District inter-lodge visitation.

Masonry in Waterloo District is still STRONG, ALIVE and WELL, and the brethren have participated in many different District events in the past year such as: Masons/Knights Golf Tournament, District Golf Tournament, Dart Night, Military Table Lodge, District Curling Bonspiel, Waterloo/Wellington Theatre Night and the 2nd annual Euchre Night, and have helped raise monies for the District Charity – The National Service Dogs.

The future of Waterloo District is very good and is very good hands with the number of Past Masters, Masters and Past District Deputy Grand Masters, which are planning and taking steps to ensure that we stay ALIVE and move forward with Masonry in our District. We also are looking to revive the lodges, which are not visiting as much as they could be on a regular basis, and to participate in the different District Events and programmes. As far as our new members we also need to ensure that each lodge in the District keeps these Brethren informed and involved in the mentors programme and have them visit with others lodges in the District that are conferring the same degree that they have just gone through. This should be done before they advance to the next degree as well.

The future of Masonry is here NOW and it is up to us to take hold of it and keep it moving forward, For The Good Of Masonry!

I would now like to take this time to thank the Brethren of Waterloo District and our Grand Master to afford me the most GRATIFYING experience to serve as D.D.G.M. of an Outstanding District and Grand Master!

Wellington District – 12 Lodges

R.W. Bro. Donald J. Hamilton

Wellington District is rich in diversity. With 6 lodges in Guelph, including a Daylight Lodge, 2 lodges in each of Fergus and Georgetown, and lodges in Drayton and Erin; we comprise Masons who despite diversity of location, livelihood and skill sets are principally united by the bonds of friendship. There is strength in the lodges in each of the communities in which we operate, although significant differences are evident among those lodges.

We have been able to identify and address a number of significant problems in particular lodges this year, and in each of those cases, the Master and Officers of those lodges have sought, or accepted; establishment of Grand Lodge programs or significant analysis of past and current trends with confident expectation that new direction can be found for their lodge. The newly amalgamated Walker-Friendship Lodge is a pleasure to visit, as their officers are youthful and exuberant.

Every lodge has had candidates this year. Lodge officers have had frequent opportunities to present the Work to their own candidates. On balance, the Work in Wellington District is reasonably well-presented and there are individuals in each of the lodges who are working to maintain a high standard with the mechanics of the work.

As well as the Grand Master's Reception and Banquet, Wellington lodges have supported a wide variety of events including Lodges of Instruction, Lodges of Discussion, Guelph Masonic Centre cornerstone ceremony, celebration with Wyndham Lodge of their 50th anniversary with three other 50- year lodges from three neighbouring Districts, continued support for wellington District's Bursary, Masonic display at the Fergus Highland Games, and Open Doors Canada open house.

It has been a great honour to have represented Trillium Lodge No. 724 as DDGM for Wellington District 2006-2007. I have been joined in lodge this year by my son Duncan whose high expectations have encouraged me to make Masonry inclusive for every member at every meeting. W. Bro. Les Sulzer has earned my gratitude as well as the support and trust with which he is greeted in every lodge.

Western District – 10 Lodges

R.W. Bro. Terry A. Dunbar

Western District is comprised of 10 lodges with a total membership of just over 700. Between 2000 and 2005 the District membership declined by just over 15% with every

lodge reporting losses. During 2006-2007 all lodges have had a least one initiation with one initiating four new members. We have every reason to believe that this growth will continue into the foreseeable future.

The overall condition of Masonry in Western District is good. The quality of work I have observed is above average and conforms to all rules and instructions from Grand Lodge. Most of the lodge are financially sound with 3 or 4 enjoying additional income from rental properties and /or investment income. They do not have financial plans and rely on periodic reports from the lodge treasurer to keep them up to date on their current financial status.

The lodges of Western District are spread out over a large area of Northwestern Ontario. To accommodate a visit to each lodge in the jurisdiction I travelled a total of 3320 kms and had many late nights returning home. I am indebted to many of the Brethren who accompanied me on those visits. The large geographic separation of our lodges inhibits inter lodge visitation. Most lodges operate in a state of isolation both from Grand Lodge and from other District lodges.

The lodges are usually operated and managed by a small core of dedicated Masons. They work very hard to maintain and uphold the basic Masonic principles. People naturally resist change and Masons are no different. They find it difficult to accept and implement new programmes introduced by Grand Lodge. I feel that more work has to be done to convince the Brethren of the benefits of these programmes.

There are two highlights of my term I wish to include in this summary. The first occurred in September 2006 when, Deputy Grand Master R.W. Bro. Al Petrisor and I welcomed several Brethren and their ladies from Hannibal Lodge No. 224 G.R.I of St. George's Bermuda to Kenora. While visiting they attended two regular lodge meetings and with their ladies, were hosted at several social functions held in their honour.

The second highlight took place in March of 2007 during my official visit to Ionic Lodge No. 461 in Rainy River. I had the honour of presenting a Grand Lodge certificate for 70 years a Past Master to 103 year old W. Bro. Clifford Park, who was Master of Ionic Lodge in 1936.

This summary would not be complete, and I would be remiss if I did not acknowledge and express my appreciation for the dedication and hard work of my District Secretary W. Bro. David White. His devotion to his duties and responsibilities and to Masonry went above and beyond the call of duty.

This year as District Deputy Grand Master of Western District has been the pinnacle of my 40 year Masonic career. It has been my pleasure, privilege and honour to serve the Brethren of the District.

Wilson North District – 11 Lodges

R.W. Bro. Beverley C. Burrill

First I wish to thank our Grand Master for allowing me the honour to serve as his representative in Wilson North during 2006-2007. Thanks also to the Brethren of the District who allowed me to put my name forward and extended the privilege to serve them, and also supported our District efforts.

Membership in our District has continued to decline with members passings, demits and suspensions. We are suggesting we hold three Friend-to-Friend nights each year as a minimum to cover the entire District. Being Ingersoll, Woodstock, and Innerkip and inviting lodges outside these areas to participate. Several such evenings have shown improvements as of late.

The attitude in Wilson North is good and the future looks bright. Degree work is generally good with some improvement needed in some lodges which will be realized by following ritual as written.

Wilson South – 10 Lodges

R.W. Bro. Neil A. Dolson

I must thank the members of the Lodges in my District for their support this past year. The Worshipful Masters, Secretaries, Past Grand Lodge Officers, the District Team and

the brethren that travelled with me helped to make this year special. It is these brethren that are keeping Masonry alive in Wilson South. I would be remiss if I did not thank especially the District Secretary, W. Bro. John Roberts for his dedicated service to the District and his support and friendship to me.

The Lodges in Wilson South all hold regular meetings and perform the ritual in an acceptable manner. There are also some emergent meetings held to accommodate degree work. There is a wide variance in crispness of the ritual work done but generally it is performed to standard and certainly with no lack of enthusiasm. The finances of the lodges in the District vary greatly and while we have very well to do Lodges we also have Lodges that struggle to make ends meet. Regardless of this fact the spirit of Benevolence is alive and well within the District. Visitation within and outside the District has improved somewhat and will only pay dividends in the long term if continued.

There continue to be some significant issues outside the realm of Ritual and Finance in the District and while disappointing within our craft they do need to be addressed for the brethren to move forward and prosper as we ought. Past Masters and Grand Lodge support both become crucial in helping work through these issues for the benefit of the craft in general. Support from Long Range planning resources is likely most desirable.

I can not adequately express how enriching and enjoyable this past year has been for me personally as DDGM. I have rekindled lost relationships, cemented existing ones and had the privilege of staring many, many new friendships not only across the District but also outside of the District and even outside our Grand Jurisdiction. As this year draws to a close it is not an end for me but truly a new beginning.

Windsor District – 9 Lodges

APPENDIX C

DEPUTY GRAND MASTER'S THANKS TO R.W. Bro. Ron Aungst

Most Worshipful the Grand Master, distinguished Head Table Guests, Right Worshipful Brother Aungst, our guest speaker, and brethren.

It is once again a very delightful opportunity and a privilege to be able to thank our Guest Speaker this evening.

I first met R.W. Bro. Aungst about a year and half ago at the Conference of GMs in Nashville. I found him to be a most outgoing fellow, interesting to speak with and a strong believer of doing the job right.

Well, tonight was no exception, as you have heard. He does it right. A few months ago I asked him if he would send along a prepared text of his intended speech.

He told me, Al I speak without notes. I said, well it's the Deputy's responsibility to thank you and that means that I'll have to listen to what you are speaking about. Brethren as it turns out that was no problem as I found his speech most interesting, as I am sure you did as well.

His thoughts on Masonry and the pride of being a Mason have challenged us to make the best of our lives, to build relationships of value, to be proud of our Masonry by practising our charitable ways and living the virtues we learn in Lodge. Your thoughts on our Youth groups were enlightening and the comparisons to Freemasonry were interesting.

R.W. Sir, the rapt attention and tremendous applause which our brethren gave to you indicates their appreciation and now I add on their behalf a very genuine and sincere THANK YOU.

Allan J. Petrisor
Deputy Grand Master
